Postnikov,2013-11-01 This pocket sized book originally published in Russian in 1904 is a short but comprehensive work offering guidance to the Christian on how to conduct himself through the course of the day In a eminently straightforward manner the author describes how to conduct oneself in the morning in relation to God in common situations of life in daily work during meals during the afternoon rest in the evening before sleep and during sleeplessness He concludes with a consideration of prayer and guidance and on how to spend Sundays A biography of the author Metropolitan Gregory Postnikov of St Petersburg 1784 1860 concludes the work Inner Harmonies John Kadela Ph.D.,2018-09-19 These books

are about listening It addresses the wisdom already within you It was there before you were born and it will be there after you leave It is beyond the distractions of the body conflicts with the emotions and the contradictions of the mind It is about you who you are and listening to who you are It is to help you to find your own direct knowledge with your energy and truth in creating abundance and balance in your life It is about the stillness of your soul and all its inner harmonies that are your spiritual expression It brings forth your innocence truth blessings miracles consecration grace and living love You are a creative being whose keys to your emergence lies deep within you This emergence is beyond space and time and its plays as your inner verse You are poetry of being It is time for you to claim it and to love yourself and all others with the sources within you It is your soul awareness **Friendship** Pamela Baker Powell,2024-04-12 We all need friends This book is an

exploration of Christian friendship It turns out that friendship has one surprising overlooked almost forgotten spiritual quality Friendship in Christ is eternal Scripture emphasizes this Jesus himself emphasized this Theologians emphasized this throughout the first thousand plus years of Christian history Then it was somehow mostly neglected This book maintains that friendship isn't just a passing luxury Participation in the joy of friendship is a spiritual blessing It is an unrecognized spiritual discipline that enriches your soul eternally Here you will have an opportunity to consider your friendships as more than a pleasant engagement and discover what they can mean for your life today and eternally Join others on this exploration of the exciting truth that friendships are forever Living the Golden Path Ruth Ryden, 1994 Spiritual mastery encompasses many different means to assimilate and be assimilated by the wisdom feelings flow warmth function and application of all beings in your world that you will actually contact in some way A lot of spiritual mastery has been covered in different bits and pieces throughout all the books we've done My approach to spiritual mastery though will be as grounded as possible in things that people on Earth can use but it won't include the broad spectrum of spiritual mastery like levitation and invisibility I'll only teach what I think you can actually use Very few people need levitation You might find it amusing but the problem is eventually you fall asleep float up into space and suffocate What good is that I'm trying to teach you things that you can actually use and benefit from When I talk about my life those are the lessons in spiritual mastery aspects of my life and the life of any physical person And I will discuss how I do it how *The Greatest Secret of All* Marc Allen, 2011-01-11 The Law of Attraction how to use the mental and physical abilities we were born with to create wealth and success is wonderful to know but many who have discovered this secret still lead miserable lives This little book clearly explains this law of manifestation but then takes it a quantum leap further revealing how to create what is truly important in life happiness fulfillment inner peace and making the world a better place for all *To God the Glory* Annalee Skarin, 2018-12-01 In the words and teachings of Jesus TO GOD THE GLORY is a divinely inspired message revealing how His great love is being poured out in abundance and can if man will accept it change his life and lead him into His Kingdom Behold I Jesus Christ the Alpha and Omega the Beginning and the End the Great Amen have commanded Annalee Skarin to write these my words and to send them forth unto the ends of the earth that you who know my voice might be prepared to enter into the New Day that you might be purified even as I Am pure For this is my commandment unto you and I give no commandment save I prepare the way for its fulfillment This work is given that all my holy promises might begin to be made manifest in very deed yea that they might begin to be fulfilled in you for the time is at hand even the great day of preparation the day of Almighty God the Father Annalee Skarin *The Baby and the Bathwater* Beryl Chatfield, 2018-01-27 This book is for people who ask questions about life why we are here and what happens to us when we die Science is being shown as not having all the answers It deals only with the physical world and has little to say about the human spirit about the positive power of love or the negative effect of fear The life death and teaching of Jesus Christ who actually lived a human life recorded in history gives us answers

to questions about the human spirit and about the mysterious and ineffable Power behind Creation However there is a need to reformulate Christian teaching so that it is relevant in today s world This book suggests a way of approaching the task

Interpreting Jesus Gerald O'Collins,2002-10-15 *Interpreting Jesus* draws on traditional teaching and the best scripture scholarship to construct a Christology which centers on the crucifixion and the resurrection of Jesus The aim is to explore and clarify what Christian belief in the risen Jesus as Son of God and Savior of the world originally meant and now continues to mean Special features include an excursus on the

theological implications of the Shroud of Turin and a return to a theme which contemporary Christology has widely neglected the blood of Jesus and its redemptive symbolism The book ends by linking belief in Jesus with the non Christian world Father O Collins has previously written many articles and shorter works on Jesus Christ This Christology represents a mature climax of those earlier publications *I Can Recall After All* Edward Benjamin Brown Jr.,2009-04-13 To spectators looking from the outside world Gregory Watson a handsome multilingual and suave thirty something year young African American expatriate was living the golden life As a sports icon in Spain he enjoyed financial security ardent popularity and unbridled female adulation However after an eleven year sojourn Gregory at the behest of his truest love daughter Caryn Ann Michelle decided the time was right to return to his American roots All things considered despite the comforting prospects of returning home sweet home there was still something amiss in the life of one of Brooklyn s finest as he waited for the solution of his misery to burst in with the dawn Meanwhile some eleven hundred miles away at first fowl crow Desiree Thompson a vibrant beautiful and successful businesswoman mourns for an unknown absence of being As President CEO of Thompson Management Limited and Nassau Bahamas most eligible bachelorette her business acumen and passion for excellence was second to none Still although Desiree was able to conquer most of life s everyday challenges only one overwhelmed her love Even as many capable suitors vied for a place on her throne no enchanted king captured or enlivened the heart of this Caribbean queen As her quest for the Holy Grail continued she often gazed across the midnight sky in a never ending search for something nice Both Desiree and Gregory cannot avoid an inevitable fact they were meant to be in love and together However after many wonder years and definitive lives apart the question arises does love stand a chance the second time around It s only a matter of time with a wait for the magic as this compelling couple embarks on a complex yet amazing soul journey which defies both convention and imagination It bears forth these hallowed words I CAN RECALL AFTER ALL **Loving Justice, Living Shakespeare** Regina Mara Schwartz,2016-11-17 In thinking about Justice we ignore Love to our peril Loving Justice Living Shakespeare asks why love is considered a soft subject fit for the arts and religion perhaps but unfit for boardrooms parliamentary and congressional debates law schools and courtrooms all of whom are engaged in the serious discourse of justice including questions of distribution questions of contract and questions of retribution Love is separate out of order in the decidedly rational public sphere of justice But for all of this separation of love and justice it turns out that in the biblical tradition no such distinction is even imaginable The biblical law is summed up as loving the neighbour this is further elaborated as loving the stranger loving the widow the orphan and the poor those who lack a protecting community Analysis of these foundational love commands shows that in them love means care that is apprehending and responding to the needs of others This is both love and justice Prevailing political concepts of justice are incomplete for they are premised on a belief in scarcity limited supply of goods opportunities even forgiveness suggests they must be meted out in fair measure To the contrary with love the good sought is not in scarce supply Its distribution is not a problem for the more of it you give the

more it is replenished So with love the emphasis is not on how to apportion fairly how much love do I give each of my children but how to understand and respond to need This understanding of justice as including mutual care has a rich history in religious thought as constituting social glue The revival of the Bible during the Reformation and the ubiquitous allusions to neighbor love in the Book of Common Prayer made it ever present in Renaissance discourse and Shakespeare brought this ethos to audiences in many of his plays Part of the reason Shakespeare endures is that this ethic resonates for audiences today we abhor the evil of Iago the greed of Macbeth the narcissism of Lear and to even begin to understand how the sacrifices of Romeo and Juliet could heal ancient social conflict we must assent to the power of love to create justice
