Packed with information that reflects the breadth and depth of the RZA's and rest of the Clan's intellectual interests and passions, The Wu Tang Manual is divided into four books of nine chambers each for a total of 36 chambers. All together the book provides the breakdown of essential Wu Tang components from basic information about each of the nine core members of Wu Tang Clan to deeper explorations of the key themes of the Wu Tang universe, a dictionary like Wu Slang lexicon, and an entire section of Wu Tang lyrics with densely annotated explanations of what they mean. For the hardcore Wu Tang disciple and the recent initiate alike, The Wu Tang Manual is the definitive guide to the essence of Wu, one of the most innovative hip hop groups of all time. The RZA's most recent book, The Tao of Wu, is also available from Riverhead Books.

Reinvention Made Easy Jim Mathis, 2011-12-01. The new world of work requires tough love and tough questions to ask yourself. Choose reinvention over extinction by facing hard business truths. Self reinvention is easy. Everybody can reinvent themselves in a challenging economy by incorporating the simple indisputable truths in Reinvention Made Easy. But even the most creative leaders will find this a personally challenging and value changing read. The economy doesn't go up or down, it becomes different. The realities of your business have changed forever. Leaders manage the way they react to change. The next year is probably the end of the way we will do business. Your business purpose is not determined by you but by the needs or wants that are satisfied when the customer buys a product or service. Effective market leaders see themselves from the customer's viewpoint. To reinvent yourself, you must answer these questions raised in Reinvention Made Easy: When will the recession end? Why don't people buy what I sell? Why does my team hate me? Why doesn't my teamwork always work? How am I punishing my customers? What is costing me more money than making me? The answers are so uncomfortable you will be forced to think your way to very last page.
