Love Portraits:

Love's Portrait Anna Lerner, 2019-04-16 Newly appointed art curator Molly Goode is committed to diversifying her museum's collection. When Georgina Wright, the museum's aloof benefactor, asks for Molly's help in identifying the provenance of a 19th-century portrait of social activist Josephine Brancaster, Molly welcomes the opportunity even if it means spending time with the standoffish financier. But passions soon flare as the women uncover the heartbreaking story of doomed lesbian love behind the watercolor painted by Josephine's lover, Edith Hewitt. As their love blossoms, Molly is determined to display Edith's portrait of Josephine and to tell their story in the museum, but she needs the influential Georgina to help convince the board. When an unforeseen twist in the painting's provenance forces Georgina to confront her own painful past, will history repeat itself or can Molly and Georgina's love prevail.

Portraits David Patterson, 2021-06-01 Elie Wiesel identified himself as a Vizhnitzer Hasid who was above all things a witness to the testimony and teaching of the Jewish tradition at the core of the Hasidic tradition. While he is well known for his testimony on the Holocaust and as a messenger to humanity, he is less well known for his engagement with the teachings of Jewish tradition and the Hasidic heritage that informs that engagement. *Portraits* illuminates Wiesel's Jewish teachings and the Hasidic legacy that he embraced by examining how he brought to life the sages of the Jewish tradition. David Patterson reveals that Wiesel's Hasidic engagement with the holy texts of the Jewish tradition does not fall into the usual categories of exegesis or hermeneutics and of commentary or textual analysis. Rather, he engages not the text but the person, the teacher, and the soul. This book is a summons to remember the testimony reduced to ashes and the voices that cry out from those ashes. Just as the teaching is embodied in the teachers, so is the tradition embodied in their portraits.

Portraits of Passion Praveen Kumar, 2017-01-28 What the poet sings here is true of his life. He is open for the temptations of both the passion and the reason. When they act together, we find the person at his best in life with the strengths of purpose and will; we find the poet at his best in poetry with sweet ironies spliced with the power of language when the wind of passion and the barriers of reason pull apart from sides. Thus, the author gained from both his strength and weakness. Poetry to this poet is an integrated expression of personality. His conception of poetry is beautifully expressed in the following stanza in the poem *Poetry*: You, the gentle queen on inspiration's throne, in splendours of words, rhythms, colours, music, and passions in unending layers, come sit on heart, build bridges to the mind, bring light to the eyes, to choose a carriage to carry your muse to gentle souls. It is significant of this poet that the utility of poetry for him lies in carrying her muse to gentle souls. He is deeply subjective and inward-looking in nature. This subjective and inward-looking tendency makes him a proud and self-assured individual. Read the following lines in the poem *The Path of Life*: Whatever may come, whatever may go, whatever on the path is in store as fate, I must walk as always. I am proud of self and diligent of walk. I tread the path that comes in front, whatever at back bears my print. Whatever in front conforms to inner strength. The poet has tried to portray the widening gulf between rich and poor in the poem *Humanity*.

wherein an image of poverty is laid in following lines A hapless mother Offers her to greed To save her child from the hunger's death No roof to hide no cloth to cover No fire in heart to save honour Dirt and filth sickness everywhere Dirt and filth sickness everywhere The sufferings of the people touch the poet while writing about Bangladesh cyclone in the poem Bangladesh Cyclone he describes how a famished man appears after the devastation God forsaken man sits in the middle And knows not whether he is dead or alive Portraits of Passion is primarily a portrait of passion passion in its varied and verdant forms and hues passion for life passion of love and passion to know the world around The collection has a few love portraits in both meeting and parting frames of mind Read following lines of the poem That Day She held the portrait close to her heart And drank his form to the brim of eyes What a gentle shine what contentment Her eyes spread in expression of her heart What depth it had what immortal warmth That he felt at loss to pierce far enow Parting is the more intense form of love The foretaste of the impending separation how withers souls and brings them closer in the milieu of climacteric gloom and silence is portrayed in the poem Gulf of Life and Death Face to face they sat in silence No word to speak no shine in eyes Both blankly stared beyond each other No world to smile no light or sunshine They sought each other for hope and comfort In the eye of high tide of the time's drift There are a few poems on the nature in this fascicle Following three lines describe the full moon in motion in her full glory through the demi jour of the heaven in a mise en scene The golden queen in the stride of royal grace Ascended heaven with gold dusts splayed On the fading silk carpet of the thin sunshine The aureate beauty of the full moon day is painted in following lines The night is full with beauty's sweet contrasts Of peace and passions stillness and motion With shades and twilight fits of sensuous quietude A conflict of life and death and desperate waiting for something eerie and lovefull are lurking in many of the poet's writings and give his poems an arcane touch

Portraits of God Allan

Coppedge, 2009-09-20 What is God like Answering this is the great quest of human existence Because God is so different from us we struggle to describe him While doctrinal statements about God certainly have their place in Christian understanding the Bible more often uses God's actions and roles to help us know him better Indeed some of the most helpful insights in Scripture arise when God is compared to something else a rock an eagle or a tower And many human metaphors metaphors taken from the world of actions and relationships bring us even closer to understanding of God In Portraits of God Allan Coppedge suggests we look carefully at God as our Father Redeemer King Judge Priest and Creator These portraits taken together give us an understanding of the Holy One for which no single category is adequate These images work their way through the whole of Scripture They are the doorway allowing us into the mysteries of God's very being In Portraits of God Coppedge offers a comprehensive survey picturing a God who wants to be known personally and who has profoundly communicated himself Coppedge finds the inexhaustible nature of God to be one of holiness reflected in and best described by the language of diverse roles Approaching God in this way transforms us as churches and individuals to reflect God's own holy character This is a book for students pastors and churchgoers alike Anyone desiring to know more deeply and wholly the
