Magic Meadow:

The Magic Meadow Alexander Key, 2014-07-29 In the dark of a grim hospital ward five children escape to another world They call themselves the incurables They are five children doomed to spend their lives in Bellevue's Ward Nine unable to walk care for themselves or even take a trip outside Their days are gloomy but they have one another and at night they play the game Whispering about places that could never be they build worlds so vivid that they almost seem real And then one night their dreams come true While the others sleep Brick closes his eyes and thinks harder than he ever has about the place he calls the Magic Meadow a lush hill where dandelions grow When he opens his eyes he has been transported The meadow is real and with his friends at his side he will return there again and again to learn to walk to live **365 Bedtime Stories**
