**The Story of my Soul** Helen P. Slater, 2023-02-07 Channelling 6th December 2022 Great Mystery You must know that all I say is true that the End of the World is nigh and all shall be saved for to raise our consciousness is the goal not only of Creator but of all souls who see Yeshua as their Saviour and Mary his Mother as their own I commend this book to the destitute and to the wicked that they may know their Creator and their lives be washed clean with Creator's Light and they shall be as One as others are as One that know God and that know and love themselves For this love is the greatest of all and Divine Love knows those that suffer and wishes to relieve them of their burdens and all those that come to her shall be freed of their burdens to live on Earth in joy love and abundance This book is written from a spiritual perspective that all who come to her will be healed They will feel all their problems lift off they will just disappear Everyone will feel whole and content once more

Generosity and the Christian Future George M. Newlands, 2008-07-17 Based on the 1995 Henson Lectures delivered in the University of Oxford this study takes as its theme the Christian future and the development of a theology of generosity in response to the challenges likely to face Christian faith in the twenty first century In particular Professor Newlands wishes to explore the suggestion that Christ represents the ultimate generosity of God for humankind This leads him to concentrate on the contribution made by Christian doctrine to public issues and especially the relationship between Christology and human rights The author is centrally concerned that faith should remain in the public square and that the circle of faith should always be outward facing The result is a liberal pluralistic theology which regards the generous love of God in incarnation and reconciliation as a powerful stimulus to imaginative Christian thought and action In its robust portrayal of what Christianity ought properly to look like this book which emerges from the pen of the leading Scottish liberal theologian of his generation will be sure to stimulate and engage a wide variety of readers

open up and few are secretly in love too Love is a delicacy but it tastes altogether different to everyone Some find it sweet some find it bitter some face separation in love some go off track some go insane and some turn love birds too Well love is what all you need to live Inloveheart will take you to this sweet bitter and sour experience Inloveheart is a poignant piece so those who never loved will surely fall in love while those who are in love will keep loving forever      Kangaroo D.
