Hiding from Reality Taylor Armstrong,2012-02-07 NOT EVERY FAIRY TALE HAS A HAPPY ENDING Reality hit Taylor Armstrong hard one tragic evening last August when she found the body of her estranged husband Russell hanging in his California home Fans across the country were shocked at the horrific news of his death and even more shocked to discover that behind the glittering reality of Taylor s life on The Real Housewives of Beverly Hills lurked a painful story of emotional and physical abuse that she had been terrified to tell An estimated 80 percent of domestic abuse victims remain silent suffocated by fear and relentless self doubt For Taylor it was the threat of financial ruin and finding herself alone with her young daughter that kept her tethered to her volatile husband But after a ferocious roundhouse punch from

Russell fractured her face resulting in reconstructive surgery she finally made the brave decision to walk away from a man she loved and a legacy of physical abuse that she first encountered as a child and that haunted her throughout her adulthood To the outside world the Armstrongs lived like royalty throwing lavish parties including a memorable tea party for their daughter's fourth birthday and mingling with their privileged Housewives co stars It was impossible to hide the cracks in their marriage from the cameras forever though and their darkest secrets slowly began to seep through the gilded facade With searing honesty Taylor candidly examines her difficult journey from the abusive home in which she was born to the low self esteem that kept her constantly on the run from herself to the tumultuous marriage that ended in suicide and ultimately to her realization that only by sharing her moving story could she help other women The terrible truth is that I felt lost without the control that Russell had imposed on me for the nearly six years that we were married Disturbingly I missed that control I didn't know what to do once I had no one there to tell me how to dress act and behave what to want and who even to be In some ways I missed the abuse I missed the pain I missed being scared Not because I liked feeling any of that But because it was the life I had become accustomed to and without anyone to be afraid of to apologize to and to cover for I felt completely lost TAYLOR ARMSTRONG **Love, Loss, Grief, and Moving On** Linda A.
