Revelation: God'S Last Love Letter Kenneth E. Nissen,2014-04-16 Revelation is addressed to the churches in chapter one and for the churches in the last chapter One would expect Gods last love letter to be a favorite book among Christians but it isnt It isnt because it isnt understood This book has been highly received by numerous evangelical leaders and is used as the textbook on Revelation in Bible colleges as far away as Africa and India From the first I was taken with the desire of Ken to help people see that the book of Revelation was written primarily to help people in their walk with God in the midst of troubled times and not as a text to figure out the sequence of the end times This was also the first time I had seen the theme of overcoming given as the main thrust of Revelation So I had to read his manuscript to see if in fact he had come upon something I had missed I am convinced that he has I have found his book to be extremely helpful to see the desire of God to have his children to be overcomers and the resources available to us to do just that as the end approaches And the book is more than that for it does not side step the questions that are raised as one reads the book of Revelation Stephen R Bradley Director of Field Education Columbia Bible College Columbia South Carolina

Jean Elliott,2007-08-30 One thing Rachel Hardison knew for sure was that she did not want to find herself twice divorced at age twenty nine as was her older sister Devon who was in the midst of ending her second marriage so since all every man ever wanted in her experience was just one thing and she had no intention of satisfying their boody calls at age twenty four she had contented herself with being single And while she would love to find a man who would be able to look past her face and her body and love her for herself the way she would want to love him Rachel simply did not see that happening So when she arrived in Alaska for her older brother Georges wedding to his boss Stacey an Alaska native the last thing Rachel arrived looking for was a man Instead what was on her mind was sightseeing and plenty of it and with George having lived in Anchorage for five years now he would know every nook and cranny to take her to Only problem she

discovered once having arrived at the fancy Anchorage hotel owned by his fiancée was that George was too busy putting last minute touches on Saturday's wedding as well as handling last minute hotel business in preparation for his and Stacey's honeymoon to show her around. And with Alaska being the habitat of bears and other such wildlife and wilderness trappings that could prove dangerous to a visitor untaught in its ways, George offered to get one of his groomsmen to stand in as a tour guide for her. It is on that note that he asks her to guess who's standing in as his best man and when she asks him who and he tells her Felix Latham, Rachel can't believe it. Felix Latham, his gorgeous best friend from college who fell head over heels in love with their sister Devon who dated him briefly before dumping him to the wayside and forgetting him completely. That said, Rachel had not heard his name in ten years, surprised George had kept in touch with him after all that time. And indeed, George had to hear him tell it. Felix was presently an actor on a New York soap opera, had been for six years, and had the Emmys to prove it. Rachel simply couldn't believe that Felix was that successful, much less a famous actor. George then suggests that Felix would make an excellent tour guide for her and when Rachel naturally asks why when he's not a native any more than she, George tells her that he's been at the hotel for over a week now, having upset half his female staff getting them to show him around while they're off duty. Rachel doesn't doubt that for a minute, always having thought of Felix as a lady killer with the exception of being unable to keep Devon wrapped around his finger. Small wonder he'd become an actor, she thought. And so she agrees to let Felix be her tour guide, provided he's up to it, just as she anticipates the reaction she's going to get when he sees how George's kid sister filled out since the last time he saw her, not to mention she wasn't exactly a dog either. And indeed again when George finally does reintroduce his old friend to the kid sister he hasn't seen in ten years, Felix can't believe it any more than he can keep his eyes off her. In fact, despite the fact that he is still clearly in love with Devon, the disappointment he feels at learning from Rachel that Devon is in the midst of a divorce and thus won't be there to attend the wedding is almost eclipsed by his excitement at the thought of showing her all the fabulous places in and around Anchorage that he has been avidly exploring the length of his stay, thus far knowing she'll provide a most pleasant and familiar distraction. And so he agrees to be her tour guide for the next three days and they have so much fun, not to mention so much in common, that Rachel is bent on keeping it from happening despite Felix's equal determination that it does. But just as the inevitable happens and they are about to give in to their attraction, what's going to happen. Touched by Divine Love Samantha Richards, 2013-06-27. From a young age, Samantha Richards knew things that others didn't see, things that others couldn't and said things that others simply couldn't understand. She had the sight, the ability to see beyond and deliver messages. This ability, which some might consider a gift, was the source of great stress and pain for the young woman. After an out-of-body experience in her teens, she stopped the spirits from speaking to her through their usual routes and life became quieter. In 2000, at the age of thirty-one, tragedy struck when her first child died during delivery. In her grief and her anger at God, she shut her gifts down for good, vowing never to give another person a message from beyond. She excommunicated

herself from the Catholic faith and from God furious that such a pure innocent soul had been taken For nine years her heart was filled with hatred and then a miracle happened after her guardian angel healed her heart Samantha didn't know how to hate anymore A year later she witnessed angels protecting her plane With these invitations she welcomed the spirits back into her life with joy and hope In *Touched by Divine Love* Samantha shares the astonishing details of her path back to her true spiritual self Now a personal and spiritual development leader psychic medium and healer she hopes that others will see themselves as beings of raw potential and reach for their true selves in the process *United States Earthquakes*, 1980
