Love In Motion:

Love in Motion Reidar Due, 2013-10-22 This is a book about how film encountered love in the course of its history It is also a book about the philosophy of love Since Plato erotic love has been praised for leading the soul to knowledge The vast tradition of poetry devoted to love has emphasized that love is a feeling Love in Motion presents a new metaphysics and ontology of love as a reciprocal erotic relationship The book argues that film has been particularly well suited for depicting love in this way in virtue of its special narrative language This is a language of expression that has developed in the course of film history The book spans this history from early silent directors such as Joseph von Sternberg to contemporary filmmakers like Sophia Coppola At the centre of this study is a comparison between Classical French and American love films of the forties and a series of modernist films by Luis Buñuel, François Truffaut and Wong Kar Wai Love in Motion Maria Johnsen, 2023-05-08 Love an emotion that stirs us all possesses the ability to shape our lives in profound and subtle ways It serves as a wellspring of inspiration igniting dreams and propelling us to explore the realms of our imagination Yet simultaneously it anchors us in the intricate tapestry of our experiences embracing the richness and complexity they offer Through my collection of poems Love in Motion Poems of Dreams and Fjord Fantasies I extend an invitation to delve into the myriad dimensions of this universal theme as witnessed through my eyes as an accomplished poet Embark on a poetic voyage through the landscapes of the heart where the interplay of luminosity and shadow elation and sorrow hope and despair intertwine to form an unadorned tapestry of raw emotions From the dizzying heights of rapture to the abyss of desolation and grief these verses capture the quintessence of love its multifaceted nature its complications and its reciprocation Drawing from a vast palette of vivid imagery and metaphor I encourage you to immerse yourself in the splendor of nature the marvels of the human spirit and the potency of the imagination Together we shall traverse the themes of love passion and yearning Whether you find solace in the mesmerizing cadence of fjords or soar amidst the clouds carried by the wings of your dreams Love in Motion promises an expedition that is both exhilarating and deeply gratifying Therefore I implore you to join me on this journey allowing my poems to transport you through the realms of the heart a sojourn that shall linger within you long after the final page has been turned The Highway of Holiness; Or, The Higher Christian Life Charles Graham (Baptist Minister.), 1873 **The biblical illustrator: or, Anecdotes [&c.] on the verses of the Bible, by J.S.
