

Tues. Eve.

Dear Warren,

The radio is playing "If I Could Be With You One Hour Tonight." Guess I shouldn't but I do somehow. Frankly I don't know what has come over me. All I know is that I want to be with you. Even after what you told me last nite I want to see you. Take a rain check on that cup of coffee, and I wish I could have it before I ~~left~~ leave this part of the U. S. & before you leave. After all I don't think you are going to stay home anyway. Why does things like this have to happen I keep asking myself. Maybe it's one of these milestones on this life. Anyway drop me a line - at the Mc Beebe - if we don't get a room there we'll stop & collect our mail since it's we left it as a forwarding address!

Love, Pat

Letters of Love and War is an apt title I believe because it capsulizes the emotion that young people of the Great Generation must have experienced from being torn apart by the ravages of war These letters present an honest and straightforward account of their struggle and how they remained resilient throughout preserving their love for each other and for their country The book has letters that range from the mundane to the sublime and yet maintain consistency throughout One can experience a one on one immediacy from reading their letters and those of their loved ones One is swept up and brought back in time to 1944 and 1945 when the world was at war and all of America was united with the effort to win and defeat the evil forces that were attempting to destroy their country and the freedoms that they all enjoyed The letters bring the urgency of this effort home to us the reader We are one amongst them as we read letter after letter and empathize with the perils they had to endure Read the letters and you too will understand how lucky we were to have their great generation precede us **Love Letters from World War Two** Alan Carruth Stevenson, Sheila

Women's Diaries from the Civil War South Sharon Talley, 2023-08-18 Traditionally narratives of war have been male Sharon Talley writes In the pages that follow she goes on to disrupt this tradition offering close readings and comparative studies of fourteen women's diaries from the Civil War era that illuminate women's experiences in the Confederacy during the war While other works highlighting individual diaries exist and Talley notes that there has been a virtual explosion of published primary sources by women in recent years this is the first effort of comprehensive synthesis of women's Civil War diaries to attempt to characterize them as a distinct genre Deeply informed by autobiographical theory as well as literary and social history Talley's presentation of multiple diaries from women of differing backgrounds illuminates complexities and disparities across female wartime experiences rather than perpetuating overgeneralizations gleaned from a single diary or preconceived ideas about what these diaries contain To facilitate this comparative approach Talley divides her study into six sections that are organized by location vocation and purpose diaries of elite planter women diaries of women on the Texas frontier diaries of women on the Confederate border diaries of espionage by women in the South diaries of women nurses near the battlefield and diaries of women missionaries in the Port Royal Experiment When read together these writings illustrate that the female experience in the Civil War South was not one but many *Women's Diaries from the Civil War South* A Literary Historical Reading is an essential text for scholars in women's studies autobiography studies and Civil War studies alike presenting an in depth and multifaceted look at how the Civil War reshaped women's lives in the South and how their diverse responses shaped the course of the war in return
