is supreme John Banville Certain details of the case were etched more sharply than others in Maigret's memory Even years later he could recall the particular taste and smell of the rain shower in Rue Caulaincourt as keenly as a childhood memory At a dinner party Maigret recounts an old case in which Adrien Josset is found guilty and executed for the murder of his wife Christine As the case develops under the controlling hand of the magistrate all clues point to Josset's guilt yet Maigret is left unconvinced following his one interview with him Years after the case Maigret still doubts the true identity of the murderer This novel has been published in a previous translation as Maigret Has Doubts One of the greatest writers of the twentieth century Simenon was unequalled at making us look inside though the ability was masked by his brilliance at absorbing us obsessively in his stories Guardian Becoming Inspector Chen Qiu Xiaolong, 2021-02-01 Inspector Chen is excluded from a poetry case as he awaits possible disciplinary action leaving him to reflect on his career but does his past hold a clue to the poetry case After a number of grueling cases Chief Inspector Chen is facing mounting pressure from his superiors many of whom are concerned with where his loyalties lie What's more he is excluded from an investigation into an incendiary poem

posted on an online forum Wracked with self doubt and facing an anxious wait to discover the fate of his career Chen is left to reflect on the events that have led to where he is now from his amateur investigations as a child during the Cultural Revolution to his very first case on the Shanghai Police Force Has fighting for the Chinese people and the morals he believes in put him in conflict with the Party Why is he being kept away from the new case As well as his career is his life now also at risk

Maigret's World Murielle Wenger, Stephen Trussel, 2017-09-13 Georges Simenon's 75 novels and 28 short stories that feature Chief Inspector Jules Maigret provide us with a great deal of information about the French police detective but only in small episodic doses As readers become acquainted with Maigret one detail at a time he slowly takes on a flesh and bone realism not merely a character in a story but someone we would like to meet in real life This book presents all the canonical facts and details about the detective and his world in one place presented with tabulations and analyses that enable a better understanding of the works and of Maigret himself

Metropolitain Andrew Martin, 2023-07-20 An utterly enjoyable voyage under Paris THE OLDIE Delightful and diverting Martin is the most unpretentious and companionable of guides the book is great fun LITERARY REVIEW An eclectic blend of engineering and travelogue urban planning and anecdote a sincere love letter THE ECONOMIST Andrew Martin has been described as the laureate of railways having written many books with railway themes Metropolitain An Ode to the Paris Metro is the first English history of the Metro for the general reader Metropolitain is as stylish as the Metro itself and laced with cultural references Andrew explains why Last Tango in Paris is a great Metro film and what the Metro chase scene in the classic thriller Le Samourai says about Parisian culture We also meet Andrew's half English half French friend Julian who runs a society dedicated to Metro history He tells Andrew A Metro station is like the

wine cellar of chateau which is a very nice thing to be reminded of The book takes the reader on a constant tour of Paris both underground and over But Paris and the Metro is changing undergoing a huge expansion This and the imminence of the Paris Olympics make this a timely title
