Love Letters From The Depression:

Love Letters from the Depression Harold Byler, 2001-07-01 *Love Letters from the Depression* H. C. Byler, 2001-07
Passions and secrets lie panting and torrid beneath the placid surface of the lives of the genteel women and men of Amelia Island. The island's own charms have seduced me to lay claim to this place Fernandina, Florida, as my own. The Golden Years after the Civil War brought completion of the railroad and affluence with the influx of carpetbaggers from the North. Beauty arrived as well in the form of Katie Eppes, newly wed to one of our town's most dashing young conductors of the Florida Peninsular Railroad, T. J. Jeff Eppes, great-great-grandson of President Thomas Jefferson. Katie's zest for life and disregard of acceptable social etiquette start tongues wagging and lead Jeff on a husband's less than ideal start to married bliss. Her determination to have things her way culminates in the worst of tragedies. So my story begins. **If You Find This Letter**

Hannah Brencher, 2016-04-19. A memoir of love and faith from Hannah Brencher, who has dedicated her life to showing total strangers that they are not alone in the world. Fresh out of college, Hannah Brencher moved to New York, expecting her life to look like a scene from *Sex and the City*. Instead, she found a city full of people who knew where they were going and what they were doing. Lonely and depressed, she noticed a woman who looked like she felt the same way on the subway. Hannah did something strange: she wrote the woman a letter. She folded it, scribbled "If you find this letter, it's for you" on the front, and left it behind. When she realized that it made her feel better, she started writing and leaving love notes all over the city, eventually sending 400 handwritten letters as a result of an Internet post and starting the website *The World Needs More Love Letters*.

Everyday Love Letter DaChana Blaydes, 2020-01-21. *Everyday Love Letter: 365 Days of Love Letters* is a collection of love letters written by DaChana Blaydes in 2019. DaChana walks the reader through what led her to depression and how she used writing to cope with her mental illness. She wrote love letters to spread love and positivity for 365 consecutive days. Each letter was folded and placed in a random area for anyone to find. The love letters spoke about love, peace, self-love, pain, sadness, manifesting, beauty, positivity, and so much more. The book encourages the reader to spread love and positivity to those they know and may not know. [Syme's Letter Writer](#) Rachel Syme, 2025-01-28. A literary jaunt in praise of the lost art of letter writing that explores a cultural history and the undeniable thrill of old-school correspondence from journalist and cultural critic Rachel Syme. Inspired by a famed correspondence handbook penned by a persnickety Victorian who had strong opinions on how to lick a stamp, cultural critic Rachel Syme has rewritten the staid letter-writing rules of yore for the letter writers of today. Syme insists you must stuff your envelopes with flat frivolities and includes guides for how to press flowers and make a matchbook mark, teaches you how to perfume a parcel, and encourages you to cultivate your own ritual around keeping up with your correspondence. Even if you have never sent a handwritten letter before, this book will make you want to begin and will show you just how to get started. Immerse yourself in this epistolary bric-a-brac celebrating the intimate, whimsical, expressive art of written correspondence, covering every part of the process from courting and keeping a pen pal.

My Song: Memoir of an ER Physician Craig Dean, MD,2014-05-12 Thirty years in the making one hundred thousand patients later the hundred numinous patients I will forever treasure It has been said that memoirs are the narratives of our life and as such become the manner and method of how we make sense out of our life s journey Indeed I could not imagine my life without my career in the ER since without it I would truly feel like a naked wizened skeleton devoid of skin flesh or viscera The ER experience was the alchemist s stone that touched my ordinary life and in so many ways made it exquisitely gilded Many were the patients that stirred the invisible fabric of my soul and made the ordinary universe seem so much more expansive and unequalled The magnificence of the ER flows from the commanding variety of patients not unlike the arresting diversity of flora in the plant kingdom renders a regal awe upon the eyes and souls of the beholder

Reckoning with Restorative Justice Leanne Trapedo Sims,2023-09-18 In Reckoning with Restorative Justice Leanne

Trapedo Sims explores the experiences of women who are incarcerated at the Women's Community Correctional Center the only women's prison in the state of Hawaii. Adopting a decolonial and pro abolitionist lens she focuses particularly on women's participation in the Kailua Prison Writing Project and its accompanying Prison Monologues program. Trapedo Sims argues that while the writing project served as a vital resource for the inside women it also remained deeply embedded within carceral logics at the institutional state and federal levels. She foregrounds different aspects of these programs such as the classroom spaces and the dynamics that emerged between performers and audiences in the Prison Monologues. Blending ethnography literary studies psychological analysis and criminal justice critique Trapedo Sims centers the often overlooked stories of incarcerated Native Hawaiian and Pacific Islander women in Hawaii in ways that resound with the broader American narrative the disproportionate incarceration of people of color in the prison industrial complex.

Come Matter Here Hannah Brencher, 2018-05-29 Come Matter Here is a call to stop putting your life on hold until someday and start digging your heels into the here and now to build the life God has designed for you. Life is scary. Adulting is hard. When faced with the challenges of building a life of your own it's all too easy to stake your hope and happiness in someday. But what if the dotted lines on the map at your feet today mattered just as much as the destination you dream of? Hannah Brencher TED Talk speaker and founder of The World Needs More Love Letters thought Atlanta was her destination. Yet even after she arrived she found herself in the same old chase for the next best thing somewhere else. And it left her in a state of anxiety and deep depression. Our hyper connected era has led us to believe life should be a highlight reel where what matters most is perfect beauty instant success and ready applause. Yet as Hannah learned nothing about faith relationships or character is instant. So she took up a new mantra be where your feet are. Give yourself a permission slip to stop chasing the next big thing and come matter here. Engage the process as much as you trust the God who lovingly leads you. If you are tired of running away from your life or tired of running ragged toward the next thing you think will make you feel complete Come Matter Here will help you do whatever it takes to show up for the life God has for you. Whether you need to make a brave U turn take a bold step forward or finish the next lap with fresh courage find fuel and inspiration for the journey right here.

Queer Opera Andrew Sutherland, 2023-03-27 In Queer Opera Andrew Sutherland argues that operas often reflect characteristics of the society and episteme in which they are written but that they also do much more than that operas have agency. LGBTQ social cultural and political issues have become an increasingly defining feature of twenty first century life and as agency for change composers have turned to opera to underscore the lived queer experience. Sutherland posits that operas written before the sexual revolution of the mid twentieth century utilized a codified language both in the libretto and score communicating with those observers open to a queer reading. He explores the growing trend of local small scale independent opera companies seen around the world towards the end of the first decade of the twenty first century and argues that this has emboldened queer artists to reclaim opera as a queer space. He further argues that for several centuries opera houses have been safe havens for

queer composers librettists performers and designers and yet it is only relatively recently that any serious attempt at queer representation in operatic works has begun to be realized In this book he examines narratives and music of selected operas to walk through queer history in Western societies and shines a light on how many of opera's well known characters based on historical figures who represent pivotal moments in the queer story are responsible in a variety of ways for the continued struggle for queer acceptance
