The Magnificent Comedy Meade Minnigerode, 1931 **A Treasury of Regrets** Susanne Alleyn, 2013-11-05 For police agent and investigator Aristide Ravel the teeming streets and alleyways of Paris are a constant source of activity And in the unruly climate of 1797 when gold and food are scarce citizens will stop at very little to get what they need When Jeannette Moineau an illiterate servant girl is accused of poisoning the master of the house where she works Ravel cannot believe she is guilty of the crime With stubborn witnesses a mysterious white powder and stolen goods all stacked against her however he knows it will not be easy to clear her of the charges But Ravel finds an unexpected ally in Laurence a young widow of the house whose past surprisingly intersects with his own In a large household brimming with bickering and resentment everyone seems to have a motive for poisoning old Martin Dupont But as more family members turn up dead the list of suspects rapidly dwindles Tensions rise and Ravel and Laurence must probe the secrets of the city s crafty politicians and confidence artists for clues to clear Jeannette s name Finding information though in dissolute postrevolutionary Paris can lead to costly and dangerous demands From the author of *Game of Patience* comes *A Treasury of Regrets* a new historical mystery bringing alive the sights and sounds of eighteenth century Paris brimming with atmospheric details scandal and murder Praise for *Game of Patience* Alleyn knows her French Revolution creates a complex brainteaser of a mystery and excels in making her characters believable In short this book has everything Library Journal The Paris of 1796 comes alive in Alleyn s fast paced novel Readers will be surprised by the ending with its twisted scenario Historical Novels Review Grounded by a complex haunted hero the suspense in this layered mystery builds slowly but reaches a breakneck speed Booklist Full of authentic historical detail ranging from the rise of General Bonaparte to the antics of flamboyant incroyables the story builds to an emotionally charged climax Publishers Weekly Praise for *A Far Better Rest* Engrossing right from the start Ms Alleyn brings the period to life The reader sees hears and smells the past and is in effect transported back in time This novel appeals to the heart and soul Historical Novels Review Alleyn s command of French culture and historical detail brings the story to life We can literally inhale the atmosphere of revolutionary Paris Katherine Neville author of *The Eight* and *The Magic Circle*

The Many Lives & Secret Sorrows of Josephine B Sandra Gulland, 2002-03-17 Passion intertwines with fate in this riveting and historically rich novel about the journey of a woman from poverty to ultimate power in Revolution era France In this first of three books inspired by the life of Josephine Bonaparte Sandra Gulland has created a novel of immense and magical proportions We meet Josephine in the exotic and lush Martinico where an old island woman predicts that one day she will be queen The journey from the remote village of her birth to the height of European elegance is long but Josephine's fortune proves to be true By way of fictionalized diary entries we traverse her early years as she marries her one true love bears his children and is left betrayed widowed and penniless It is Josephine's extraordinary charm cunning and will to survive that catapults her to the heart of society where she meets Napoleon whose destiny will prove to be irrevocably intertwined with hers
