Aspects of Romantic Love Dr. George Vareekal,2022-03-28 Aspects of Romantic Love Perceptions on Love and Marriage is a modest attempt to express my perceptions of romantic love and related themes To love and to be loved are exciting aspects of a person s emotional life The pivotal theme of the book is love romance marriage and those alliances which hamper a harmonious conjugal and family life Romantic love is a fascinating passion and an ecstatic experience The very word romance captures our imagination and fills our hearts with exciting feelings The book is not a scientific treatise on love It only encapsulates romantic love with all its appealing themes My effort is to describe the splendid experience called love exclusively through my impressions The book is a product of the year 2020 marred by the Covid 19 pandemic and the terrible human exodus during the lockdown of 2020 The unexpected global and national scenario

The Romance of Flamenca E. D. Blodgett, 1995 Variouslly described as a comedy of manners a psychological romance and a type of fabliau the 13th century narrative *Flamenca* is the best medieval romance

written in Occitan Its uniqueness springs from qualities that anticipate the preoccupations of modern day narrative Not content with being a love story fraught with risk and intrigue the poem is layered with responses to the troubadour tradition of love and poetry as well as the Bible and the classics Though among the most bookish of romances its tone is invariably ironic comic and satirical This playfulness may be measured by the variety and vehemence of critical response to the poem Is it a vindication of the troubadour ideal a mockery of the Church a satire on jealous husbands or an undermining of the ideals that romance is said to inscribe Or is it all of these elements held in suspense The introduction confronts these questions provided by publisher
