Love Above The Reach Of Time:

The Ladies of Llangollen Fiona Brideoake, 2017-04-06 *The Ladies of Llangollen* is the first book length critical study of Lady Eleanor Butler and Miss Sarah Ponsonby whose 1778 elopement and five decades of retirement turned them into eighteenth century celebrities and pivotal figures in the historiography of female same sex desire Debates within the history of sexuality have long foundered over questions of what constitutes proof of past sexual desires and practices and the nature of Butler and Ponsonby's intimacy has been deemed inimical to productive critical consideration In this ground breaking study Fiona Brideoake attends to the archive of their shared life written performed and enacted in the vernacular of the everyday to argue that they embodied an early iteration of female celebrity in which their queerness registered less as the mark of some specified non normativity than as the effect of their very public very visible resistance to sexual legibility Throughout their lives and afterlives Butler and Ponsonby have been figured as chaste romantic friends prototypical lesbians Bluestockings Romantic domestic archetypes and proleptically feminist modernists *The Ladies of Llangollen* demonstrates that this heterogeneous legacy discloses the queerness of their performatively instantiated identities **Love Above All**

Juliet McCarthy, 2013-02-04 The last thing pediatrician Susan Ryan wants is to get involved with the arrogant test pilot Major Martin Bennett Forewarned about fighter pilots in general They look on women strictly as accessories preferably glamorous ones Their first love is flying and Martin in particular she nevertheless finds herself increasingly attracted to the man But a broken engagement has left her cautious and mistrustful of men and determined not to be just another statistic in the amorous pilot's log book *Sensuality Level Sensual* **Love Above All** Bernard Demaere, 2018-01-29 In your quiet times with the Lord this book will inspire you to love God and others in a more meaningful way Love will come and give you a purpose for life Sometimes in a subtle way and at other times in a more obvious way the love of God which is more affirmative than any other love will motivate you through life's various situations whether it be a job or home and family The answer to most of our problems in life seems to stem out of situations related to love or lack of it Take a step in the right direction now and love in a more practical way Make a mark in your world Some of us do not know what love is We hear a great deal about loving our self but can we love our self or someone else if we don't know what love is Love comes from God and he loves us in more ways than one It can be through people or even through the presence of our pets Love cannot be explained it must be believed to help us in any way If you are curious about who God is this book is also for you because at times it attempts to answer some of life's difficult questions God is not a Santa Claus and he is not a mad being ready to punish his creation But who does the Bible tell us God is **The poetical works of William Wordsworth, ed. with a critical memoir by W.M.
