## **Magical Worlds Of Narnia:**

*The Magical Worlds of Narnia* David Colbert, 2005 Examines the origins and hidden meanings of the characters and plots within C S Lewis's Narnia series

*Pocket Companion to Narnia* Paul F. Ford, 2005-07-26 The pocket guide is an adventurer's passport to the land of Narnia From Aslan the great lion to Zardeenah the mysterious lady of the night this comprehensive and accessible companion contains hundreds of alphabetically arranged entries covering all the characters events places and themes that Lewis magically wove into his timeless and magical world This little book will be perfect for the millions of kids and parents who already love the Narnia books and want to go deeper into that world as well as for those newly drawn to the story by the Narnia movie The Pocket Companion is a perfect gift book a natural movie tie in and will continue to help readers and fans get closer to the magical world of Narnia for years to come

**Magical Worlds of Narnia** David Colbert, 2009-02-01 Why a wardrobe Why does Aslan lie on a stone table What did C S Lewis mean by Shadowlands Who and what inspired the White Witch How did The Lord of the Rings author J R R Tolkien influence Narnia What if you found another world filled with magical creatures like centaurs witches and a talking lion and the door to it was in your own house So begins C S Lewis's classic book The Lion the Witch and the Wardrobe which along with its 6 sequels has delighted readers for generations This book explores the myths legends and history behinds the Narnia series Discover the medieval lore and ancient myths that inspired Lewis and trace Narnia's origins to the Bible the tales of King Arthur and various corners of history

**The Magical Worlds of Narnia** David Colbert, 2005 bull Who led Lewis to create the White Witch bull Why did the adventure begin in a wardrobe bull Why wasn't Aslan in the stories at first What if you found another world filled with magical creatures like centaurs witches and a talking lion and the door to it was in your own hours Beginning with the enchanted opening of The Lion the Witch and the Wardrobe C S Lewis's seven Chronicles of Narnia have delighted readers for generations Now The Magical Worlds of Narnia explores the medieval lore and ancient myths that inspired Lewis tracing Narnia's origins to the Bible the tales of King Arthur and Lewis's personal history This essential guide is a passport to one of the most unusual adventures of all time

*The Magical World of the Inklings* Gareth Knight, 2010 Because of the combination of information understanding and insight on which it is founded The Magical World of the Inklings is more than outstanding It is not in the same league with anything else I have come across Owen Barfield The works of J R R Tolkien C S Lewis Charles Williams and Owen Barfield have had a profound impact on the contemporary world Together they were The Inklings a small literary group of friends who set out to explore the mythopoeic or myth making element in imaginative fiction The Magical World of the Inklings reveals how each of these writers created a magical world which initiated the reader into hidden and powerful realms of the creative imagination

War of the Fantasy Worlds Martha C. Sammons, 2009-12-22 This investigation focuses on C S Lewis's and J R R Tolkien's contrasting views of art and imagination which are key to understanding and interpreting their fantasy works providing insight into their goals themes and techniques

as well as an appreciation of the value and impact of their mythologies Most scholarship about J R R Tolkien and C S Lewis describes their shared faith and academic interests or analyzes each writer s fantasy works War of the Fantasy Worlds C S Lewis and J R R Tolkien on Art and Imagination is the first to focus solely on their contrasting concepts of fantasy The authors views of art and imagination the book shows are not only central to understanding the themes value and relevance of their fantasy fiction but are also strikingly different Understanding the authors thoughts about fantasy helps us better understand and appreciate their works Yet this book is not a critical analysis of The Lord of the Rings or The Chronicles of Narnia Rather it examines only elements of Tolkien s and Lewis s books that relate to their views about art fantasy and creativity or the implementation of their theories The result is a unique and altogether fascinating perspective on two of the most revered fantasy authors of all time      *Framing the Apocalypse* Sheila C. Bibb,Alexandra Simon-López,2019-07-22

Different aspects of the apocalypse have been researched for centuries some from an ecclesiastical point of view others focusing on moral issues Still others have specialised in investigating the philosophical implications of the apocalypse which are relevant in all religions The idea of the ultimate victory of good over evil and the beginning of the after life either in heaven or in hell has become a cultural phenomenon which has already left its initially exclusively religious constraints With this in mind the focus here is to discover how the apocalypse s triumph can be witnessed in the arts literature music and most recently film TV and digital media thereby enabling a holistic view of what the Apocalypse means in contemporary terms What we read here is the very essence of Apocalypse as a cultural phenomenon something which reveals which uncovers and allows us to see a new aspect or dimension      *How Harry Cast His Spell* John Granger,2010-04-01 Provides a Christian interpretation of Harry Potter arguing that the series supports biblical teaching as opposed to the practice of the occult and offers insights into character names imagery and themes      *Young Adult Literature: Magical Worlds* Torrey Maloof,Christina Hill,2016-08-01 Why is the magical world so mighty and alluring How does it cast such a powerful spell over readers Explore the themes and elements found in young adult fantasy fiction novels and series including Eragon the Lord of the Rings Harry Potter Percy Jackson Narnia and more Developed by Timothy Rasinski and Lori Oczkus and featuring TIME content this book builds reading skills and includes essential text features like an index captions glossary and table of contents The detailed sidebars fascinating images and Dig Deeper section prompt students to connect back to the text and encourage multiple readings Check It Out includes suggested resources for further reading Aligned with state standards this title features complex content appropriate for students preparing for college and career readiness      **Children's Literature and Learner Empowerment** Janice Bland,2013-08-29 Children s literature can be a powerful way to encourage and empower EFL students but is less commonly used in the classroom than adult literature This text provides a comprehensive introduction to children s and young adult literature in EFL teaching It demonstrates the complexity of children s literature and how it can encourage an active community of second language readers with multilayered

picturebooks fairy tales graphic novels and radical young adult fiction It examines the opportunities of children's literature in EFL teacher education including the intertextuality of children's literature as a gate opener for canonised adult literature the rich patterning of children's literature supporting Creative Writing the potential of interactive drama projects Close readings of texts at the centre of contemporary literary scholarship yet largely unknown in the EFL world provide an invaluable guide for teacher educators and student teachers including works by David Almond Anthony Browne Philip Pullman and J K Rowling Introducing a range of genres and their significance for EFL teaching this study makes an important new approach accessible for EFL teachers student teachers and teacher educators

**Spaces and Places in the Fantastic** Kristin Aubel, Sarah Edwards, Christian Lenz, 2025-06-12 This book is an interdisciplinary collection of essays examining the spaces and places central to fantasy science fiction and horror across literature film television art and video games By employing new and interdisciplinary approaches this volume highlights the intricate interplay between setting imagination and cultural context in the fantastic Through its diverse themes and texts it provides a comprehensive overview of contemporary research on how spaces both function in and shape fantastic storytelling What unites these essays is their sharp observations of the complex workings of fantastic geographies and their ability to challenge and contribute to preconceived notions and existing research The included essays explore how fantastic landscapes from soundscapes and digital worlds to bodies in and as spaces shape identity reflect social ideas and norms and challenge perceptions of the real world Contributions from international scholars address a wide range of topics such as queer and digital spaces cartography and the fine arts offering fresh perspectives on the construction poetics and functions of fantastic geographies The editors are united in their research interest in the fantastic and literary geography The essays collected in this edited volume are based on a conference they organised in 2022 at TU Dortmund University Germany

Fantasy Jacqueline Furby, Claire Hines, 2011-09-02 Fantasy addresses a previously neglected area within film studies The book looks at the key aesthetics themes debates and issues at work within this popular genre and examines films and franchises that illustrate these concerns Contemporary case studies include Alice in Wonderland 2010 Avatar 2009 The Dark Knight 2008 Edward Scissorhands 1990 Lord of the Rings 2001 2003 Pirates of the Caribbean 2003 2007 Prince of Persia The Sands of Time 2010 Shrek 2001 Twelve Monkeys 1995 The authors also consider fantasy film and its relationship to myth legend and fairy tale examining its important role in contemporary culture The book provides an historical overview of the genre its influences and evolution placing fantasy film within the socio cultural contexts of production and consumption and with reference to relevant theory and critical debates This is the perfect introduction to the world of fantasy film and investigates the links between fantasy film and gender fantasy film and race fantasy film and psychoanalysis fantasy film and technology fantasy film storytelling and spectacle fantasy film and realism fantasy film and adaptation and fantasy film and time

**A Narnian Vision of the Atonement** Charles Taliaferro, 2022-08-24 How can we have redemption or atonement at one moment with God Ancient Christians proposed a ransom theory according to which God pays the ransom for us through heroic self sacrifice so we can be liberated from the power of the demonic sin and death This theory is widely rejected by philosophers and theologians yet C S Lewis boldly portrays atonement in precisely such terms in his seven volume *The Chronicles of Narnia* In this book philosopher Charles Taliaferro defends the integrity and beauty of redemption in these stories and offers a Narnia inspired Christian theory of atonement He writes for those intrigued by Lewis's imaginary world of Narnia and for those interested in thinking about temptation how wrongdoing may be overcome

confession repentance forgiveness and reconciliation restitution death resurrection and personal transformation Taliaferro argues that Lewis's work is no mere entertaining fairytale for children but an important lens through which to view deep themes of redemption and atonement and all the vital stages involved in overcoming evil with the superabundant good of God's loving self-sacrifice

**The Crossover Novel** Rachel Falconer, 2008-10-21 Highly recommended by Choice While crossover books such as Rowling's Harry Potter series have enjoyed enormous sales and media attention critical analysis of crossover fiction has not kept pace with the growing popularity of this new category of writing and reading Falconer remedies this lack with close readings of six major British works of crossover fiction and a wide-ranging analysis of the social and cultural implications of the global crossover phenomenon A uniquely in-depth study of the crossover novel Falconer engages with a ground-breaking range of sources from primary texts to child and adult reader responses to cultural and critical theory
