Magic Gifts:

Personal Magic Jennie Marlow, 2007-12 Spirit guides Spotted Eagle and Grandfather White Elk offer a compelling new model that allows us to embrace a reality not driven by fantasy or materialism and that still affords us great freedom and peace of mind They demonstrate how spiritual authenticity can give us access to our most powerful and intriguing possibilities Personal Magic describes authenticity in real world terms as strengths and challenges and as innate gifts and talents that we can employ in creating what fulfills our deepest desires for a joyful life Personal Magic defines eight magic types These magics express our uniquely human powers the things that make us magical creative and able to build our lives on a foundation of what is real This book offers fresh no nonsense insight into what human creative power is really all about at the level of the individual and how we might learn to dance with the uncertainties in the Universe that created us

Mulholland's Book of Magic John Mulholland, 2001-04-01 Mulholland provides illustrated instructions for mastering scores of magical feats card tricks relying on an easy memory device extemporaneous tricks such as making a coin vanish and then reappear in a bread roll tricks for entertaining youngsters magical thought transference and other exploits of mystifying wizardry *Language and Revolutionary Magic in the Orinoco Delta* Juan Luis Rodriguez, 2020-10-15 Winner of the 2021 New Voices Book Award by the Society for Linguistic Anthropology Exploring the ways in which the development of linguistic practices helped expand national politics in remote rural areas of Venezuela Language and Revolutionary Magic in the Orinoco Delta situates language as a mediating force in the creation of the magical state Focusing on the Waraos speakers of the Orinoco Delta this book explores center periphery dynamics in Venezuela through an innovative linguistic anthropological lens Using a semiotic framework informed by concepts of transduction and translation this book combines ethnographic and historical evidence to analyze the ideological mediation and linguistic practices involved in managing a multi ethnic citizenry in Venezuela Juan Luis Rodriguez shows how indigenous populations participate in the formation and contestation of state power through daily practices and the use of different speech genres emphasising the performative and semiotic work required to produce revolutionary subjects Establishing the centrality of language and semiosis in the constitution of authority and political power this book moves away from seeing revolution in solely economic or ideological terms Through the collision between Warao and Spanish it highlights how language ideologies can exclude or integrate indigenous populations in the public sphere and how they were transformed by Hugo Chavez revolutionary government to promote loyalty to the regime **Cajun Folktales** J. J. Reneaux, 1992 A collection of twenty six traditional Cajun tales including animal stories fairy tales ghost stories and humorous tales **Seamus Heaney's Gifts** Henry Hart, 2024-12-13 The fact of the matter Seamus Heaney said in a 1997 interview with the Paris Review is that the most unexpected and miraculous thing in my life was the arrival in it of poetry Throughout his career Heaney who received the 1995 Nobel Prize in Literature maintained that poetry came to him from a mysterious source like a gift of grace He also believed that the

recipient of this sort of boon had an ethical obligation to share it with others

Seamus Heaney's *Gifts* by the noted scholar and poet Henry Hart offers the first comprehensive examination of Heaney's preoccupation with gifts and gift exchange. Drawing on extensive research in Heaney's papers as well as three decades of correspondence with the poet, Hart presents a richly detailed study of Heaney's life and work that foregrounds the Irishman's commitment to the vocation of poetry as a public art to be shared with audiences and readers around the world. Heaney traced his devotion to gifts back to the actual present of a Conway Stewart fountain pen that his parents gave him at the age of twelve when he left his family farm in Northern Ireland to attend a private Catholic secondary school in Londonderry. He commemorated this gift in *Digging*, the first poem in his first book, and in two poems he wrote near the end of his life, *The Conway Stewart* and *On the Gift of a Fountain Pen*. Friends and doctors had warned him that his endless globetrotting to give lectures and poetry readings had damaged his health. Yet he felt obligated to share his talent with audiences around the world until his death in 2013. As Hart shows, Heaney found his first models for gift giving in his rural community in Northern Ireland, the Bible, the rituals of the Catholic Church, and the literature of mystical and mythical quests. Blending careful research with evocative commentaries on the poet's work, *Seamus Heaney's Gifts* explains his ideas about the artist's gift, the necessity of gift exchange, acts and the moral responsibility to share one's talents for the benefit of others.

Gifts, Romance, and Consumer Culture Yuko Minowa, Russell W. Belk, 2018-09-05 How do people communicate their romantic feelings Gift giving is one way Giving and receiving of gifts is a characteristic of intimate relationships Gifts are a message a form of communication with a tangible material object about love affection or concern for the recipient The romantic gift evokes a multitude of intertwined meanings passion intimacy affection persuasion care celebration altruism and nostalgia They can also connote the negative images of obligation and reciprocity Romantic gift giving may be practiced at rituals during rites of passage or for casual occasions to affirm the continued importance of the romantic relationship We may even romanticize the giving of gifts to the self to nonhuman companions and to others we do not know personally If loving and giving are a practice then romantic gift giving is a practice of loving with intimate or would be intimate others This book addresses gift giving among consumers attempting to express and construct romantic love It

lies at the intersection of consumption markets and culture In societies shaped by the globalizing neo liberal economic order increasing wealth disparity and a partially digitized social environment that they help to co construct it may be time to rethink romantic love Gift giving is a key arena to do so as gifts make love tangible and act as carriers of meaning as well as cultural symbols In gift giving the meanings of romance are renewed renegotiated and reconstructed Gifts Romance And Consumer Culture demonstrates a wide variety of scholarly work bearing on romantic gift giving using an interpretive consumer research perspective The book introduces critical studies by scholars in this unfolding and new interdisciplinary field
