Love Never Ends Growing Together In Marriage And Faith:

Love Never Ends Robert H. Lauer, Jeanette C. Lauer, 2002 *Love Never Ends* offers couples ways to strengthen their marriages through their faith and to deepen their faith through their marriages Jeanette and Robert Lauer write from a biblical perspective to affirm marriage as one of God's good gifts In ten chapters the Lauers show ways to strengthen one's relationship with God and the relationship with one's marriage partner Each chapter includes a section titled Face to Face with ideas for couples to ponder together guidance for creating a couples journal and a prayer to pray together Each day's devotional invites couples to share deeply and intimately and to communicate with each other and with God As couples read the book and engage in the exercises they will sharpen different marital and spiritual skills They will also grow in their understanding of Christian love and will practice mutual instruction in spiritual matters *Love Never Ends* will help married couples learn to increase the number of joyous marital and spiritual experiences in their lives

Spiritual Blindness Mark Allison, 2015-03-24 The New Testament teaches three specific things how individual Christians in the church are to conduct themselves o Love one another as Christ loved us o How men and women treat each other outside of marriage o How husbands and wives treat each other inside of marriage These three basic human relationships serve as a witness to those outside the church as an evangelistic tool How we deal with each other has ramifications for how we conduct ourselves spiritually before a lost world We have failed in these three basic relationships We need someone to step unafraid from the background and face down criticism and perhaps ridicule even persecution from the self righteous who continue to lead the church away and resist the necessary course corrections in these final days Who will be willing to confront the issues head on in order for the world to know Christ Are you as part of His church ready for the second coming of our Lord Would you be willing to face discomfort and ridicule if you knew that God had called you to such a fate What discomfort are you willing to endure for the cause of Christ

Growing Together in Christ Gene Gronholz, Mark Zarling, 1996-07-01 Looking for Christian marriage resources You may have heard the saying Marriage takes three In today's world where divorce rates soar this saying is truer than ever Without God and faith at the forefront of the relationship many marriages will not last For newlyweds and golden agers alike there comes a time in marriage when frustrations boil over Maybe it's after the honeymoon phase Maybe it's even sooner than that As an aid for those times *Growing Together in Christ* provides you with the ideas and principles that will lead you and your spouse to the nurturing Christ centered relationship that God intended for your marriage Written by two authors an experienced Christian counselor and a veteran pastor this book provides you with scriptural direction practical help and Christian marriage advice as you and your spouse face the
