Her passion and narcissism agitate him while his tempered restraint bores her into resentment Their opposing personalities lead to anger and conflict and ultimately to a crossroads that will either tear their young marriage apart or weave it back together stronger than ever Encounter in April May Sarton, 2014-12-23 The debut work of a literary legend May Sarton's career spanned sixty years and included novels poetry memoirs and even children's books but it was poetry that provided the world's first look at her wondrous talent Encounter in April is a fitting starting point for readers wishing to familiarize themselves with one of the twentieth century s most lyrical and eloquent authors In this anthology Sarton describes womanhood devastatingly and unforgettably deftly matching serene imagery with powerful emotion Her sonnets are to be savored Encounter in April is a thesis statement for a lengthy and profound career and Sarton's talent is readily evident from the beginning The Fur Person May Sarton, 2002 The Fur Person is May Sarton's fictionalized account of her cat Tom Jones's life and adventures prior to making the author's acquaintance Tom starts out as a fiercely independent nameless street cat who follows the ten commandments of the

Rogers, 1991-07-03 Focusing on British and American novels Rogers takes a sociological look at the business of literature the book industry and the experiences of novelists and readers Viewing the novel as a vehicle of cultural meaning the author shows how the literary canon overlooks substantial similarities among novels in favor of restrictive codes based on social as well as literary considerations.
