Maigret Et L'affaire Nahour. Roman Georges Simenon,1966      Maigret and the Nahour Case Georges

Simenon,2019-11-05 A writer as comfortable with reality as with fiction with passion as with reason John Le Carr When a gambler is discovered dead in his home a coincidence at the scene sends Inspector Maigret down a twisted path of secrets and lies in search of a killer Maigret receives an urgent call in the middle of the night from a doctor friend who says he has just treated a wealthy woman for a suspicious gunshot wound Not long after Maigret is called to the home of professional gambler Felix Nahour who has just been found by his chambermaid shot dead The inspector is shocked to find that he recognizes a photo of the man s wife who quickly becomes his main suspect All signs point to her guilt but as he digs deeper Maigret begins to infer there might be more to this complicated affair Suspenseful and terrifically sinister Maigret and the Nahour Case is a masterful exploration of the twin passions of love and hate as they mingle in the shadowy mind of a criminal

Trussel,2017-09-13 Georges Simenon s 75 novels and 28 short stories that feature Chief Inspector Jules Maigret provide us with a great deal of information about the French police detective but only in small episodic doses As readers become acquainted with Maigret one detail at a time he slowly takes on a flesh and bone realism not merely a character in a story but someone we would like to meet in real life This book presents all the canonical facts and details about the detective and his world in one place presented with tabulations and analyses that enable a better understanding of the works and of Maigret himself      **Maigret and the Nahour Case** Georges Simenon,Alastair Hamilton,1974      **Sequels** Janet G.

**Investigating Simenon** Russell Campbell,2022-10-04 For nearly a century the work of Belgian crime writer and psychological novelist Georges Simenon creator of Chief Inspector Maigret has captivated readers worldwide This investigation situates Simenon s work in its historical context and interprets it as a reaction to shifting gender relations in Western society Simenon s compelling narratives capture the anxieties of men whose patriarchal position was under threat in an era of insurgent feminist movements These concerns are also evident in Simenon s pervasive preoccupation with sexuality as well as his political stance that stems from his petit bourgeois upbringing This groundbreaking study includes interwoven commentary on all 191 novels Simenon published under his own name including several that have never been translated into English as well as a number of short stories and several pseudonymous works *The National Union Catalogs, 1963- ,1964*
