The Gospel of the Kingdom Benjamin Hoogterp, 2012-01-11 Then they will deliver you to tribulation and will kill you and you will be hated by all nations because of My name At that time many will fall away and will betray one another and hate one another Many false prophets will arise and will mislead many Because lawlessness is increased most people's love will grow cold But the one who endures to the end he will be saved This gospel of the kingdom shall be preached in the whole world as a testimony to all the nations and then the end will come Matthew 24 9 14 There is coming a day burning hot like an oven that will not relent It will divide and separate the wheat from the chaff and provoke Israel to jealousy In that day one will say to the other let us return unto the Lord for perhaps He may still have pity upon us To all who would hear it is time that judgement begin at the House of the Lord and to declare the Kingdom of God is at hand [American Christians and Islam](#)

Thomas S. Kidd, 2018-06-05 In the wake of the September 11 terrorist attacks many of America's Christian evangelicals have denounced Islam as a demonic and inherently violent religion provoking frustration among other Christian conservatives who wish to present a more appealing message to the world's Muslims Yet as Thomas Kidd reveals in this sobering book the conflicted views expressed by today's evangelicals have deep roots in American history Tracing Islam's role in the popular imagination of American Christians from the colonial period to today Kidd demonstrates that Protestant evangelicals have viewed Islam as a global threat while also actively seeking to convert Muslims to the Christian faith since the nation's founding He shows how accounts of Mahometan despotism and lurid stories of European enslavement by Barbary pirates fueled early evangelicals' fears concerning Islam and describes the growing conservatism of American missions to Muslim lands up through the post World War II era Kidd exposes American Christians' anxieties about an internal Islamic threat from groups like the Nation of Islam in the 1960s and America's immigrant Muslim population today and he demonstrates why Islam has become central to evangelical end times narratives Pointing to many evangelicals' unwillingness to acknowledge Islam's theological commonalities with Christianity and their continued portrayal of Islam as an evil and false religion Kidd explains why Christians themselves are ironically to blame for the failure of evangelism in the Muslim world *American Christians and Islam* is essential reading for anyone seeking to understand the causes of the mounting tensions between Christians and Muslims today

Rise of the Assyrian Russell Redden, 2012-04-14 This book is a comprehensive analysis of Biblical prophecy in light of Scriptures ignored by many teachers of Eschatology today Isaiah Jeremiah Ezekiel and numerous Old Testament prophets wrote that the Messiah would defeat a wicked king in the latter days from the lands once known as Assyria or Babylon modern day Iraq This book presents Biblical evidence that the Antichrist will rise from this land and temporarily establish a new Islamic empire in the Middle East This empire will rise after the nations of the world force Israel from half of Jerusalem and Judea the West Bank according to Bible prophecy Learn how the predicted outcome of the Israeli Palestinian dispute of the holy land perfectly reflects unique events of modern history including the rise of radical Islam Third edition

Hope in the Last Days Dave Williams, 2017-05-02 Understand how ancient biblical prophecies are coming to

pass in our day how coming prophetic events will impact you and how there is hope for all followers of Christ Today there is a tremendous interest in Bible prophecy particularly because end time events prophesied long ago are coming to pass in an extraordinary manner Hope in the Last Days reveals based on prophecy fulfilled and yet to be fulfilled that very shortly the world will reel into its deepest hour of torment and agony Dave Williams encourages you with the truth of how coming events will affect you and your loved ones and what God has planned as a way of escape for followers of Jesus Christ

The Revelation Commentary Dennis James Woods, 2025-04-27 Jesus prophesied that the great tribulation would be an unprecedented time of distress that would never occur again Nothing in history compares to what the Bible declares is coming on this world The book of Revelation gives specific details of this time that no other book in the world contains With all its vital information why is it that so many Christians do not read Revelation Have popular rapture theories convinced many that Revelation does not apply to the church Would God providentially place Revelation in the New Testament if the church really didn't need it In this powerful verse by verse commentary Dennis James Woods presents a unique Prewrath interpretation of Revelation critiquing the widely accepted Pretribulation rapture theory The commentary argues that Revelation was written for the church and that much of its content directly applies to believers Woods provides historical context theological analysis and practical insights offering an alternative eschatological framework that challenges traditional dispensational thought while emphasizing the necessity of preparing for end time events Revelation is the only book in the world with specific details that tell us where this world is heading It's the only book in the Bible that begins with a special blessing for those who read it If the church is to be raptured before the Antichrist comes praise God But what happens if that's wrong Then the book of Revelation marginalized by so many will become a vital guide for prophetic events to come

Ezekiel and Eschatological Violence Alicia R. Jackson, 2025-01-07 This monograph explores the topic of eschatological violence in Pentecostal biblical interpretation of Ezek 36 16 39 29 Rev 19 11 21 and Rev 20 7 10 By reviewing Pentecostal reception history of these texts considering the influence of classical dispensationalism on Pentecostal biblical interpretation and eschatology this study offers a peace reading that aligns with both early Pentecostal writers and contemporary Pentecostal scholars whose eschatology departs from classical dispensationalism This monograph builds a case for envisioning a hopeful and proleptic premillennial eschatology that emphasizes the peace and reconciliation of the gospel more than end times war and violence

Narrative of the Last Days Theodosius Katzir, 2015-05-28 The chronology of prophetic events is detailed here in a manner that has never been outlined before The events unfold one after another just as they are written in the Bible The books of Daniel and Revelation and passages from Ezekiel Isaiah Jeremiah Zechariah Matthew and Paul's epistles fit in to make the end time scenario very vivid The timelines show what is about to happen You will find the answers to questions such as When is the rapture of the Church and the Second Coming of Jesus Christ What connection has the current rise of terrorism with the last days Is America in prophecy Then you will read in detail the coming

Gog's war against Israel and how GOD defends his chosen people. You will know the identity of the revived Roman Empire and find a new interpretation of the Great Tribulation. And finally you will feel the drama of the return of Jesus King of kings and Lord of lords.

A Prophecy of Empire Christopher J. Bonura, 2025. The Apocalypse of Pseudo Methodius was one of the medieval world's most popular and widely translated texts. Composed in Syriac in Mesopotamia in the seventh century, this supposed revelation presented a new salvific role for the Roman Empire whose last emperor it prophesied would help bring about the end of the ages. In this first book-length study of Pseudo Methodius, Christopher J. Bonura uncovers the underappreciated Syriac origins of this apocalyptic tract, revealing it as a remarkable response to political realities faced by Christians living under a new Islamic regime. Tracing the spread of Pseudo Methodius from the early medieval Mediterranean to its dissemination via the printing presses of early modern Europe, Bonura then demonstrates how different cultures used this new vision of empire's role in the end times to reconfigure their own realities. The book also features a new complete and annotated English translation of the Syriac text of Pseudo Methodius.

Death Is at Your Door Are You Ready? Randy Thomas, 2007-08-01. If only death were that simple, wouldn't we all live differently if we knew exactly when death would come knocking on our door? Most of us think that we have a whole lot of years left before we even have to start thinking about death. What if I could prove to you that not only is the time of death's visitation rapidly approaching for us all, but that his foot is already in the door? What if I could show you signs that were written thousands of years ago that warn us that we are about to enter into a time of unparalleled death and devastation that make all previous such events pale by comparison? Would knowing what is going to happen tomorrow change how you live today? Today just may be the most important day of your life. The things that you are about to read will most assuredly impact you for the rest of your life. Death is at your door, doom is just around the corner, and uncertainty is all around us, but just beyond the horizon lays hope.

The Prophets Lonnie Martin, 2017-06-19. This is the Prophets part of The Word of Elohim. It's the real name for the Old Testament. The Bible is really 2 volumes: The Word of Elohim (God) and the Testimony of Yeshua. This would print out in typical book format into 4 good-sized volumes. The Word of Elohim is either the Old Testament text or spoken or the person of Yeshua (Jesus' period). So to be precise, this is the Prophets portion of the Gabriel Bible version of The Word of Elohim. So every Bible contains The Word of Elohim; the translators just don't seem to know it. The Bible is the Word of Elohim AND the Testimony of Yeshua COMBINED. See Revelation 1:2-9. Of the verses in this version, you would be hard-pressed to find any verse other than perhaps the most basic, exactly like that of any other version. My New Testament is also finished. Yeshua and His followers never said anything about an Old Testament. He always referred to it as either The Word of Elohim or Aloha in His native Aramaic or the Scriptures.
