Magnus Merriman

J D Fergusson

Magnus Merriman:

Magnus Merriman Eric Linklater, 2009-05-01 This hilarious novel charts the rise and fall and perhaps the rise again of Magnus Merriman would be lover writer politician idealist and crofter moved by dreams of greatness and a talent for farcical defeat Convinced that small nations are safer to live in than big ones Magnus becomes a Nationalist candidate for the parliamentary seat of Kinlucan With details based on Linklater's own experiences in an East Fife by-election in 1933 the way is set for a satirical and irreverent portrait of Scottish life literature and politics in the 1930s Nothing is sacred and no one is spared *Magnus Merriman* Eric Linklater, 1945 *Alienation and Resistance* Laura Findlay, Gordon Spark, 2020-05-22

This collection draws together recent work by new and emerging scholars which examines the representation of alienation and resistance in texts and images both modern and traditional The essays collected here incorporate both high and low culture covering a wide range of disciplines from traditional literary sources to the more modern mediums of film and comic Informing each of the contributions is one overriding question what are the roles forms and conditions of alienation and resistance in our culture and its diverse media The contributors to this collection find examples of both alienation and resistance everywhere from sixteenth century drama to contemporary fiction from American comics to Eastern European cinema from representations of the body to the site of the body itself In seeking out these representations of alienation and resistance the essays begin also to probe the limits and limitations of such terms As such the collection as a whole offers both a broad overview of the field of play as it stands today and makes tentative suggestions as to potential paths of future inquiry

Am I Missing Something... Iain Hollingshead, 2013-10-03 Every year the collection of the best letters that didn't quite make it into the Telegraph because just too left field outrageous or hilarious for an August Letters page offers an alternative review of the year For this fifth volume the potential agenda is just as enticing as ever with Telegraph readers variously waggish whimsical or just plain steamed up about Chris Huhne's speeding points a new Pope the Royal baby and mansion taxes Once again it will be one of the humour bestsellers of the year **Scotland's Books** Robert Crawford, 2009-01-30

From *Treasure Island* to *Trainspotting* Scotland's rich literary tradition has influenced writing across centuries and cultures far beyond its borders Here for the first time is a single volume presenting the glories of fifteen centuries of Scottish literature In *Scotland's Books* the much loved poet Robert Crawford tells the story of Scottish imaginative writing and its relationship to the country's history Stretching from the medieval masterpieces of St Columba's Iona the earliest surviving Scottish work to the energetic world of twenty-first century writing by authors such as Ali Smith and James Kelman this outstanding account traces the development of literature in Scotland and explores the cultural linguistic and literary heritage of the nation It includes extracts from the writing discussed to give a flavor of the original work and its new research ranges from specially made translations of ancient poems to previously unpublished material from the Scottish Enlightenment and interviews with living writers Informative and readable this is the definitive single volume guide to the marvelous legacy of

Scottish literature **London's Burning** Antony Taylor, 2012-01-26 From the early years of the nineteenth century cultural pessimists imagined in fiction the political forces that might bring about the destruction of London Periods of popular protest or radicalism have generated novels that consider the methods insurgents might use to terrorise the metropolis There has been a tendency to dismiss such writings as the lurid imaginings of pulp novelists but this book re evaluates the contribution of popular fiction to the construction of the terrorist threat It analyses the high points for the production of such works and locates them in their cultural and historical context From the 1840s when a fear of Chartist insurgency was paramount in the minds of authors it moves through the anarchist thrillers of the 1890s considers writers fears about Bolshevik revolution in the East End of the 1920s and 1930s explores fears of Fascism in the inter war years and assesses the concerns with underground counter culture that feature in the thriller literature of the 1970s It concludes with a re evaluation of the metropolitan background to the figure of the Islamist terrorist *The Saturday Review of Politics, Literature, Science, Art, and Finance*, 1934 ... **Return of Owners of Land, 1873** England. Local Government Board, 1874 **Scotland** Paul Henderson Scott, 2013-12-16 After more than 300 years of union with its larger and wealthier neighbour Scotland has the opportunity to be independent It is a chance that well known Scottish cultural and political commentator Paul Henderson Scott firmly believes should be taken In *Scotland A Creative Past An Independent Future* he looks to Scotland s vibrant literary and cultural heritage to envisage an independent nation Revisiting aspects of Scotland s political and cultural past from the Union of 1707 to literary figures including Robert Louis Stevenson and Alasdair Gray this is a passionate and eloquent exploration of Scotland s past and its potential future a future where national confidence culture and identity can flourish Scott s provocative book persuasively argues the case for Independence considering a variety of topics both historic and current cultural and political But in every case the benefits of Independence are clear Scotland has the opportunity to become more confident prosperous and contented an opportunity that even the most sceptical reader will be persuaded that they should take *Scotland* Scotland. Comptroller-General of Internal Revenue, 1874 **Magnus Merriman, Etc** Eric Linklater, 1950 **The Saturday Review**, 1934 **In Flanders Fields** Trevor Royle, 2012-01-27 This anthology is the first ever acknowledgement of Scotland s unique contribution to the literature of the First World War Here are gathered together well known writers like John Buchan Eric Linklater Hugh MacDiarmid and Compton Mackenzie as well as poets like Joseph Lee and Roderick Watson Kerr who found their true voices fighting in a war to end wars There is also a substantial contribution from women writers in the work of Violet Jacob Naomi Mitchison and Mary Symon **Beyond Scotland**, 2021-09-20 Scottish creative writing in the twentieth century was notable for its willingness to explore and absorb the literatures of other times and other nations From the engagement with Russian literature of Hugh MacDiarmid and Edwin Morgan through to the interplay with continental literary theory Scottish writers have proved active participants in a diverse international literary practice Scottish criticism has arguably often been slow in appreciating the full extent of this exchange

Preoccupied with marking out its territory with identifying an independent and distinctive tradition Scottish criticism has occasionally blinded itself to the diversity and range of its writers In stressing the importance of cultural independence it has tended to overlook the many virtues of interdependence The essays in this book aim to offer a corrective view They celebrate the achievement of Scottish writing in the twentieth century by offering a wider basis for appreciation than a narrow idea of Scottishness Each essay explores an aspect of Scottish writing in an individual foreign perspective together they provide an enriching account of a national literary practice that has deep and often surprisingly complex roots in international culture

Florence and Tuscany Ted Jones,2012-10-15 The magical landscapes and rich culture of Tuscany have fostered the inspiration and settings for literature since the works of the great Florentine poets Dante Petrarch and Boccaccio in the 14th century and has been a magnet for expatriate writers since the arrival in Florence of the English poet Geoffrey Chaucer in 1372 With its historic cities and villages its verdant countryside and crepuscular coastline its treasury of art covering five millennia and above all its long heritage of authorship Tuscany one of the most celebrated and well travelled regions in the world As the source of the Italian language and birthplace of the Renaissance Tuscany lies at the historic and cultural heart of Italy and has remained an irresistible attraction to writers for six centuries This book is a journey that follows in their footsteps from John Milton and Thomas Gray to the Brownings the Shelleys Charles Dickens D H Lawrence Thomas Hardy E M Forster Mark Twain Muriel Spark and many others *Florence and Tuscany A Literary Guide for Travellers* takes the literary minded traveller either in person or in an armchair on a vivid and illuminating journey retracing the footsteps of writers who have lived and worked in or been inspired by the history and landscape of Tuscany from John Milton and Thomas Gray to the Brownings the Shelleys Charles Dickens D H Lawrence Thomas Hardy E M Forster Mark Twain Muriel Spark and many others For anyone who has fallen under a Tuscan spell as so many have before this book the first of its kind will prove enthralling reading

The Battle for Scotland Andrew Marr,2013-08-01 We may be about to see a new country indeed two new countries emerging on these islands Half a lifetime ago I sat down to write this book as a work of history As it s aged it s become current affairs Just twenty years ago it seemed impossible that Scotland would ever get home rule let alone full independence And even following a vote that did not result in Scottish independence there are still talks of a second referendum In *The Battle for Scotland* first published in 1992 Andrew Marr provides the historical backdrop to these extraordinary events He attempts to explain the deep sources of Scottish national feeling and the political will which brought us to this deeply uncertain time In a substantial introduction written before 2014 s referendum Marr considers the questions every voting Scot and every non voting UK citizen were asking themselves at the time

A Dictionary of Epithets and Terms of Address Leslie Dunkling,2008-02-20 This book will give learners of English the confidence to address people appropriately in a wide variety of situations It will also help them to understand what is implied when an English speaker uses a particular way of addressing someone These topics are entirely neglected in most courses and textbooks and there is

no other reference work on the subject Anyone who is fascinated by words will also find much here of interest A wealth of historical sociological and etymological information is set out in a highly readable style Some 2 000 entries arranged in alphabetical order shed new light on familiar terms of address and present many curiosities The author gives examples from a wide range of literature particularly twentieth century novels and provides an illuminating commentary on them

Parachute to Berlin Lowell Bennett, 2023-04-06 The vivid account of a war correspondent shot down over Germany and taken prisoner Bennett was one of several journalists to fly a night raid over Berlin in November 1943 This is the vivid testimony of an American journalist shot down over Berlin After he was captured in Berlin he was taken on a tour of Germany and shown what the civilian population was being subjected to Bennett spent the rest of the war in Stalag Luft I where he started the newspaper POW WOW secretly read by 9 000 prisoners Bennett s experiences led him to condemn the Allied policy of systematically bombing civilian population centers

The Scottish Question James Mitchell, 2014 Sets the Scottish independence referendum in context exploring the questions of national identity everyday public policy structures of government and constitutional politics drawing on a range of sources to illustrate why the Scottish Question can never be answered definitively

Modern Scottish Painting J D Fergusson, 2020-05-15 In 1939 Scottish artist and sculptor J D Fergusson was commissioned to write a fully illustrated book on modern Scottish painting The Second World War made this difficult and the first edition of *Modern Scottish Painting* was published in 1943 without illustrations This new edition edited introduced and annotated by Alexander Moffat and Alan Riach finally brings Fergusson s project to fruition illustrating the argument with colour reproductions of Fergusson s own work Moffat and Riach frame Fergusson s important art manifesto for the 21st century reader illuminating his views on modern art as he explores questions of technique education form and what it means for a painting to be truly modern Fergusson relates these aspects of modern painting to Scottishness showing what they mean for Scottish identity nationalism independence and the legacy that puritanical Calvinism has left on Scottish art a particular concern for Fergusson given his recurring subject matter of the female nude
