

Magnificent Tension Graphic No Pb 2002

Wenbin Ji

A light blue horizontal bar with a rounded right end, partially overlapping a red circular graphic. The bar is positioned in the upper left quadrant of the slide. The red graphic is a semi-circle or a portion of a circle, with a gradient from red to white, located to the right of the blue bar.

Magnificent Tension Graphic No Pb 2002:

The Reception of P. B. Shelley in Europe Susanne Schmid, Michael Rossington, 2008-10-21 The widespread and culturally significant impact of Percy Bysshe Shelley's writings in Europe constitutes a particularly interesting case for a reception study because of the variety of responses they evoked. If radical readers cherished the rebel Shelley, others favoured the lyrical poet whose work was like Byron's, anthologized and set to music. His major dramatic works *The Cenci* and *Prometheus Unbound* inspired numerous fin de siècle and expressionist dramatists and producers from Paris to Moscow. Shelley was read by and influenced the novelist Stendhal, the political theorist Engels, the Spanish symbolist Jiménez and the Russian modernist poet Akhmatova. This exciting collection of essays by an international team of leading scholars considers translations, critical and biographical reviews, fictionalizations of his life and other creative responses. It probes into transnational cross currents to demonstrate the depth of Shelley's impact on European culture since his death in 1822. It will be an indispensable research resource for academics, critics and writers with interests in Romanticism and its legacies.
