Love Ethic Of D H Lawrence:

The Love Ethic of D. H. Lawrence, by Mark Spilka. [Foreword by Frieda Lawrence Ravagli.]. Mark Spilka, Frieda Lawrence Ravagli, 1958 The Love Ethic of D. H. Lawrence Mark Spilka, 1962 The Love Ethic of D. H. Lawrence Mark Spilka, 1959 The Love Ethic of D.H. Lawrence Mark Spilka, 1957 Love Ethic of D. H. Lawrence Mark Spilka, 1987-01-01 **The Love Ethic of D.H. Lawrence** American Economic Association, 1955 **D.H. Lawrence and the Paradoxes of Psychic Life** Barbara Ann Schapiro, 1999-07-29 Contributing to the debate about D H Lawrence s relationship with and fictional portrayal of women this book discusses how the dynamic tensions of his art dramatically reenact the competing forces of psychic and relational life In her examination of *Sons and Lovers* *The Rainbow* *Women in Love* and various short stories Schapiro discusses how Lawrence s best works reveal a continual struggle to recognize and be recognized by the other as an independent subject Drawing on Jessica Benjamin s psychoanalytic theory of intersubjectivity she also demonstrates how a breakdown of balanced subject subject relations in his texts gives rise to defensive polarities of gender and of domination and submission **The Love Ethic of D. H. Lawrence** rk Spilka, 1957 *D. H. Lawrence and the Psychology of Rhythm* Peter Balbert, 2019-01-14 No detailed description available for D H Lawrence and the Psychology of Rhythm *D. H. Lawrence and the Phallic Imagination* Peter Balbert, 1989-05-05 **The Life of D. H. Lawrence** Andrew Harrison, 2016-05-02 Complete with fresh perspectives and drawing on the latest scholarship and biographical sources The Life of D H Lawrence spans the full range of his intellectual interests and creative output to offer new insights into Lawrence s life work and legacy Addresses his major works but also lesser known writings in different genres and his late paintings in order to reassess the innovative challenging and subversive aspects of Lawrence s personality and writing Incorporates newly discovered sources including correspondence a manuscript written in 1923 4 new evidence for important influences on his major novels and two previously unpublished images of the author Emphasizes Lawrence s gregarious nature his desire to collaborate with others and his adaptability to different social situations Pays particular attention to the many interactions with literary advisors editors agents publishers and printers that were required for him to work as a professional writer Combines new material with astute commentary to provide a nuanced understanding of one of the most prolific and controversial authors of the twentieth century *The Consciousness of D.H. Lawrence* Daniel J. Schneider, 1986 This biography of Lawrence is unlike any other in its focus on the essential character of the artist and in its synthesis of the facts of his life and thought It is written not for specialists but for general readers who wish to deepen their understanding of the development of Lawrence s thought and feeling over the course of his lifetime The author blends intellectual biography and psychology to focus on Lawrence s religious nature as a shaping force in his life *The Life of the Author: D. H. Lawrence* Andrew Harrison, 2024-04-22 THE LIFE OF THE AUTHOR D H LAWRENCE Addresses the whole of D H Lawrence s life and writing career integrating biography critical analysis and recent scholarship in a single volume The Life of the

Author D H Lawrence is a focused exploration of the whole of the author's life and writing career. Combining biographical detail and close readings of works in different genres, the book illuminates the complexities of Lawrence's writing through a careful questioning approach to biographical sources and recent scholarship. Andrew Harrison provides original insights into Lawrence's relationship to working class experience, his anti-suffragist feminist views, his reaction to the Great War, his responses to racial and cultural difference, his attitudes towards sex, sexuality and sexual identity, and much more. Nine accessible chapters address important subjects in the author's life and writing, including his treatment of taboo topics, his conflicted relationship with the literary marketplace and the ways in which his writing challenged English middle class values. Each chapter draws upon the biographical record to provide an interpretive context while highlighting aspects of Lawrence's work that relate to present day concerns, such as his critical responses to wartime propaganda and censorship, his critique of heteronormativity and his lifelong concern with issues around mental health and wholeness of being. Designed to help readers develop a fresh understanding of Lawrence's writing, *The Life of the Author D H Lawrence* investigates Lawrence's wartime experiences, tracing his transformation from an author who wished to change the attitudes of his readers into a radical anti-establishment figure. Addresses Lawrence's explorations of gender fluidity and non-normative sexual identities in his fiction. Discusses Lawrence's concern with post-war social reconstruction and his risk-taking exploration of revolutionary political and religious movements in his novels of the 1920s. Engages with psychoanalytic criticism on the attachment issues that shaped Lawrence's life and writing, showing how he attempted to confront the psychic wounds of his childhood. Based on materials and approaches the author has developed teaching Lawrence for more than two decades, *The Life of the Author D H Lawrence* is an excellent textbook for undergraduate students taking English and English Literature courses, as well as graduate students discussing Lawrence in the contexts of early twentieth century literature, literary modernism and sexualities in modern literature.

The Challenge of D.H. Lawrence Michael Squires, Keith Cushman, 1990. Thirteen essays that aim to illuminate the achievement of one of England's greatest modern writers. Employing a variety of perspectives—historical, cultural, theoretical, feminist—the critics here assembled address concerns about Lawrence's work that have emerged in recent years: his attitudes toward the working class, art, women, Britain, his conceptions of male/female relationships, sexuality, education and knowledge, and his place in cultural history and the traditions of the English novel. All of the essays, from reassessments of Lawrence's position in the English literary tradition to analyses of his influence on recent American poetry, find renewed faith in the challenge of Lawrence's work, making this volume of interest to Lawrence scholars and students.

Race and Identity in D. H. Lawrence J. Ruderman, 2015-12-11. *Race and Identity in D H Lawrence* is a wide-ranging examination of Lawrence's adoption and adaptation of stereotypes about minorities, with a focus on three particular racial groups. This book explores societal attitudes in England, Europe and the United States, and Lawrence's utilization of cultural norms to explore his own identity.

D. H. Lawrence, Technology, and Modernity Indrek

Männiste,2019-02-07 While the dehumanizing effects of technology modernity and industrialization have been widely recognized in D H Lawrence s works no book length study has been dedicated to this topic This collection of newly commissioned essays by a cast of international scholars fills a genuine void and investigates Lawrence s peculiar relationship with modern technology and modernity in its many and varied aspects Addressing themes such as pastoral vs industrial mining war robots ecocriticism technologies of the self film poetic devices of technology entertainment and many others these essays help to reevaluate Lawrence s complicated standing within the modernist literary tradition and reveal the true theoretical wealth of a writer whose whole life and work according to T S Eliot was an assertion of what the modern world has lost **D.H. Lawrence** R. P. Draper,2013-01-11 This set comprises 40 volumes covering 19th and 20th century

European and American authors These volumes will be available as a complete set mini boxed sets by theme or as individual volumes This second set compliments the first 68 volume set of Critical Heritage published by Routledge in October 1995

D. H. Lawrence's Bestiary Kenneth Inniss,2019-01-29 No detailed description available for D H Lawrence s Bestiary

Major Short Stories of D.H. Lawrence Martin F. Kearney,2016-12-05 First published in 1998 This reference guide is designed for those who would be knowledge able readers of major short stories by D H Lawrence when the store of scholarship investigation and appraisal is far too vast for all but the expert An inclusive examination of what has been written about these short stories each chapter deals with a different short story and consists of five distinct sections 1 the complete publication history including all revisions and variants 2 a thorough examination of recognized and hitherto unrecognized sources as well as the influences at work on Lawrence in the creation of the story 3 the story s relationship to Lawrence s other writings 4 acknowledgement and summary of all extant critical studies and 5 a bibliography of works cited This study concentrates on six short stories culled from Lawrence s more than fifty works of short fiction D.H. Lawrence and Nine Women Writers Leo Hamalian,1996 D H Lawrence and Nine Women Writers sheds fresh light on how a number of women writers of his time and our own reacted in their thinking and writing to D H Lawrence s unbridled individualism sensitive genius creative energy and his sometimes infuriating misogynistic resentments Critic and scholar Leo Hamalian explores the ways that the sensibilities of nine important women writers were both extensively and profoundly influenced by the English author s fiction poetry criticism and self styled polyanalytics Hamalian s series of comparative readings is illuminating They demonstrate clearly that the hard questions of ideology subject matter and style which engaged Lawrence throughout his turbulent career continued to challenge a number of women writers who were grappling with these issues from another vantage point Through skeptical of some of Lawrence s theories these writers valued the dynamic aspects of Lawrence s creativity especially his emphasis on consciousness of wider meanings rather than character on symbol rather than narrative although he was a masterful storyteller They realized that his intensely conceived and evocatively concentrated scenes could be turned into a highly rewarding technique for suggesting the emotional conflicts and moral dilemmas of their own

characters His primitivist philosophy struck them as healthy and his sensitivity as a kind of appealing vulnerability BOOK
