Love, a Treatise on the Science of Sex-attraction Bernard Simon Talmey,1915 Love Bernard S. Talmey,1933

Love: a Treatise on the Science of Sex-attraction ,1939 Love : A Treatise on the Science of Sex—attraction, for the use of Physicians and Students of Medical Jurisprudence Bernard Simon Talmey,2025-02-11 Love A Treatise on the Science of Sex Attraction for the Use of Physicians and Students of Medical Jurisprudence by Bernard Simon Talmey is a pioneering work in the field of medical science and psychology offering a comprehensive analysis of human sexual attraction from a scientific and physiological standpoint Written for medical professionals and students of medical jurisprudence Talmey s treatise delves into the biological psychological and sociological aspects of love and sex exploring the complex factors that drive human attraction and relationships The book covers a wide range of topics from the nature of sex attraction and its evolutionary basis to the physiological and psychological mechanisms that govern human desire Talmey examines the roles of hormones pheromones and physical characteristics in shaping sexual attraction providing readers with a deeper understanding of the intricate interplay between biology and behavior He also addresses the influence of cultural and societal norms on sexual relationships offering a well rounded perspective on how love and attraction are perceived and experienced across different contexts Love is notable for its clinical approach to the subject matter drawing on the latest scientific research and medical theories of the time Talmey s insights into the anatomy and physiology of sexual attraction were groundbreaking making this work a valuable resource for those in the medical field and beyond It provides a thorough examination of human sexuality that is not only academic in nature but also rich with practical applications for physicians psychologists and legal experts dealing with issues related to medical jurisprudence In addition to its scientific rigor Love is also an exploration of the psychological and emotional aspects of human relationships Talmey considers the emotional mental and moral dimensions of love offering a nuanced perspective on the ethical considerations involved in sexual attraction and relationships He discusses the role of love in personal development marriage and society emphasizing the importance of understanding the multifaceted nature of human sexuality in order to promote healthier relationships and well being For

those interested in the scientific and medical study of human relationships Love is an indispensable work It serves as both a scholarly resource and a thoughtful exploration of the forces that drive human connection and desire Talmey's treatise offers a detailed objective and insightful examination of love and sex making it a crucial addition to the library of anyone studying human sexuality medicine or social science Love A Treatise on the Science of Sex Attraction remains a foundational text in the study of human relationships providing valuable knowledge for both professionals and students alike Its academic approach combined with its deep exploration of the human experience ensures that it remains relevant and insightful for readers interested in the intersection of science ethics and human behavior

Love; a Treatise on the Science of Sex-attraction, for the Use of Physicians and Students of Medical Jurisprudence Bernard S Talmey, 1919-09 This book has been considered by academicians and scholars of great significance and value to literature This forms a part of the knowledge base for future generations So that the book is never forgotten we have represented this book in a print format as the same form as it was originally first published Hence any marks or annotations seen are left intentionally to preserve its true nature

Love a Treatise on the Science of Sex-attraction Newly Rev. and Enl B. S. Talmey, 1939

Love Talmey, 1919 **Love** Berrard Talmey, 1919 *Love's A Treatise on the Science of Sex-Attraction, for the Use of Physicians and Students of Medical Jurisprudence* Bernard S. Talmey, 1919 *Love; A Treatise on the Science of Sex-Attraction, for the Use of Physicians and Students of Medical Jurisprudence* HardPress, Talmey Bernard Simon 1862-1926, 2013-01 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy

Love Bernard Simon Talmey, 1938 Not only among laymen but also among serious thinkers and writers on medical topics the opinion is generally prevalent that there is a vast difference in the degree of intensity of the sex impulse in men and women Upon this supposition rests the justification of the double standard of sexual morality of the two sexes If the intensity of the amatory emotions is the same in both sexes then there is no justification for a double standard of sexual morality Now an emotion is in its nature subjective Its intensity can never be objectively determined Men and women may dispute the question of the different degree of intensity of the amatory emotions till the end of time still they will never reach a definite conclusion The only way to determine the nature of an emotion is to study its pathology If it can be shown that the same pathological entities of the sex instinct are found in men and women the inference is justified that the normal emotions are also the same or similar in both sexes To prove the similarity or identity of the intensity of the sex impulse in both sexes the author published several books dealing with the amatory emotions of men and of women with the need of proper sexual instruction for children and the causes of sexual impotence It occurred to the author that if the amatory emotions are the same in men and

women they ought to be treated together in one volume Hence the present work But while the books referred to are the basis for several chapters of Love still every author grows with his work After years of study of the subject of sex the author was able to expand the sphere of his previous efforts so that readers will find some new points in this book of value and interest If the reader should agree with this opinion the author will consider himself well paid for his labors Preface PsycINFO Database Record c 2007 APA all rights reserved

Sexual Behavior in the Human Female Alfred C. Kinsey, Wardell B. Pomeroy, Clyde E. Martin, Paul H. Gebhard, 1998-05-22 The groundbreaking Kinsey Report study on female sexuality from one of the most influential figures in American intellectual history The New York Times Originally published in 1953 the material presented in *Sexual Behavior in the Human Female* was derived from personal interviews with nearly 6 000 women from studies in sexual anatomy physiology psychology and endocrinology The study revealed the incidence and frequency with which women participate in various types of sexual activity and how such factors as age decade of birth and religious adherence are reflected in patterns of sexual behavior The authors make comparisons of female and male sexual activities and investigate the factors which account for the similarities and differences between female and male patterns of behavior and provide some measure of the social significance of the various types of sexual behavior It shocked the world in 1953 with its explicit revelations Countries banned it Churches berated it Some scholars scoffed but it was an instant success selling 270 000 copies in less than a month Kinsey made headlines around the globe with his findings on such things as masturbation sex before marriage and adultery CBSNews.com

The Medico-legal Journal ,1914

New Horizon in Male-Female Relationships David Samuel Green, 2010-04-09 *New Horizon in Male Female Relationships* attempts to break new ground in the discourse on gender equality love happiness and marriage Author David Samuel Green succeeds admirably and wastes no time in tracing the evolution of human relationships But he also puts forward new theories regarding the state of relations between males and females across the globe including married couples What Green's new book further accomplishes lies in its no holds barred exploration of matters of the heart Specifically the author examines methods we can employ to eliminate problems that tend to hamper our relationships and shows us how best to get the most out of our unions with emphasis on how product thinking and egalitarianism assist remarkably Besides offering solutions for troubled marriages and other relationships the book also extols several concepts that go hand in hand with love and happiness At the same time it becomes clear that if we want our unions and partnerships to work we have to bring the right attitude to the table After all as we learn the ingredients for a successful relationship must include compassion forgiveness and understanding

Pacific Medical and Surgical Journal ,1916

Tiresian Poetics Ed Madden, 2008 Blind seer articulate dead and mythic transsexual the figure of Tiresias has always represented a liminal identity and forms of knowledge associated with the crossing of epistemological and ontological boundaries In twentieth century literature the boundaries crossed and embodied by Tiresias are primarily sexual and the liminal and usually prophetic knowledge associated with Tiresias is based in sexual difference

and sexual pleasure Indeed in literature of the twentieth century Tiresias has come to function as a cultural shorthand for queer sexualities This book argues for the emergence of a Tiresian poetics at the end of the nineteenth century As Victorian and modernist writers reimagined Ovid's tale of sex change and sexual judgment they also created a poetics that grounded artistic or performative power in figures of sexual difference most often a feminized often homosexual male body which this study links to the developing discourses of homosexuality and sexual identity BOOK JACKET
