The Gentleman's Magazine , 1904 **Song of Songs** Adele Berlin, 2025-01-07 There is no other book in the Bible like the Song of Songs It is a highly literate collection of love poems at times intense with erotic desire and at times playful or flirtatious This commentary draws out the tone of each poem along with its language and literary qualities including its metaphors allusions and clever use of words While there are correspondences between the Song and the literatures of Egypt and Mesopotamia and they are cited in the commentary the greatest foreign influence on the book comes from Greece The commentary approaches the Song as a Jewish Hellenistic work in the full sense of that hyphenated term It notes Greek ideas and tropes that appear throughout the book and shows how they have been adjusted and incorporated into Jewish thought

and literary forms The book's Grecisms are dressed in biblical idioms and imagery Going beyond previous studies this volume emphasizes that the Song's blending together of the Jewish and the Greek is part of its literary virtuosity God and Me Every Day . . . Mary Emma Bristow, 2018-07-06 This book is a compilation of the study of a scripture and Mary Emma's personal meditations on those scriptures as they relate to her life and her walk with God The Childishness and Brutality of the Time Hargrave Jennings, 1883 **The Status of Women in India; Or, A Hand-book for Hindu Social Reformers** Dayaran Gidumal Shahani, 1889 Love's sacrifice.
