Are you shy and self-conscious? Do you feel lonely and push others away although you don't want to? Are you hesitant to commit and lack trust? Do you face problems letting go of the past? Is love lacking in your life? Do you wish to cultivate unconditional love and ascend spiritually towards divine unity? If so, you should strive to balance your Heart Chakra. Our bodies, minds, emotions, thoughts, actions, and everything around us are all formed of energy, as multi-disciplinary genius and inventor Nikola Tesla once said. If you want to comprehend the cosmos, consider it in terms of energy, frequency, and vibration. The chakras are basically energy centers scattered throughout the subtle body. Subtle refers to something we can't see but can clearly feel energetically. Consider the chakras to be spinning energy wheels that rotate simultaneously to generate a combination of energy and life force. There are seven chakras, each positioned in different parts of the body and representing a different aspect of our energy body. When the chakras are balanced and spinning effortlessly, life is beautiful. We experience a sense of fullness in all aspects: emotional, mental, and physical, mind, body, and soul. Our relationships, conversations, actions, goals, and interests just flow. Chakra balancing is a diverse and interesting practice. It doesn't have to take hours, and there are several therapies and do-it-yourself techniques to choose from. This topic, however, has a wealth of knowledge and depth that cannot be mastered at once.
