Amazon: the Twelfth Queen P. Dotson-Randle, 2016-07-13 Before they were Amazonian queens they were simply mothers concerned about their children at the hands of man So long ago two children went missing one a young teen witch and one a young fairy child Missing and unaccounted for unbeknownst to each witches and fairies alike it would begin a reconciliation which was thousands of years delayed Both witches and fairies worried with grief began a search for their youth only to be met with the truth of their demise at the hands of the savage man Neither people could have foreseen the unification of their world nor could they have predicted that they would become the most powerful people of all the dimensions And that they would call their most beautiful land and dimension Amazon named after the place in another dimension where the last talisman of the Great Elders Wall was found at the beginning of the age of the elders long ago No one could have foreseen the following events that led up to the missing of the twelfth queen And unless they find her all the accomplishments they've achieved since the brutality of the missing girls so long ago will be lost While the search is on to find the twelfth queen and to find out what happened to her time is running out as man has grown a thousand fold and is even more brutal as they once were long ago The highest of the all witches and fairies alike was the twelfth queen and without her guidance they are faltered unsure and on the verge of internal war As they close their prayers with We are the time and we are one there are those around the queens table that worry silently if the twelfth queen is even still alive And if she is not their steadfast fears just may become reality A war among the witches and fairies with man gravely on their very doorstep threatening to destroy them both would cripple witches and fairies alike Separately they believe man can defeat them each blaming the other for lack of focus and an overall

weaker spirit And if this worried insecure reasoning grows among them it could cost them everything So her most cherished and dearest of friends Dartilia searches and searches for her anywhere and everywhere all in hopes of finding her most cherished and dearest of friends Fayla As she searches she remembered all Fayla had taught her and how she came to be known as Fayla gentle and cruel however still loved by most but clearly and urgently missed by all **Amazon Nights** Arthur Cofresi,2018-05-30 References of Amazons date back to the time of Plato where he mentions trade between the Amazons and the island nation of Atlantis In the Iliad a reference is made as to a battle that occurred between the Amazons an ally of Troy and a Greek contingent led by the Greek hero Achilles The battle ended with the death of the Amazon queen and therein lies the beginning of my tale The novel Amazon Nights explores the question of can a civilization of women or men for that matter exist without having some interaction with the other sex The answer to that question rest with the plight of the new queen to produce a female heir to the throne For that she needs the assistance of a man one that can woo her seduce her excite her and eventually impregnate her The chosen male for this union has other ideas He wants more a relationship that is an unconditional commitment to love And while these two people work out their differences a plot to overthrow the queen unfolds and a new king sets off to claim the Amazon world Monitoring the events as they unfold is a champion for both the Amazon queen and her lover the great goddess Hera She too is seeking an unconditional commitment to love and will do all within her power to aid the lovestruck pair The final chapter culminates in a battle said to be too insignificant to be chronicled in the history books but be forewarned there can be only one winner as revealed when the day blends into Amazon nights Show and Tell Karen Christian,1997 What elements are present for a body of writing to be considered Latina o Through the analysis of nine recent Latina o novels Karen Christian melds the theory of performativity with the latest scholarship on ethnicity and ethnic literature to create a framework for viewing identity as a continuous process that cannot be reduced to static categories *Frieze* Cecile Pineda,2007-04-01 This poetic narrative discusses the creative life of a 9th century Indian stonecarver who is drafted at an early age to spend his entire life working on the thousands of statues that fill the niches of an Indonesian temple Exploring the muse artist relationship as few works of fiction have done this novel is an intensely political work a parable that pits the blind cruelty of a feudal ruler against the creative expression of a single slave *River Without a Cause* Sam Moses,2024-03-05 A riveting journey down Theodore Roosevelt s river of doubt with a diverse crew of adventurers scientists and Indigenous leaders who shine light on the past present and future of a natural wonder Sam Moses took part in the adventure of a lifetime when he along with seventeen men and two women embarked on the Rio Roosevelt Expedition They would follow the former president s wake down five hundred miles of extreme whitewater into the dark heart of the Amazon The party was guided by two chiefs from the Cinta Larga tribe the same tribe that stalked Roosevelt s expedition in 1914 who between rapids tell the story of the tribe s own Trail of Tears After the wildest whitewater is past Moses travels with the chiefs to their village to witness the massive illegal mahogany

logging from their forest the Roosevelt Indigenous Territory River Without a Cause puts us in the raft during those heart pounding rapid descents as we experience the drama dynamics and disputes between the Bull Moose and his co leader Brazil s most famous explorer the rigid Colonel Candido Rondon As the Amazon stands on the precipice of hope with the election of a new Brazillian president River Without a Cause is a moving and galvanizing tale of adventure that is a fitting tribute to this world wonder **Tales from the Amazon** Elsie Spicer Eells,1927 **Bibliographic Guide to Chicana and Latina**

Narrative Kathy Leonard,2003-08-30 There has been a dramatic increase in the amount of narrative work published by Chicana and Latina authors in the past 5 to 10 years Nonetheless there has been little attempt to catalog this material This reference provides convenient access to all forms of narrative written by Chicana and Latina authors from the early 1940s through 2002 In doing so it helps users locate these works and surveys the growth of this vast body of literature The volume cites more than 2 750 short stories novels novel excerpts and autobiographies written by some 600 Mexican American Puerto Rican Cuban American Dominican American and Nuyorican women authors These citations are grouped in five indexes an author title index title author index anthology index novel index and autobiography index Short annotations are provided for the anthologies novels and autobiographies Thus the user who knows the title of a work can discover the author the other works the author has written and the anthologies in which the author s shorter pieces have been reprinted along with information about particular works Literature of Nature Patrick D.
