Extinct Birds Julian P. Hume,2017-08-24 A comprehensive review of the hundreds of bird species that have become extinct over the last 1 000 years of habitat degradation over hunting and rat introduction Extinct Birds has become the standard text on this subject covering both familiar icons of extinction as well as more obscure birds some known from just one specimen or from travellers tales This second edition is expanded to include dozens of new species as more are constantly added to the list either through extinction or through new subfossil discoveries The book is the result of decades of research into literature and museum drawers as well as caves and subfossil deposits which often reveal birds long gone that disappeared without ever being recorded by scientists while they lived From Great Auks Carolina Parakeets and Dodos to the amazing yet almost completely vanished bird radiations of Hawaii and New Zealand via rafts of extinction in the Pacific and elsewhere this book is both a sumptuous reference and astounding testament to humanity s devastating impact on wildlife

Pacific Payback Stephen L. Moore,2015-06-02 Deeply researched and well written By far the most detailed account of USS Enterprise s dive bombers and their decisive role at the Battle of Midway Sunday December 7 1941 dawned clear and bright over the Pacific But for the Dauntless dive bomber crews of the USS Enterprise returning to their home base on Oahu it was a morning from hell Flying directly into the Japanese ambush at Pearl Harbor they lost a third of their squadron and witnessed the heart of America s Navy broken and smoldering on the oil slicked waters below The next six months from Pearl Harbor to the Battle of Midway a dark time during which the Japanese scored victory after victory this small band of aviators saw almost constant deployment intense carrier combat and fearsome casualties Many were killed by enemy Zero fighters antiaircraft fire or deadly crash landings in the Pacific while others were captured and spent years in POW camps Yet the Enterprise s Dauntless crews would be the first to strike an offensive blow against Japanese installations in the Marshall Islands would be the first to sink a Japanese warship and would shepherd the Doolittle Raiders bombing of Tokyo Not until Midway though would Dauntless crews get the chance to settle the score and change the course of World War II Drawing on dozens of new interviews and oral histories author Stephen L Moore brings to life inspiring stories of individual sacrifice and bravery and the sweeping saga of one of America s greatest triumphs
