Love Of God:

Treatise on the Love of God St. Francis de Sales, 2013-08-20 Treatise on the Love of God is a manual intended to help believers strengthen their devotion to God De Sales describes his project by saying it is truly my intention to represent simply and na vely without art still more without false colours the history of the birth progress decay operations properties advantages and excellences of divine love The Treatise is divided into twelve books The first four books explain the nature of the human soul and provide the history of divine love Book Five explores the two principle exercises of love namely sacred complacency and benevolence Books Six and Seven discuss the importance of practicing love through prayer while Books Eight and Nine express the importance of submitting to God s will The final three books are devoted to exploring the practical importance of God s holy love in our lives De Sales Treatise is a captivating depiction of love The Love of God Christopher W. Morgan, 2016-09-30 Our understanding of the love of God has been tragically distorted The comfortable sentimentalized version we commonly encounter today is far from the biblical depiction of God s love Featuring contributions from well known evangelical scholars this multi disciplinary study presents the biblical view of the love of God from the perspectives of systematic theology biblical theology apologetics pastoral theology and ethics The contributors including D A Carson Andreas J K stenberger Raymond C Ortlund Jr Robert L Plummer and many others address a variety of issues related to how God s love is expressed in the Old and New Testaments the Trinity apologetics Christian living social justice and more This addition to the Theology in Community series will promote clear sound thinking about what Scripture means when it declares that God is love Part of the Theology in Community series *God's Incredible Love for You* Jack Hartman, 2016-07-14 Some people believe that God is a stern old man Who is looking over their shoulder to keep track of their sins so that He can punish them Nothing could be further from the truth God loves every person in the world with incredible unconditional love God is the loving Father of every person who has received Jesus Christ as his or her Savior He yearns to pour out His love compassion grace mercy and forgiveness in their lives Many Christians have a surface knowledge of what the Bible says about God s love They know John 3 16 and possibly a few other verses of Scripture pertaining to the love of God If you will carefully study and meditate on the scriptural contents of this book we believe that you will come to the conclusion that learning how to receive the love of God and to live in the love of God is one of the most important topics in the entire Bible Jesus Christ was conscious of His Father s love throughout His earthly ministry Everything that He did was based upon His continual focus on His Father s love for Him Follow the example of Jesus Christ in this area We have spent hundreds of hours studying the Bible to learn everything we could about God s incredible love for you We are excited about this opportunity to share these magnificent scriptural truths with you These great truths about God s love for you are so life changing that we believe your life will be transformed if you carefully study and meditate on the Scripture references in this book pertaining to God s great love for you This book is an attempt to explain the unexplainable Our human vocabulary does

not contain words that can even remotely explain the magnitude of God's glorious love for you. We have prayed and asked God to anoint us and guide us as we have written this book. In addition to sharing scriptural truths about God's love for you, we also will share Scripture about God's compassion, His grace, His mercy, and His forgiveness. Every person in heaven is surrounded by God's love. You do not have to wait until you are in heaven to receive God's love for you. God's love is fully available to each of His children throughout our lives on earth. This book is written in simple and easy-to-understand language. We will do much more than just explain what the Bible teaches about the love of God. You will learn exactly how to receive God's love in your everyday life. Your Father wants to pour out His love on you. You decide how much of God's love you will receive in your life. If you learn and faithfully obey the scriptural instructions in this book, you will experience a constantly increasing awareness of your Father's love for you. **God of Love and God of Judgement** Stephen K.

Moroney, 2009-07-06 How can a God of love also be a God of judgment? If God loves everyone, what is the point of judgment? Does God change from being wrathful in the Old Testament to loving in the New Testament? Can we discern God's judgments in current events such as hurricanes and personal tragedies? Is it ever right for humans to judge? These are not just daunting issues for theologians to ponder. They are urgent questions for everyone. Our answers profoundly affect how we relate to God and how we live with one another. Coming to grips with these issues is vital for our spiritual journeys. Many people today emphasize God's love and downplay His judgment. The problem with this approach is that God's judgment is taught in Scripture from the beginning of Genesis to the end of Revelation, and it is a core part of the gospel preached by Jesus and His apostles. There are problems at the other end of the spectrum too when we believe in a God of judgment who is not also a God of love. It is impossible for us to find spiritual peace when we live in constant dread of God pictured as a harsh judge whom we can never please. This book calls us to embrace a more full biblical image of God, one that joins His love and judgment together. Additionally, the book shows that as those who are made in God's image, we can fuse love and judgment together constructively in our own daily lives. **Love, God** Deborah J. Simmons-Roslak, Linda J. Orber, 2018-10-03

Take a Moment to Listen. Come gentle child, come rest in my heart for I am here deep within your own. If you can still yourself just for a moment, you can hear me whisper your name. You can hear me whisper the depth of my eternal love for you in this moment and always. Let me quiet your frightened mind and hold your unsettled heart for I will give you peace the very moment you ask. Let me fill your heart with my love and wrap my arms around you in absolute tenderness and grace. In that moment, you will know with certainty that I am forever with you. Love God. This book is an invitation to God's loving presence. It is an invitation to deepen your relationship with God. It includes a quote from a spiritual leader, commentary, a Bible quote, and a guided meditation. It also includes a moment to fully imagine God speaking directly to your own heart. This gives you an invitation to learn to turn to His love and presence throughout the day and into the evening. As you open your heart, you will learn again and again that God is there with you. You are never alone. To Love as God Loves Roberta C. Bondi, 1987 Being

a Christian means learning to love with God's love But God's love is not a warm feeling in the pit of the stomach It has definite characteristics we learn in the course of our life in the behavior and teaching of the early monastics as we ponder over what we can say about God as God deals with us and finally as we model our own lives on what we have learned

What Does It Mean to Love God? Roberts Maurice, 2014-04-21 How do you love a person you cannot see What do you give to someone who has it all Why is it so important to love the Creator of the galaxies What does it mean to love God Jesus taught us that the greatest commandment given to mankind is to love the Lord with all our mind heart and strength and yet what it means to love God can be a profound mystery Maurice Roberts explains the biblical meaning of love for God and shows how such love moves us to do many things from thirsting for God to praying for our neighbor's salvation He shows that love for God is like a sweet fire that must lift all our hearts all our souls all our minds and all our strength in a holy flame toward God The Glory of God's Light: Connect with God Through His Light, Love, and Word Brother Raymond, 2020-05-19

Darkness represents anything that is inconsistent with God's nature character and manifestation It appears humanity has lost its connection with God but finding a relationship with God can bring us into the light of His love In *The Glory of God's Light* Brother Raymond shows how to have a relationship with God through His Light His Love and His Word Brother Raymond digs deeper into Scripture and takes examples from his own life to show how God's light is present in every circumstance and points those in darkness into the glory of God's light Could you relish a great relationship with God our Heavenly Father Yes you can *Because God Is Love* Pastor Rod Compton, 2022-02-21 A Year of Love Each day of this year I am challenging

myself and anyone else who will join to love like you've never been hurt Love unconditionally Love completely Love forgivingly What if when Jesus said to love your neighbor as yourself He really meant it Think about your neighbors your co-workers your in-laws and even your outlaws Do you love them as yourself I would like to start with the two greatest commandments Matt 22:34 Hearing that Jesus had silenced the Sadducees the Pharisees got together 35 One of them an expert in the law tested him with this question 36 Teacher which is the greatest commandment in the Law 37 Jesus replied Love the Lord your God with all your heart and with all your soul and with all your mind 38 This is the first and greatest commandment 39 And the second is like it Love your neighbor as yourself 40 All the Law and the Prophets hang on these two commandments In Reality Jesus said this Love God Love People Let us hold these two truths in our hearts this year and Love God with all of our heart soul and minds and Love others as much as we love ourselves *Good Vs. Degradation Through the Love and Brilliance of God Jerry Davis, 2010-12-27 The truth is we are all just a little bit crazy in some areas of our life to a whole lot of crazy Being miss-directed is one of the things mankind has in common as the various forms of insanity work the same way in every one of us We've all been programmed to unknowingly believe in a host of lies and it's our belief in the need to uphold the lies that do us in There are laws that pertain to the universe These laws cannot be broken without creating diverse consequences With every action there is an opposite reaction of effect And where do the

decisions we make come from They generally come from our minds The question then becomes Whos controlling the mind If your mind is at work and in agreement with you then you would rightly say you are controlling your mind But if you occasionally find that your mind is working against you then you should consider you are not solely in control Jesus referred to Satan as the father of lies I intend to show how the workings of evil are constructed through the placement of lies and how these lies in combination are at work to disrupt our lives I will show how the longest and greatest lie is packaged and how the six major steps that makes up a combined package works powerfully against you Then I will show how the effects from the lies get all mixed in with the pain you experience and how the end results can be devastating This book is about our need for revelation and offers the reader an opportunity to begin a personal journey with life as it truly is This is a lifelong journey in Spirit and truth and it begins with your full recognition of the need for having God working continuously in your life

WHAT? Book I Days 1 - 91 Steve Haines, 2025-08-21 Like any professional Pastors can be busy people Often the demands upon their time are myriad The time when I first came to accept Christ as my Lord was wonderful beyond measure Although my Pastor was eager to introduce me to Christ he was not as intimately available to guide me in the aftermath of that wonderful moment You see having accepted Christ as Savior guarantees the blessing of eternity with Christ but the new believer still has the rest of his or her life to negotiate There are lots of things to learn but in big churches people can get lost in the crowd and fall through the cracks and in small churches well there is only so much a small staff can do So I stumbled around for a long time very gradually figuring out how to navigate the world and still hold to my faith in Christ I remember thinking There has to be a better way than this These discussions are part commentary part history part blessing and part questioning There s a little bit of everything I ve put considerable thought into writing these things and I want you to get some benefit some blessing from them Think about what you read You might be provoked to irritation or to curiosity or to laughter Try to apply the thoughts to your life But the bottom line is if you don t read you won t benefit This first book that you are holding tries to answer some basic questions Why should I fear God Why should I trust Him Who am I in Christ What is the nature of sin Following books talk about the Jewish Festivals and their profound meaning about God s Constitution Matthew chapters 5 7 about God s manifested love what it means to be Grafted In to God s family how to know Jesus and what it means to abide in Christ I hope you stick around to the end Every life has its ups and downs and after several cycles of this I was fed up and began to look for answers I found this crazy new church which was meeting in a hotel conference room I remember people all around me speaking in these strange indecipherable ways people falling down on the floor and generally acting nuts I remember thinking Why am I here God had a plan but I was not awake to it But I stayed out of curiosity if nothing else and eventually God began to draw me in Since then God has led me on a wonderful journey Where

once I had a sort of vague notion of God He used personal struggle to draw me closer to him Where once I looked at everything from a performance oriented point of view He taught me the true value of the love of Christ Where once I had to be doing things for Christ He taught me the value of resting in the presence of Christ I want people to understand these things I want everyone to experience the intimate presence of Christ in their lives I want everyone to see real time answers to prayer as I have I want people to understand that humble submission to God is the answer to every struggle every problem and every stress
