**Mastering Herbalism** Paul Huson,2001 This Madison Books paperback edition of Mastering herbalism is an unabridged republication of the edition first published in 1974 with the exception of an updated chapter nine Where to buy your herbs

**The Quest for the Nine Maidens** Stuart McHardy,2020-05-22 King Arthur went to Avalon with Morgan and her eight sisters In this book McHardy traces similar groups of nine maidens throughout the ancient Celtic and Germanic worlds and far beyond In Pictland Wales Ireland Scandinavia Gaul and Iberia the nine Maidens were known in mythology and as practising priestesses As far away as Kenya the Kikuyu people claim descent from nine sisters while a cave painting in Catalonia shows nine dancing maidens from almost 15 000 years ago Weather workers shape shifters diviners and healers the Nine Maidens are linked to the Old Religion over much of our planet

**Celtic Britain and the Pilgrim Movement** Griffith Hartwell Jones,1912 Excerpt from Celtic Britain and the Pilgrim Movement The growth Of religious thought Ethnic Hebrew or Christian besides being Of supreme moment is Of an interest so perennial that no apology should be needed for presenting any evidence not hitherto easily accessible It has been my custom for some years whilst occupied with the study Of ecclesiastical history to jot down or at least to make a mental note of anything that seemed specially to bear upon Wales Cornwall Ireland or Scot land and as I pursued my investigations begun solely for the satisfaction Of my own curiosity the cultural Significance Of the pilgrim movement was strongly borne in upon my mind Whether we consider its many sided character its human elements its doctrinal import its intellectual fertility or the tenacity Of this irrepressible instinct throughout the ages it appears to challenge comparison with any other field Of enquiry and after a considerable amount Of material had accumulated it was more than once pointed out to me that the publica tion Of what I had garnered might serve a useful pur pose a suggestion in which the Honourable Society of Cymmrodorion readily acquiesced The pleasure which the preparation of the work has afforded me during years of enforced exile will be enhanced tenfold if it proves that my expatriation has not prevented me from rendering Wales some service by throwing light upon an

Obscure and neglected phase Of her religious and mental evolution Whilst the work was being shaped the question Of method cost me much thought Assuming that manyreaders would be unfamiliar with both the Celtic and the ecclesiological aspects of the subject I was obliged to steer between the Scylla of redundance and \_the Charybdis of compression and baldness Just as I was speculating how to escape from this dilemma I had an opportunity oi discussing the main lines Of procedure with an historian and literary critic on whose long ex perience I could confidently rely and he confirmed my views When the work had been revised he was kind enough to read through portions of the manu script which might still be in doubt and as the follow ing letter shows saw no reason to change his Opinion Upon every occasion your method of proceeding has been fully justified on two grounds The contents of the book are in many cases such as to require a careful pre liminary preparation for what is to follow and the work contains hardly anything that could be spared without detriment to the whole You are obliged to give in formation for want of which the work would be positively unintelligible to most people Though I am not unac quainted with ecclesiastical history Often found the sort of focussing of general principles before adducing the new evidence in which the work abounds of great assistance in forming a comprehension of the fresh material On the other hand it is certain that among those whose keenest attention will be directed to its Celtic features there will be many as ignorant of ecclesiology as others are of Celtic history The Celtic scholar s need of some guidance when ecclesiastical history is put before him is in fact not only excusable but a phenomenon that will appear natural to anyone who has ever seriously studied anything About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) *Witchcraft* Ly de Angeles,2012-12-08 Are you ready to open yourself to the divine powers in order to bring beauty into your life happiness to your heart and strength to your will Then you ll want to get *Witchcraft Theory and Practice* by Ly de Angeles With more than three decades of experience she has learned how to bring the teachings alive combining modern with ancient so you can better understand the true potential and depth of Witchcraft Within the pages of this book you will find the secrets and techniques to become a Witch These can be divided into three categories philosophical disciplines spiritual beliefs and practical techniques Each part gets a focus in this book In the first section you will Learn meditation and how it can be used for ritual Discover the secrets of visualization telepathy and personal power Use the self analysis techniques to discover who you are and never walk in anyone s shadow In the second section you can Uncover the essence of the God and Goddess Discover the festivals of Witchcraft Learn how to make and use the tools of Witchcraft Understand how to do rituals including the rite of self initiation And in the final section you ll Practice psychic protection shapeshifting and banishing Master astral projection Learn to interpret omens This really just barely covers some of the information you will find revealed in these pages Written in a style that is clear and concise this book will add to your knowledge of Witchcraft Whether you are new to the Craft or have been practicing for some time *Witchcraft Theory and Practice* will impart wisdom that will fascinate and entice You will be using this book for many years to come
