**Celebrating the Dawn** Bob Oates, 1976      **Maharishi Mahesh Yogi's Transcendental Meditation** Robert Roth, 1987-12-01      A Wave on the Ocean Jon Michael Miller, 2006-11-22 Jon Michael Miller was a superstar in the TM Movement at the height of its popularity in the seventies. It attracted celebrities such as the Beatles, Clint Eastwood, Jim Hensen, and the Beach Boys. Miller's memoir traces his spiritual development as it evolved in a complicated love affair with a beautiful enigmatic woman. It explores his childhood, his youth, and his intellectual progress. He was a devotee of Maharishi Mahesh Yogi and of his teachings as he searched for answers to the difficult questions of love and betrayal in his life. The answers he found have sustained him. This is his story.      Maharishi Mahesh Yogi - A Living Saint for the New Millennium Theresa Olson, 2004. Forty years ago in May of 1959, His Holiness Maharishi Mahesh Yogi first visited the United States of America. It seems only fitting to bring out a commemorative edition of the book written by my mother in 1967 wherein she described the adventures of Maharishi's first summer in this country. It is a book so like Maharishi, a tender story told simply about a great man with a superhuman goal. During these forty years, I have had the opportunity to quietly witness this great man going about the manifestation of a phenomenal vision, a vision based on the principle that everyone should naturally and innocently live 200 percent of life, one hundred percent inner spiritual joy along with one hundred percent outer material satisfaction. Maharishi wanted to bring humankind out of suffering and restore to us our rightful human dignity. He envisioned a world in which its citizens could enjoy a life free from problems, an ideal life based in good, useful, and virtuous thoughts, words, and actions where we could enjoy the blessings of spontaneous good health, excellent and effective systems of education for our children, increased economic prosperity, and improved social well-being on all levels of society where the spiritual ideals of all religions could be realized and lived in daily life, and most importantly where we could live in lasting world peace and real friendship with one another. And Maharishi offered a simple, powerful solution for realizing that goal: an easy, natural, mental technique that he called Transcendental Meditation, which allows anyone to develop his or her full potential while simultaneously nourishing the surrounding environment.      Transcendental Meditation Jack Foreman, 2012-10-08. Transcendental Meditation (TM) is a simple, natural method of allowing the mind to go beyond thoughts and gain access to the silent inner field of creativity, energy, peace, and happiness that is our own essential nature, our Self. Widely known and prescribed by physicians for its powerful stress-reducing effects, TM is much more than that. Maharishi Mahesh Yogi, 1918-2008, who brought TM to the West, said that TM offers any individual not only a gateway to the highest spiritual unfoldment, Enlightenment, but also sound physical and mental health, greater ability in action, a greater capacity to think clearly, increased efficiency in work, and more loving and rewarding relationships with others. Five million TM practitioners around the world, and more than 360 published, peer-reviewed scientific studies, have consistently corroborated these lofty claims. Described as a great book by far, the most comprehensive on the TM Program when it was a bestseller in its original

version Jack Forem's study of TM became a much loved classic This updated edition contains all the features of the original plus much more Clear easy to read diagrams explain scientific research showing TM's beneficial effect on the brain and a broad spectrum of contemporary concerns from health self actualization and development of intelligence to post traumatic stress disorder PTSD attention deficit hyperactivity disorder ADHD and much more In these pages Oprah Winfrey tells how she has offered TM to everyone on her staff Dr Mehmet Oz explains the benefits of TM for heart health School principals describe the dramatically positive effect on their students when TM is introduced in the classroom Interviews with celebrities as well as men and women of every age background and religion provide a lively testimonial to the efficacy of TM in making anyone's life happier healthier and more creative *The Expansion of Happiness* Mack Travis, 2015-04-30
