1 Peter Joel B. Green, 2007-10-26 Even though the letter of 1 Peter has sometimes been overshadowed by Paul s many New Testament letters it is nonetheless distinctive for the clarity with which it presents the Christian message In this volume Joel Green offers a clear paragraph by paragraph analysis of 1 Peter and even more unpacks the letter s theology in ways that go beyond the typical modern commentary Following Green s paragraph by paragraph commentary is an extended discussion of the theological horizons of 1 Peter Throughout his study Green brings the message of 1 Peter into conversation with Christian theologians ancient and contemporary so that the challenge of this letter for Christian faithfulness can be heard more clearly today

Gregory C. Benoit,2011-05-31 The ancient heresy of Gnosticism has seeped into the church and is being taught in our most influential seminaries today This can be seen most readily in the willingness and even determination of leading scholars and theologians to force the doctrines of evolution into the sacred text of the Scriptures This book looks closely at the Bible to determine whether or not evolution can be endorsed by the Word of God It then moves on to examine how today's theologians have played tricks with the text in order to seduce ordinary Christians into embracing Gnosticism This book is a call to God's people to eradicate this heresy and return to an honest reading of the Bible These higher critics have castrated Christianity they themselves are spiritual eunuchs incapable of producing any spiritual seed with which to grow the church in the coming generations They hope to bring some reconciliation between the teachings of modern science and the traditional teachings of Scripture but instead they only serve to instill doubt in the ordinary Christian doubt that an ordinary believer can ever again trust his own uneducated reading of the Bible It is sad to think that William Tyndale was martyred for bringing the Bible to the common man while modern theologians are being praised for taking it away again **Heaven**

Randy C. Alcorn,2004 What will heaven be like Randy Alcorn presents a thoroughly biblical answer based on years of careful study presented in an engaging reader friendly style His conclusions will surprise readers and stretch their thinking about this important subject Heaven will inspire readers to long for heaven while they're living on earth The Magician's
