Love Death And The Ladies Drill Team:

Love, Death, and the Ladies' Drill Team Jessamyn West, 1966 **Short Story Index: 1955-1958**, 1960 **Short Story Index** Dorothy Elizabeth Cook, 1960 The World Through a Monocle Mary F. Corey, 2009-07-01 Today The New Yorker is one of a number of general interest magazines published for a sophisticated audience but in the post World War II era the magazine occupied a truly significant niche of cultural authority A self selected community of 250 000 readers who wanted to know how to look and sound cosmopolitan found in its pages information about night spots and polo teams They became conversant with English movies Italian Communism French wine the bombing of the Bikini Atoll pret a porter and Caribbean vacations A well known critic lamented that certain groups have come to communicate almost exclusively in references to the magazine s sacred writings The World through a Monocle is a study of these sacred writings Mary Corey mines the magazine s editorial voice journalism fiction advertisements cartoons and poetry to unearth the preoccupations values and conflicts of its readers editors and contributors She delineates the effort to fuse liberal ideals with aspirations to high social status finds the magazine s blind spots with regard to women and racial and ethnic stereotyping and explores its abiding concern with elite consumption coupled with a contempt for mass production and popular advertising Balancing the consumption of goods with a social conscience which prized goodness the magazine managed to provide readers with what seemed like a coherent and comprehensive value system in an incoherent world Viewing the world through a monocle those who created The New Yorker and those who believed in it cultivated a uniquely powerful cultural institution serving an influential segment of the population Corey s work illuminates this extraordinary enterprise in our social history Jessamyn West Ann Dahlstrom Farmer, Philip M. O'Brien, 1998-07-30 Describes the known work by and about Jessamyn West 1902 1984 Includes full bibliographic descriptions of all of the editions of West s 27 separate publications plot summaries correspondence critical interpretations and works based on West s primary works Much of the book covers West s unpublished materials which are primarily archived at Whittier College Annotation copyrighted by Book News Inc Portland OR **40 Over 40** Brenda Kinsel, 2000 A professional image consultant provides women over age 40 with the perfect recipe for personal style and shows the busy woman who is already befuddled by fashion how to choose a wardrobe through 40 helpful hints and strategies 24 two color illustrations **Word Painting** Rebecca McClanahan, 1999-03-15 Let Rebecca McClanahan guide you through an inspiring examination of description in its many forms With her thoughtful instruction and engaging exercises you ll learn to develop your senses and powers of observation to uncover the rich evocative words that accurately portray your mind s images McClanahan includes dozens of descriptive passages written by master poets and authors to illuminate the process She also teaches you how to weave writing together using description as a unifying thread **Dictionary of Midwestern Literature, Volume 1** Philip A. Greasley, 2001-05-30 The Dictionary of Midwestern Literature Volume One surveys the lives and writings of nearly 400 Midwestern authors and identifies some of the most important criticism of their

writings The Dictionary is based on the belief that the literature of any region simultaneously captures the experience and influences the worldview of its people reflecting as well as shaping the evolving sense of individual and collective identity meaning and values Volume One presents individual lives and literary orientations and offers a broad survey of the Midwestern experience as expressed by its many diverse peoples over time Philip A Greasley's introduction fills in background information and describes the philosophy focus methodology content and layout of entries as well as criteria for their inclusion An extended lead essay The Origins and Development of the Literature of the Midwest by David D Anderson provides a historical cultural and literary context in which the lives and writings of individual authors can be considered This volume is the first of an ambitious three volume series sponsored by the Society for the Study of Midwestern Literature and created by its members Volume Two will provide similar coverage of non author entries such as sites centers movements influences themes and genres Volume Three will be a literary history of the Midwest One goal of the series is to build understanding of the nature importance and influence of Midwestern writers and literature Another is to provide information on writers from the early years of the Midwestern experience as well as those now emerging who are typically absent from existing reference works *Wisconsin Library Bulletin*, 1955 **Gold Star List of American Fiction** Syracuse, N.Y. Public library, 1962 **Reference Guide to American Literature** Thomas Riggs, 2000 Concise discussions of the lives and principal works of American writers thinkers and cultural figures written by subject experts [American Women Writers](#) Taryn Benbow-Pfalzgraf, 2000 These volumes present essays offering critical biographical and bibliographical information on each writer [Look Abroad, Angel](#) Jedidiah Evans, 2020 Born in Asheville North Carolina Thomas Wolfe 1900 1938 was one of the most influential southern writers widely considered to rival his contemporary William Faulkner who believed Wolfe to be one of the greatest talents of their generation His novels including *Look Homeward Angel* 1929 *Of Time and the River* 1935 and the posthumously published *The Web and the Rock* 1939 and *You Can't Go Home Again* 1940 remain touchstones of U S literature In *Look Abroad, Angel* Jedidiah Evans uncovers the global Wolfe reconfiguring Wolfe's supposedly intractable homesickness for the American South as a form of longing that is instead indeterminate and expansive Instead of promoting and reinforcing a narrow and cloistered formulation of the writer as merely southern or Appalachian Evans places Wolfe in transnational contexts examining Wolfe's impact and influence throughout Europe In doing so he de-territorializes the response to Wolfe's work revealing the writer as a fundamentally global presence within American literature **Books on Trial**, 1955 [The Publishers Weekly](#), 1956 *Jessamyn West, Revised Edition* Alfred S. Shivers, 1992 Mary Jessamyn West was born in 1902 to an Indiana Quaker family who moved to the ranch and orchard land of southern California when she was six As a mature writer West would return again and again to these simple facts of her youth Quakerism the settling of the Midwest as told to her in stories by her mother and the domestication of the southwestern frontier became the dominant milieus of her fiction a fiction distinguished by its detailed authentic conveyance of the homesteading landscape

and of the folkways and language of the people that inhabited it In Jessamyn West Revised Edition Alfred S Shivers chronicles West s complete works from her first well received story collection about the lives of a midwestern Quaker couple The Friendly Persuasion 1948 to her last the posthumously published Collected Stories of Jessamyn West 1986 Eight West books have been published since Shivers s first treatment of the author Jessamyn West appeared in 1974 all are discussed in this revised edition The author of seven novels several short story collections a volume of poetry and two memoirs West kept private notebooks and journals since she was a child But she began to write seriously only after a debilitating bout with tuberculosis and a long period of recovery and reflection West contracted tuberculosis at 29 and in its early stages the disease threatened her life Among the persistent themes in her work is that of understanding and illumination brought about by intimacy with death West also wrote frankly about sexuality a trait the reviewers of her day often found surprising and sometimes disturbing in a female Quaker writer With great respect for psychological realism and in a polished often sensuous style her fiction explores variously the awakening of sexuality in adolescence the destructive consequences of self denial and sexual repression and the sexual loneliness of middle aged women It is however the carefully crafted backdrop against which these themes are played out for which West remains best known and most admired particularly that of American Quakers from the early nineteenth to the mid twentieth century No other writer Shivers argues has recorded their way of life as faithfully humanly and entertainingly as Jessamyn West Ironically as successful as West was in depicting Quaker ways in her fiction she wanted neither her life nor her art to be restricted by traditional Quaker concerns for modesty and propriety West enjoyed shocking people for instance by telling them she had once slept with former president Richard Milhous Nixon a second cousin who as a baby had slept on the same bed with West then a little girl Struggling against her Quaker upbringing Shivers writes West tried to overcome the tendency to be agreeable or good at the expense of being truthful to be polite at the expense of being vivid to be pretty at the expense of being honest What Jessamyn West wanted least was to be known as that sweet little old Quaker lady
