Maid And The Hangman:

"The Maid" and "The Hangman". Myth and Tradition in a Popular Ballad.... Eleanor R. Long-Wilgus,1971 **The Ballad Book of John Jacob Niles** John Jacob Niles,2014-10-17 A legend in the folk music community John Jacob Niles enjoyed a lengthy career as a balladeer folk collector and songwriter Ever close to his Kentucky roots he spent much of his adulthood searching for the most well loved songs of the southern Appalachia The Ballad Book of John Jacob Niles brings together a wealth of songs with the stories that inspired them arranged by a gifted performer This new edition includes all of the melodies text commentary and illustrations of the 1961 original and features a new introduction by Ron Pen director of the John Jacob Niles Center for American Music at the University of Kentucky **The British Traditional Ballad in North America** Tristram Potter Coffin,Roger deV. Renwick,2014-07-03 Tristram Potter Coffin s The British Traditional Ballad in North America published in 1950 became recognized as the standard reference to the published material on the Child ballad in North America Centering on the theme of story variation the book examines ballad variation in general treats the development of the traditional ballad into an art form and provides a bibliographical guide to story variation as well as a general bibliography of titles referred to in the guide Roger deV Renwick s supplement to The British Traditional Ballad in North America provides a thorough review of all sources of North American ballad materials published from 1963 the date of the last revision of the original volume to 1977 The references which include published text fragments and published title lists of items in archival collections are arranged according to each ballad s story variations Textual and thematic comparisons among ballads in the British and American tradition are made throughout In his introductory essay Renwick synthesizes the various theoretical approaches to the phenomenon of variation that have appeared in scholarly publications since 1963 and provides examples from texts referred to in the bibliographical guide itself The supplement like its parent work is an invaluable reference tool for the study of variation in ballad form content and style Together with the reprinted text of the 1963 edition the supplement provides an exhaustive bibliography to the literature on the British traditional ballad in North America **"The Maid" and "The Hangman"** Eleanor R. Long,1971 **An American Singing Heritage** Norm Cohen,Carson Cohen,Anne Dhu McLucas,2021-12-20 This edition brings together representative transcriptions of folk songs and ballads in the British Irish American oral tradition that have enjoyed widespread familiarity throughout twentieth century America Within are the one hundred folk songs that most frequently occurred in a methodical survey of Roud s Folk Song Index catalogues of commercial early country or hillbilly recordings and relevant archival collections The editors selected sources for transcriptions in a broad range of singing styles and representing many regions of the United States The selections attempt to avoid the biases of previous collections and provide a fresh group of examples many heretofore unseen in print The sources for the transcriptions are recordings of traditional musicians from the 1920s through the early 1940s drawn from 1 commercial recordings of hillbilly musicians and 2 field recordings in the collection of the Library of Congress s

Archive of American Folk Song now part of the Archive of Folk Culture Each transcription is accompanied by a brief contextualizing essay discussing the song s history and influence recording and performance information whenever available and an examination of the tune The edition begins with a substantive essay about the history of folk song recordings and folk song scholarship and the nature of traditional vocal music in the United States *The Traditional Tunes of the Child Ballads, Volume 2* Bertrand Harris Bronson,2015-12-08 Continuing the monumental work begun in Volume I Bertrand Bronson presents here the words and music for Child Ballads 54 through 113 The texts are those established in the famous Child canon of English and Scottish ballads To them Mr Bronson has added more than a thousand variant tunes grouped to show their melodic kinship and the characteristic variations developed in the course of traditional singing and oral transmission Originally published in 1962 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *Collier's* ,1925 **The Hangman's Daughter** Oliver Pötzsch,2011 Taking us back in history to a place where autopsies were blasphemous coffee was an exotic drink dried toads were the recommended remedy for the plague and the devil was as real as anything New York Times bestselling author Oliver Pötzsch s *The Hangman s Daughter* is the rollicking start to an exciting series of historical mysteries bringing to cinematic life the sights sounds and smells of seventeenth century Bavaria telling the engrossing story of a compassionate hangman who will live on in readers imaginations long after they ve put down the novel Magdalena the clever and headstrong daughter of Bavarian hangman Jakob Kuisl lives with her father outside the village walls and is destined to be married off to another hangman s son except that the town physician s son is hopelessly in love with her And her father s wisdom and empathy are as unusual as his despised profession It is 1659 the Thirty Years War has finally ended and there hasn t been a witchcraft mania in decades But now a drowning and gruesomely injured boy tattooed with the mark of a witch is pulled from a river and the villagers suspect the local midwife Martha Stechlin Jakob is charged with extracting a confession from her and torturing her until he gets one Convinced she is innocent Jakob Magdalena and her would be suitor race against the clock to find the true killer Approaching Walpurgisnacht when witches are believed to dance in the forest and mate with the devil another tattooed orphan is found dead and the town becomes frenzied More than one person has spotted what looks like the devil a man with a hand made only of bones The hangman his daughter and the doctor s son face a terrifying and very real enemy *Traditional Songs from Quebec for English-Speakers* Josie Barbara Mendelsohn,2012-03-05 *Traditional Songs from Quebec for English Speakers* is a collection of 25 hand picked powerful and gorgeous songs They range from rousing and rollicking to exquisite and heartbreaking and from widely known to rare gems
