Journey to America Manny Quijada, 2022-07-24 We all make important and crucial decisions at some point in life Some decisions can truly be life changing A month after I turned sixteen years old I was given the opportunity to leave my country and go north in the continent to the great United States of America It was not an easy thing to do by any means neither was it to decide over After seeking God s answer in prayer for a few days I decided to leave my known life behind to venture into the unknown trusting in God alone to make it safe to my destination As I made the decision to leave my country that also included leaving behind the most beautiful girl I had known I was risking my life in many ways trying to reach the Land of the Free the Home of the Brave with only one purpose in my heart I wanted nothing more than to become a successful man in order to have something to offer to the girl I considered to be the love of my life This was my one and only reason for leaving my country However as the day for my departure approached the strange feeling that I was going to end up with a broken heart at the end of it all became very overwhelming each day and even more so during the entire journey Although I hoped that was not going to be the case I wanted God s will to be done above all else I believed that God had a reason for taking me away from her my country my friends and family at the time He did If He did not want me to go to America the way I did He simply would have said so when I asked if He wanted me to go It took twenty five days from the day I left my home in El Salvador until the day I arrived at my new home in Orange County California There were a number of dangers that I faced during a three week period going across four different countries traveling for more than three thousand miles While my faith was tested in different ways each day my mind and my body were also put to the test in more ways than I expected It all began on the eleventh day of February in the year two thousand and two A group of fifteen individuals full of hope and dreams of a better future decided to begin a journey that would forever change their lives Although unique my story is not the only one for there are millions more that have come before and after me This however is the story of my Journey to America **Journey to America** Sonia Levitin, 2020-07-21 A beautifully repackaged 50th anniversary edition of Sonia Levitin s powerful classic story about a young Jewish girl forced to flee her home winner of the National Jewish Book Award In 1938 Lisa Platt and her family know something dangerous is happening in Germany Lately there have been more and more restrictions for Jews yellow stars they have to wear schools they cannot attend things they are forbidden to do When their

neighbors are arrested for petty reasons the Platts realize they have to escape Forbidden to bring money or possessions out of the country Lisa's father secretly leaves for America planning to work until he can send for them But when conditions in Germany worsen Lisa her mother and her sisters flee to Switzerland to wait surviving on what little they have in a continent hurtling toward war Inspired by Sonia Levitin's own experience of fleeing Germany as a child this moving novel chronicles one family's bravery in the face of aggression and apathy

[A Compass of Faith: a Man'S Journey to America](#) Joseph Mbungu Nsiesi, 2012-05-17 Death was sleeping all around us I could feel her in the high cries of uncomfortable babies and the low moans of old men as they fight the pain and discomfort of dysentery This would be a trip through hell and perhaps some unfortunate souls on this boat would make not make it out alive as is often the case on the Congo River Perhaps we all knew that some of us wouldn't all arrive at our destination and that we would meet our Lord our Maker here on this black river of

death and hope Death and hope Can it be one and the same With this river the answer is yes People lived and died under the power of this powerful river every single day It was now my turn to make this journey on its surface Despite my deepest fears I feel the warm breeze of Gods grace lingering around me in the air Yes hope is a powerful element in each of our hearts and that is what everyone here now clings onto tightly and with both fists even if it means kissing death right on the lips **My Journey to America** Bishop,2021-04-25 This religious autobiography is meant to inspire the reader to remain focused on God s leadership Choosing to be a servant of God may not be common but nothing can match His blessings Regardless of anyone s deprived beginning or current bleak dark state God can and will turn those circumstances around just hold on

Chmelka,2002-11-19 Matej's Journey to America is a creative nonfiction chronicle exploring the forces that drove our immigrant ancestors to new lands After Adam and Eve's eviction from Eden man slowly scattered with a great dispersion occurring about 2700 BC as the Lord confounded the tongues of presumptuous Babylonians building a tower to heaven Among the afflicted was an Aryan slave named Chmelka who was growing hops chmel in the new Slavic language to flavor beer for his Semitic masters As the Slavs fled northward toward unknown Czech lands other tribes migrated in all directions According to The Book of Mormon the righteous Jared took a Semitic clan from Babel across the mountains deserts and oceans to a New World later named America Another Semitic clan that passed through Babylon 850 years later included a young Abraham destined to be the patriarch of Judaism Christianity and Islam He introduced the concept of a single God revered by all his religious descendants but despite their many commonalties each of these three great religions seem convinced it has the only correct formula for salvation justifying incredible atrocities with God always on its side The descendants of the first Chmelka struggled as great civilizations developed and fell through the turmoil and bloodshed of the

Dark Ages Marco Polo awakened Europe in the late 13th century to the riches of the Far East giving rise to explorers like Christopher Columbus who stumbled onto the North American Continent in 1492 The Protestant Reformation began to divide the Holy Roman Empire at the time adding to the bloodshed as Austria Prussia and France fought for domination in Europe Meanwhile Spain England and France were colonizing and competing for control in the New World that was becoming home to an increasing number of European emigrants looking for a better life The American Colonies fought for independence and then began to absorb all lands from the Atlantic to the Pacific Thomas Jefferson purchased the immense Louisiana Territory from Napoleon in 1803 after which mountain men opened the West to homesteaders miners and ranchers My great great grandfather Matej was born as the Rocky Mountain fur trade boomed in 1825 and grew up on a 13 acre farm in Moravia where the Chmelkas had been serfs since Charlemagne was crowned the first Holy Roman Emperor a millennium earlier Matej became a Dragoon in the Austrian Imperial Army and helped put down a revolution in Prague in 1848 the year gold was discovered in California but war spread and life worsened for European peasants Gold homesteads and wild Texas longhorns free for the taking lured thousands of oppressed Europeans to America on steamships and railroads now making long distance travel feasible After Prussia defeated the Austrian Empire including Bohemia and Moravia and then France Matej s family escaped its misery and immigrated to Nebraska in 1871 They found a difficult life with grasshoppers drought hail and fires destroying crops spurring Matej s fourteen year old son to join a Texas cattle drive and then dodge Indians and gunfighters for fourteen years in the Wild West New technologies in farm equipment transportation and communications made America the envy of the world in 1902 when Matej died and was buried near the prairie church he helped build Matej s Journey to America honors him and his fellow immigrants ordinary men and women generally lost in history for the legacies and opportunities they gave us in our great land of freedom
