Sexual Content in Young Adult Literature Bryan Gillis,Joanna Simpson,2015-02-10 Though discussing sexual material in novels aimed at the young adult market may make some individuals blush the authors of such fiction often seek to represent a very real component in the lives of many teens Unfortunately authentic and teen relatable information on healthy adolescent sexuality is not readily available and sex education classes have had a minimal effect on positive sexual identity development Consequently young adult literature that contains sexual elements can play a critical role in addressing the questions and concerns of teens In *Sexual Content in Young Adult Fiction* Reading between the Sheets Bryan Gillis and Joanna Simpson examine sexual material in canonical historical dystopian romantic and realistic contemporary fiction for teens The authors begin with an exploration of sexual identity development and discuss the constructive influence that realistic representations of teen sexual behavior can have on that development The authors provide a myriad of texts and examples that will help parents teachers and librarians better understand the positive role that sexual content in YA fiction can play in the socio emotional and academic development of adolescents The book concludes with an overview and analysis of censorship in the world of young adult fiction In addition to providing a survey of sexual content in young adult literature this book can help inspire adults to facilitate effective and responsible discussions about young adult fiction that contains sexual material Featuring a novels cited and works cited bibliography *Sexual Content in Young Adult Fiction* is an important resource that parents and educators will find particularly valuable

issues such as body image tattoos and piercings and cigarettes and other drugs Teen Feng Shui demonstrates how the universal principles behind the design practice of feng shui can be applied to the contemporary environments of teenagers from school lockers to dorm rooms in order to maximize personal power develop harmonious relationships and define personal space Noting that all books on feng shui are created for adults Susan Levitt has provided a resource geared specifically toward the needs and realities of the teenage experience addressing how young adults can design their living spaces to transform their lives She describes how music posters and incense can influence space and includes before and after illustrations of feng shui fixes Teen Feng Shui also incorporates Chinese astrology financial management and shopping tips for teens insights on love and sex personal stories and case studies to provide a fun and comprehensive guide to this ancient art of placement **Truth Seeker** ,1895 **Love and Empire** Felicity Amaya Schaeffer,2013 The spread of the Internet is remaking marriage markets altering the process of courtship and the geographic trajectory of intimacy in the 21st century For some Latin American women and U S men the advent of the cybermarriage industry offers new opportunities for re making themselves and their futures overthrowing the common narrative of trafficking and exploitation In this engaging stimulating virtual ethnography Felicity Amaya Schaeffer follows couples romantic interludes at Vacation Romance Tours in chat rooms and interviews married couples in the United States in order to understand the commercialization of intimacy While attending to the interplay between the everyday and the virtual Love and Empire contextualizes personal desires within the changing global economic and political shifts across the Americas By examining current immigration policies and the use of Mexican and Colombian women as erotic icons of the nation in the global marketplace she forges new relations between intimate imaginaries and state policy in the making of new markets finding that women s erotic self fashioning is the form through which women become ideal citizens of both their home countries and in the United States Through these little explored highly mediated romantic exchanges Love and Empire unveils a fresh perspective on the continually evolving relationship between the U S and Latin America Men in Love Vittorio Lingiardi,2002 From the rape of Ganymede to Michelangelo s loves from the relationship of Batman and Robin to the letters between Freud and Jung this voyage speaks eloquently about the complex relationships between men *Gender and Sexual Dissidence on Catalan and Spanish Television Series* Silvia Grassi,2016-09-23 Taking as a starting point an interpretation of the television medium as an Ideological State Apparatus this book examines how gender roles and non heteronormative sexualities are constructed in Spanish and Catalan television series In the first part which focuses on the construction of gender roles in Catalan soap operas it applies the analytical paradigms founded by Anglo Saxon feminist scholars for the content of soap operas to a corpus of material which has rarely been analysed through this perspective In the second part which focuses on the construction of non heteronormative sexualities in Spanish and Catalan television series the book challenges the rhetoric of normalisation and the essentialist paradigms which have so far dominated the examination of the construction of sexuality in

television series As such this book addresses the role performed by television in the construction of meanings which surround gender issues and non heteronormative sexualities This is a timely exercise because gender studies and studies of sexual dissidence are fairly recent fields in Spanish and Catalan academia and television has been largely disregarded especially as far as the analysis of characters and storylines is concerned As a result this book represents a major contribution to these fields in the Spanish and Catalan contexts Love Stories of Later Life Amanda Smith Barusch,2008-03-13 Even with baby boomers retiring and greater media and research attention being lavished on older people most gerontologists have studiously avoided examining romance among the elderly Love Stories of Later Life is an appealing and eye opening remedy to this neglect as leading gerontologist Amanda Smith Barusch presents original research into what love and romance mean in seniors lives The result is a glimpse into a world many people didn t know existed that of romantic love in later life Unlike superficial guidebooks that purport to help seniors find a new mate Love Stories of Later Life integrates theory and the latest research on love and the aging process Drawing on a wealth of personal narratives collected during a landmark five year study the book presents the lived experiences of older adults from all walks of life It addresses the impact of common age related changes both emotional and physical on romantic relationships and argues that love continues to sculpt our personalities and our lives even in life s later decades Each chapter includes practical tools for the serious student of love including exercises designed to increase self awareness and relationship building as well as annotated lists of suggested reading that are at once comprehensive and accessible Barusch s fresh perspective engaging voice and in depth qualitative research make Love Stories of Later Life an important contribution to the study of individual lives and the aging process This book will guide gerontologists social workers and counselors as they in turn help their older clients navigate love s challenges Visit the author s website Amanda Barusch *The Author & Journalist* ,1925 **LA LOVE STORIES** Martin Copeland,2019-10-01 Tales of questing hearts in the City of Angels **The Columbia Dictionary of Quotations from Shakespeare** William Shakespeare,Mary Foakes,R. A. Foakes,1998 The quotations are arranged by topic and indexed by character play poem and keyword *Love Me, Touch Me, Heal Me* Dr. Erica Goodstone,2010-02-16 Love Me Touch Me Heal Me The Path to Physical Emotional Sexual and Spiritual Reawakening shows us what it takes to love touch and heal our own self As we heal we develop a renewed passion for life a deep sense of being connected to something beyond our immediate life circumstances and an increased desire for intimate loving Love Me Touch Me Heal Me is meant to be a coming out party coming out of hiding bringing our total self into the light for examination acceptance and readiness to share our authentic self intimately with others *Burning Desire Fades* M. Martin,2017-01-01 A leading biblical scholar s landmark work challenges the historical realism that has dominated the discipline for more than two centuries How can a modern person informed by science and history continue to recite the traditional creeds and confessions of the Christian church What does the Bible mean and how do we verify biblical truths In this groundbreaking book a leading biblical scholar urges readers to be more creative interpreters of biblical texts mapping out an alternative way of reading that is not first and foremost about understanding what those texts would have meant for the original authors and readers Limiting our study to the ancient meaning of the text he argues has produced either bad history or bad theology or both One cannot derive robustly orthodox Christian doctrine or theology from a mere historical interpretation of the Bible Martin offers instead theological readings of the New Testament that are faithful to Christian orthodoxy as generally understood but without attempting a foundationalist understanding of the meaning of the text His provocative and ambitious book demonstrates how theology and scripture can remain vital in the twenty first century **THE WRITER'S MONTHLY** ,1922 *The Smart Set* George Jean Nathan, Henry Louis Mencken,1926
