*Another Year On The Family Farm* Mary Kay Schippers, 2015-07-21 It's 1970 mere months after the first man walked on the moon The Vietnam War is raging on drawing thousands of young American men into compulsory military service Campus riots become commonplace while Bridge Over Troubled Water tops the music charts And millions of families across the nation gather around their television sets on Sunday evenings to watch what is to be the final season of the Ed Sullivan Show For thirteen year old Mary Kay life changes irrevocably when the last of her brothers and sisters marries and moves away from their Kansas family farm As the youngest of seven she has always been surrounded by people and noise and activity The sudden loneliness hits hard as Mary Kay tries to adapt to her new reality At home her dogs Sandy and Sport and her horse Strawberry become her sole companions as she helps her loving Mama and hard working Daddy carry on with their never ending farm chores At school Mary Kay graduates from the comforting country grade school where her oldest brother had been her teacher and now faces the challenge of high school in another town with no friends Inspired by the discovery of an old diary *Another Year on the Family Farm* continues the saga of author Mary Kay Schippers childhood first described in *A Year on the Family Farm* Like its predecessor *Another Year on the Family Farm* is full of love life and laughter Whether it's hanging on to a runaway horse seeking refuge from a storm learning to drive or falling in love Mary Kay's coming of age stories will carry you off to a world of enjoyment for young and old alike *Lady's and Gentleman's Diary*, 1798 [The Bookseller and the Stationery Trades' Journal](#), 1923 **Great Basin's Magic** Dean Stitzel, 2025-01-06 *Great Basin's Magic In Imagination of Words* by Dean Stitzel is an evocative collection that delves deep into the heart of America's West particularly focusing on the Great Basin This book weaves together a tapestry of stories that are not just about the land but also about the people who inhabit it their dreams challenges and the rugged lifestyle that defines them Stitzel explores themes of survival freedom and the constant pursuit of dreams in a world that is as unforgiving as it is beautiful His use of the natural environment not only as a setting but also as a character in its own right is compelling The Great Basin with its demanding conditions acts almost as a crucible for the characters shaping their lives and destinies The recurring symbol of the eagle carrying a snake in its talons underscores themes of freedom and the harsh realities of life portraying a vivid image of resilience The characters in Stitzel's book including human and animal figures are portrayed with depth and compassion Through their interactions and the challenges they face Stitzel paints a picture of a community bound by more than just geography The inclusion of a variety of characters from ranchers to law enforcement and even animals like the feral horses and domestic dogs enriches the narrative providing multiple perspectives on life in the Basin Stitzel's narrative voice is authentic and seasoned imbued with the wisdom of someone deeply connected to the land and its history His descriptive

style brings the landscape to life making the reader feel the vastness of the open fields and the biting cold of the snow The stories are also infused with a subtle humor and a sense of irony particularly in episodes like the mishap with diet pills adding layers to the storytelling Great Basin s Magic In Imagination of Words is a heartfelt ode to a unique American landscape and its inhabitants Stitzel successfully captures the spirit of the West with all its beauty and brutality its legends and its lived realities The book not only entertains but also educates offering insights into a way of life that many readers might find novel and enlightening It s a recommended read for those who appreciate regional histories natural environments and tales of human endurance
