Love Is My Reason:

Love, Reason and Morality Katrien Schaubroeck, Esther Kroeker, 2016-07-28 This book brings together new essays that explore the connection between love and reasons The observation that considerations of love carry significant weight in the deliberative process opens up new perspectives in the classic discussion about practical reasons and gives rise to many interesting questions about the nature of love's reasons about their source and legitimacy about their relation to moral and epistemic reasons and about the extent to which love is sensitive to reasons The contributors to this volume orient questions related to love within the broader context of the contemporary discussion on practical reasons and move forward the conversation about the normative dimensions of love Love Reason and Morality will be of interest to philosophers working on issues of normativity meta ethics and moral psychology and especially those interested in the source of practical reasons and the role of attachments in practical deliberation *Faith at State* Rick Kennedy, 2002-02-28 Commedia and Canzoniere Dante Alighieri, 1887 **Shakespeare, Sex, and Love** Stanley Wells, 2010-04-08 How does Shakespeare's treatment of human sexuality relate to the sexual conventions and language of his times Pre eminent Shakespearean critic Stanley Wells draws on historical and anecdotal sources to present an illuminating account of sexual behaviour in Shakespeare's time particularly in Stratford upon Avon and London He demonstrates what we know or can deduce of the sex lives of Shakespeare and members of his family He also provides a fascinating account of depictions of sexuality in the poetry of the period and suggests that at the time Shakespeare was writing most of his non dramatic verse a group of poets catered especially for readers with homoerotic tastes The second part of Shakespeare Sex and Love focuses on the variety of ways in which Shakespeare treats sexuality in his plays and at how he relates sexuality to love Wells shows that Shakespeare's attitude to sex developed over the course of his writing career and devotes whole chapters to The Fun of Sex to how he raises laughter out of the matter of sex in both the language and the plotting of some of his comedies portrayals of sexual desire to Romeo and Juliet as the play in which Shakespeare focuses most centrally on issues relating to sex love and the relationship between them to sexual jealousy traced through four major plays Sexual Experience and Whores and Saints A final chapter Just Good Friends examines Shakespeare's rendering of same gender relationships **Shakespeare's Historical Plays, Poems & Sonnets** William Shakespeare, 1924 Life, Heart, and Soul Amanda Jayne Gilmer, 2022-12-11 This book aims to show that there is more to author Amanda Jayne than mental health Whether it is her personal experience or experience in general It explores her spirituality and faith as a commentator on social issues as a protagonist of love and places she has cherished The book is her first three former books which were published in 2014 brought together to form one larger book Repackaged edited and brought up to industry standard The book aims to showcase her skills as a diverse and skilled poet covering many different topics *Catalog of Copyright Entries* Library of Congress.
