

Magic Animals Of Japan

Haruko Nawata Ward

Magic Animals Of Japan:

Magic Animals of Japan Davis Pratt, 1967-09-01 *Japan and American Children's Books* Sybille Jagusch, 2021-06-18 For generations children's books provided American readers with their first impressions of Japan. Seemingly authoritative and full of fascinating details about daily life in a distant land, these publications often presented a mixture of facts, stereotypes, and complete fabrications. This volume takes readers on a journey through nearly 200 years of American children's books depicting Japanese culture, starting with the illustrated journal of a boy who accompanied Commodore Matthew Perry on his historic voyage in the 1850s. Along the way, it traces the important role that representations of Japan played in the evolution of children's literature, including the early works of Edward Stratemeyer, who went on to create such iconic characters as Nancy Drew. It also considers how American children's books about Japan have gradually become more realistic, with more Japanese American authors entering the field and with texts grappling with such serious subjects as internment camps and the bombing of Hiroshima and Nagasaki. Drawing from the Library of Congress's massive collection, Sybille A. Jagusch presents long passages from many different types of Japanese-themed children's books and periodicals, including travelogues, histories, rare picture books, folktale collections, and boys' adventure stories, to give readers a fascinating look at these striking texts. Published by Rutgers University Press in association with the Library of Congress. *Nipponalia* Kyōto Gaikokugo Daigaku, Toshokan, 1980

Women Religious Leaders in Japan's Christian Century, 1549-1650 Haruko Nawata Ward, 2016-12-05 Meticulously researched and drawing on original source materials written in eight different languages, this study fills a lacuna in the historiography of Christianity in Japan, which up to now has paid little or no attention to the experience of women. Focusing on the century between the introduction of Christianity in Japan by Portuguese Jesuit missionaries in 1549 and the Japanese government's commitment to the eradication of Christianity in the mid-seventeenth century, this book outlines how women provided crucial leadership in the spread, nurture, and maintenance of the faith through various apostolic ministries. The author's research on the religious backgrounds of women from different schools of late medieval Japanese Shinto Buddhism sheds light on individual women's choices to embrace or reject the Reformed Catholicism of the Jesuits and explores the continuity and discontinuity of their religious expressions. The book is divided into four sections devoted to an in-depth study of different types of apostolates: nuns, women who took up monastic vocations, witches, the women leaders of the Shinto Buddhist tradition who resisted Jesuit teachings, catechists, women who engaged in ministries of persuasion and conversion, and sisters, women devoted to missions of mercy. Analyzing primary sources, including Jesuit histories, letters, and reports, especially Luis Fróis's *História do Japão*, hagiography, and family chronicles, each section provides a broad understanding of how these women, in the context of misogynistic society and theology, utilized resources from their traditional religions to new Christian adaptations and specific religious social issues, creating unique hybrids of Catholicism and Buddhism. The inclusion of Portuguese, Spanish, Italian, and Japanese texts, many available for the first time in

English and the dramatic conclusion that women were largely responsible for the trajectory of Christianity in early modern Japan makes this book an essential reading for scholars of women's history, religious history, history of Christianity and Asian history. [Koro](#) Arabinda Narayan Chowdhury, 1986 **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1971

[Koro](#) Arabinda Narayan Chowdhury, 2022-01-01 This book provides a definitive account of koro, a topic of long standing interest in the field of cultural psychiatry in which the patient displays a fear of the genitals shrinking and retracting. Written by Professor A. N. Chowdhury, a leading expert in the field, it provides a comprehensive overview of the cultural, historical and clinical significance of the condition that includes both cutting edge critique and an analysis of research and accounts from the previous 120 years published literature. The book begins by outlining the definition, etymology of the term and clinical features of koro as a culture bound syndrome and contextualizes the concept with reference to its historical origins and local experience in Southeast Asia and its subsequent widespread occurrence in South Asia. It also critically examines the concept of culture bound disorder and the development of the terminology such as cultural concepts of distress which is the term that is currently used in the DSM 5. Subsequent chapters elaborate the cultural context of koro in Chinese and South Asian cultures including cultural symbolic analysis of associations with animals, fox and turtle and phallic imagery based on troubling self-perceived aspects of body image that is central to the concept. The second section of the book offers a comprehensive global literature review before addressing the current status and relevance of koro, clinically relevant questions of risk assessment and forensic issues and research methodology. This landmark work will provide a unique resource for clinicians and researchers working in cultural psychiatry, cultural psychology, anthropology, medical sociology, social work and psychosexual medicine.

Magic Animals Of Japan Introduction

In today's digital age, the availability of Magic Animals Of Japan books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Magic Animals Of Japan books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Magic Animals Of Japan books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Magic Animals Of Japan versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Magic Animals Of Japan books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Magic Animals Of Japan books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Magic Animals Of Japan books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Magic Animals Of Japan books and manuals for download have transformed the way we access information. They provide a

cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Magic Animals Of Japan books and manuals for download and embark on your journey of knowledge?

FAQs About Magic Animals Of Japan Books

1. Where can I buy Magic Animals Of Japan books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Magic Animals Of Japan book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
