Love Skills More Fun Than Youve Ever Had With Sex Intimacy And Communication:

Love Skills Linda Deviller,1996-10-01 A complete detailed and fun presentation of everything readers need to know to maintain deepen and keep love alive over the long term this book shows how to blend sex intimacy and communication skills into love skills This text is alive with anecdotes and one of a kind quotes drawn from personal interviews and confidential survey responses and includes dozens of unique exercises

Extraordinary Sex Therapy Gina Ogden,2017-10-02 How do we help our clients discover the depth and breadth of sexual healing Extraordinary Sex Therapy offers a range of innovative health based approaches and models to explore the complexities inherent in sexual pleasure and potential as well as in trauma pain and dysfunction The practitioners whose work is represented here expand the clinical conversation about sex beyond performance goals and tread courageously into unquantifiable realms of sexual and relational desire health and transformation All of these practitioners describe work that embodies therapeutic collaboration with their clients as they confront sexual concerns that include body image emotions meanings and nuances of partner interactions along with the influence of neurobiology language gender addiction socioeconomics and cultural conditioning about pleasure Their interventions range from education visualization and role play to identifying erotic archetypes coaching about sensual touch and using plant spirit medicines to activate imagination and spiritual connection Their descriptions ring with singular authenticity depending on their training and the particular clients and issues they address Each practitioner provides clinical examples and techniques in enough detail so that readers can incorporate elements of these approaches into their own practices This book was originally published as a special issue of the Journal of Sexual and Relationship Therapy

Engendering Psychology Florence Denmark,Vita Carulli Rabinowitz,Jeri A. Sechzer,2016-01-08 Engendering Psychology s treatment of issues is based solidly on scientific evidence and presented in a balanced manner The text combines a developmental and topical approach Denmark Rabinowitz and Sechzer explore the concept of gender as a social construction across the lines of race ethnicity class age and sexual orientation pulling from the exciting new scholarship that has emerged over the last few years Thoughtful discussion questions emphasize critical thinking skills as well as encourage students to open a dialogue with both their professors and their peers This text will help readers understand the concept of gender as a social construct in contrast to the concept of sex which denotes biological differences Upon completing this text readers will have a deeper understanding of women and the knowledge that woman is a diverse and multifaceted category
