and inspired by Gina Luv in the hopes of making a difference As we know the work of change still has a ways to go That being said this beautiful book of poems inspires a difference in many many ways as Gina Luv once again touches on many important topics Each topic expresses and encourages the importance of love over hate in which Gina Luv speaks of the simplest things that we can do to create positive change starting with simple respect for one another She also encourages for us to love and respect ourselves who we are our worth as well as she inspires and encourages us to believe in ourselves even through the struggles and battles in our lives in which she uses the terms You ve got this You are not alone and together we can get through it In this book Gina Luv also shares her own struggle of not loving herself enough at one time which led to self harm and not feeling worthy Now as a message to herself in one of her poems she expresses I owe it to myself to say I m sorry She also gives all the glory and praise to God So you see it is within Gina Luv s hopes that this book will inspire a difference within us all And the purchase of this book will be you too making a difference in the hopes that you will share whatever inspiration you take from this to give that same encouragement or hope to someone else who is in need of some inspiration in their life perhaps a family member or friend Think about it this is a time that we all can use some inspiration Some in the hopes of either getting back on track or staying on track with believing in ourselves or doing what s right by loving ourselves as well as others On that note together let s make the changes needed in order to make a difference Much love to all and God bless

Eucontamination Paul Hoard,Billie Hoard,2025-07-25 For too long Christianity has been distorted by an overapplied purity disgust metaphor fueling exclusion reinforcing fear and enabling Christian Nationalism Eucontamination challenges this toxic framework arguing that Jesus did not retreat from impurity but transformed it This interdisciplinary work weaves together psychology psychoanalysis theology and sociology to expose how disgust has shaped Christian witness from theological education to church exclusion and social scapegoating But there is a better way The authors propose that Christ is not fragile in the face of sin but a good infection a force that spreads healing and redemption Instead of protecting a brittle purity true faith embraces eucontamination a sanctifying engagement with the world not a retreat from it For Christians seeking a faith that resists exclusion and embraces radical love Eucontamination offers a vision of transformation one where Truth Life and the Way are not delicate things to be defended but powerful forces moving through and within us
