## Mail Order Magic:

**Popular Magic** Joseph Dunninger, 1926      *Magic* Owen Davies, 2012-01-26 Defining magic is a maddening task Over the last century numerous philosophers anthropologists historians and theologians have attempted to pin down its essential meaning sometimes analysing it in such complex and abstruse depth that it all but loses its sense altogether For this reason many people often shy away from providing a detailed definition assuming it is generally understood as the human control of supernatural forces Magic continues to pervade the popular imagination and idiom People feel comfortable with its contemporary multiple meanings unaware of the controversy conflict and debate its definition has caused over two and a half millennia In common usage today magic is uttered in reference to the supernatural superstition illusion trickery religious miracles fantasies and as a simple superlative The literary confection known as magical realism has considerable appeal and many modern scientists have ironically incorporated the word into their vocabulary with their magic acid magic bullets and magic angles Since the so called European Enlightenment magic has often been seen as a marker of primitivism of a benighted earlier stage of human development Yet across the modern globalized world hundreds of millions continue to resort to magic and also to fear it Magic provides explanations and remedies for those living in extreme poverty and without access to alternatives In the industrial West with its state welfare systems religious fundamentalists decry the continued moral threat posed by magic Under the guise of neo Paganism its practice has become a religion in itself Magic continues to be a truly global issue This Very Short Introduction does not attempt to provide a concluding definition of magic it is beyond simple definition Instead it explores the many ways in which magic as an idea and a practice has been understood and employed over the millennia ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

**Delivering Happiness** Tony Hsieh, 2010-06-07 Successfully grow your business and improve customer and employee happiness with this New York Times bestseller book written by the CEO of Zappos As the CEO of one of Fortune Magazine's Best Companies to Work For Tony Hsieh knows that keeping people happy is the key to professional growth and harmony It might sound crazy but Hsieh believes that we can prioritize company culture make money and change the world In Delivering Happiness he shares the tools of the trade he's learned in business and life from starting a worm farm to running a pizza business to working at Zappos a company so impressive that Amazon acquired it for over 1.2 billion Fast paced and down to earth Delivering Happiness shows how a different kind of corporate culture is a powerful model for achieving success and concentrating on the happiness of those around you can dramatically increase your own      *Self Publishing*, 2012-07-15 Profits from Pages Self publishing is a fast growing industry and bookstores and consumers alike now acknowledge the value of self published books In this valuable guide industry experts coach you in becoming a player in the

*Herbal and Magical Medicine* James Kirkland,1992-01-30 Herbal and Magical Medicine draws on perspectives from

folklore anthropology psychology medicine and botany to describe the traditional medical beliefs and practices among Native Anglo and African Americans in eastern North Carolina and Virginia In documenting the vitality of such seemingly unusual healing traditions as talking the fire out of burns wart curing blood stopping herbal healing and rootwork the contributors to this volume demonstrate how the region s folk medical systems operate in tandem with scientific biomedicine The authors provide illuminating commentary on the major forms of naturopathic and magico religious medicine practiced in the United States Other essays explain the persistence of these traditions in our modern technological society and address the bases of folk medical concepts of illness and treatment and the efficacy of particular practices The collection suggests a model for collaborative research on traditional medicine that can be replicated in other parts of the country An extensive bibliography reveals the scope and variety of research in the field Contributors Karen Baldwin Richard Blaustein Linda Camino Edward M Croom Jr David Hufford James W Kirland Peter Lichstein Holly F Mathews Robert Sammons C W Sullivan III

*The Real Bettie Page* Richard Foster, 2019-06-25 Scrupulously researched An eloquent fan Foster brings insight into Page s recent revival as a sex symbol Entertainment Weekly TWENTIETH ANNIVERSARY EDITION UPDATED BY THE AUTHOR WITH A NEW EPILOGUE She has been called the most photographed model in history From her modest beginnings in Nashville to her legacy as a cult figure here is the true story of America s iconic pinup queen legendary Playboy centerfold Bettie Page including her stormy marriages her trial for attempted murder and her decade long isolation in a California mental institution During the 1950s Bettie set hearts ablaze with her killer curves and girl next door smile Yet at the height of her popularity with a promising acting career before her she walked away For more than thirty years Bettie stayed hidden from the public eye though she lived on in her fans memories much like Marilyn Monroe and James Dean Journalist Richard Foster became the first reporter to contact Page during her long absence and the first to tell her full story Using interviews with those who knew her and filled with uncommon knowledge and insights The Real Bettie Page reveals both the fun flirt and fashion forward counter culture icon whose style continues to inspire today as well as the intriguing and complex flesh and blood woman behind her smiling photos Includes classic and rare color and black and white photos

**African American Folklore** Anand Prahlad, 2016-08-08 African American folklore dates back 240 years and has had a significant impact on American culture from the slavery period to the modern day This encyclopedia provides accessible entries on key elements of this long history including folklore originally derived from African cultures that have survived here and those that originated in the United States Inspired by the author s passion for African American culture and vernacular traditions African American Folklore An Encyclopedia for Students thoroughly addresses key elements and motifs in black American folklore especially those that have influenced American culture With its alphabetically organized entries that cover a wide range of subjects from the word conjure to the dance style of twerking this book provides readers with a deeper comprehension of American culture through a greater understanding of the contributions of African American culture and black folk traditions

This book will be useful to general readers as well as students or researchers whose interests include African American culture and folklore or American culture. It offers insight into the histories of African American folklore motifs, their importance within African American groups, and their relevance to the evolution of American culture. The work also provides original materials such as excerpts from folktales and folksongs and a comprehensive compilation of sources for further research that includes bibliographical citations as well as lists of websites and cultural centers.

*Start Your Own Self Publishing Business* Entrepreneur Press, Cheryl Kimball, 2012-06-01. Plus a quick reference guide to every step in the publishing process helps you along your way.

**Management Aids**, 19?? **Mojo Workin'** Katrina Hazzard-Donald, 2012-12-30. A bold reconsideration of Hoodoo belief and practice. Katrina Hazzard Donald explores African Americans' experience and practice of the herbal healing folk belief tradition known as Hoodoo. She examines Hoodoo culture and history by tracing its emergence from African traditions to religious practices in the Americas. Working against conventional scholarship, Hazzard Donald argues that Hoodoo emerged first in three distinct regions she calls regional Hoodoo clusters, and that after the turn of the nineteenth century, Hoodoo took on a national rather than regional profile. The spread came about through the mechanism of the African Religion Complex, eight distinct cultural characteristics familiar to all the African ethnic groups in the United States. The first interdisciplinary examination to incorporate a full glossary of Hoodoo culture. **Mojo Workin'** The Old African American Hoodoo System lays out the movement of Hoodoo against a series of watershed changes in the American cultural landscape. Hazzard Donald examines Hoodoo material culture, particularly the High John the Conquer root which practitioners employ for a variety of spiritual uses. She also examines other facets of Hoodoo, including rituals of divination such as the walking boy and the Ring Shout, a sacred dance of Hoodoo tradition that bears its corollaries today in the American Baptist churches. Throughout, Hazzard Donald distinguishes between Old tradition, Black Belt Hoodoo, and commercially marketed forms that have been controlled, modified, and often fabricated by outsiders. This study focuses on the hidden system operating almost exclusively among African Americans in the Black spiritual underground.

Mail Order Magic Herman Holtz, 1983 **The Wizardry of Jewish Women** Gillian Polack, 2021-12-19. Pink

tutus magic sarcasm amulets and bushfires this is suburban fantasy in Australia Life is never quite what it seems even without the lost family heritage delivered to Judith and Belinda Judith wants an ordinary life mostly If Belinda weren t Judith s sister and if it wasn t for bushfires and bigots Belinda s life would be perfectly ordinary Judith will tell you so you don t even have to ask Belinda s friend Rhonda has a superpower Each time she sees the future or reveals deep secrets seekers for the New Nostradamus come closer to destroying her life Her hold on normalcy is very fragile so is her hold on safety Judith and Rhonda are haunted Judith by her past and Rhonda by her gift Will they ever come into the sunshine and find happiness

**Enchanted Australia Collection** Gillian Polack,2022-06-21 All three books in Gillian Polack s Enchanted Australia series of contemporary fantasy novels now in one volume The Time Of The Ghosts Ghosts trail after us They are our fears and the shape of our hates Poltergeists and the spirits of drowned girls malicious presences and portents cat vampires and roaming bushrangers These ghosts haunt Canberra and it takes four women one cup of tea at a time to face them But can they take down the darkness and keep the city streets clear of danger The Wizardry Of Jewish Women Pink tutus magic sarcasm amulets and bushfires this is suburban fantasy in Australia Judith and Rhonda are haunted Judith by her past and Rhonda by her gift Will they ever come into the sunshine and find happiness The Art Of Effective Dreaming Fay invented a world of fantasy where she could dwell in happiness Visiting her friends in this perfect world she shaped their lives her dreams a flicker away from reality After Gilbert turns up in her refuge undesigned unheralded and disturbing Fay s dream world shatters But are her dreams really dreams and should she leave her friends behind and live in the real world

**Human Sacrifice and the Supernatural in African History** Mbogoni, Lawrence E.Y.,2013-11-03 Since time immemorial human beings the world over have sought answers to the vexing questions of their origins sickness death and after death the meaning of natural phenomena such as earthquakes eclipses of the sun and moon birth of twins etc and how to protect themselves from such mysterious events They invented God and gods and the occult sciences witch craft divination and soothsaying in order to seek the protection of supernatural powers while individuals used them to gain power to dominate others and to accumulate wealth Human sacrifice was one way in which they sought to expiate the gods for what they believed were punishments for their transgressions One example the Ghana Asante Kingdom s very origins are associated with human sacrifice On the eve of war against Denkyira individuals volunteered themselves to be sacrificed in order to guarantee victory Later human sacrifice in Asante was mainly politically motivated as kings and religious leaders offered human sacrifice in remembrance of their ancestral spirits and to seek their protection against their enemies The Asante Kingdom is one of several examples included in this study of human sacrifice and ritual killing on the African continent Case studies include practices in Sierra Leone Tanzania Mainland Zanzibar Uganda and Swaziland Advertisements relating to the occult was a common feature of Drum magazine the popular South African magazine in Southern Eastern and Central Africa in late years of colonial and early years of postcolonial periods indicating a wide belief in these practices

among the people in these countries Each case examined is introduced by an expose of folklore that puts in perspective beliefs in the supernatural and how folklore continues to perpetuate them Through careful study of these select cases this book highlights general features of human sacrifice which recur with striking uniformity in all parts of sub Saharan Africa and why they persist until today He draws upon extensive written sources to expose these practices in other cultures including those in Western societies

**Conjure in African American Society** Jeffrey E. Anderson, 2008-08 From black sorcerers client based practices in the antebellum South to the postmodern revival of hoodoo and its tandem spiritual supply stores the supernatural has long been a key component of the African American experience What began as a mixture of African European and Native American influences within slave communities finds expression today in a multimillion dollar business In *Conjure in African American Society* Jeffrey E Anderson unfolds a fascinating story as he traces the origins and evolution of conjuring practices across the centuries Though some may see the study of conjure as a perpetuation of old stereotypes that depict blacks as bound to superstition the truth Anderson reveals is far more complex Drawing on folklore fiction and nonfiction music art and interviews he explores various portrayals of the conjurer backward buffoon rebel against authority and symbol of racial pride He also examines the actual work performed by conjurers including the use of pharmacologically active herbs to treat illness psychology to ease mental ailments fear to bring about the death of enemies and acquittals at trials and advice to encourage clients to succeed on their own By critically examining the many influences that have shaped conjure over time Anderson effectively redefines magic as a cultural power one that has profoundly touched the arts black Christianity and American society overall
