Ashcroft, 2015-12-15 What we think about matters Our thoughts inspire guide and control our actions Yet we often focus more upon eliminating bad behavior than rejecting bad thoughts Our Lord Jesus places priority on cleansing our inner nature before addressing outward actions Mt 23 26 This book is written to help Christians focus on their thought life as a means of honoring God God s Word is a great source of guidance in dealing with what we think In these simple Scriptural meditations the author has sought to help believers to take every thought captive to obey Christ 2 Cor 10 5b It is a book for anyone who has struggled with their thought life and desires victory over the content of their minds Myths of the Rune Stone David M. Krueger, 2015-10-01 What do our myths say about us Why do we choose to believe stories that have been disproven David M Krueger takes an in depth look at a legend that held tremendous power in one corner of Minnesota helping to define both a community s and a state s identity for decades In 1898 a Swedish immigrant farmer claimed to have discovered a large rock with writing carved into its surface in a field near Kensington Minnesota The writing told a North American origin story predating Christopher Columbus s exploration in which Viking missionaries reached what is now Minnesota in 1362 only to be massacred by Indians The tale s credibility was quickly challenged and ultimately undermined by experts but the myth took hold Faith in the authenticity of the Kensington Rune Stone was a crucial part of the local Nordic identity Accepted and proclaimed as truth the story of the Rune Stone recast Native Americans as villains The community used the account as the basis for civic celebrations for years and advocates for the stone continue to promote its validity despite the overwhelming evidence that it was a hoax Krueger puts this stubborn conviction in context and shows how confidence in the legitimacy of the stone has deep implications for a wide variety of Minnesotans who embraced it including Scandinavian immigrants

Catholics small town boosters and those who desired to commemorate the white settlers who died in the Dakota War of 1862 Krueger demonstrates how the resilient belief in the Rune Stone is a form of civil religion with aspects that defy logic but illustrate how communities characterize themselves He reveals something unique about America s preoccupation with divine right and its troubled way of coming to terms with the history of the continent s first residents By considering who is included who is left out and how heroes and villains are created in the stories we tell about the past Myths of the Rune Stone offers an enlightening perspective on not just Minnesota but the United States as well Modern Christianity Corrupted Bob Klingenberg,Robert Klingenberg,2012-06-08 The roots of an insidious Religious Humanism have for some time now steadily been growing deeper and deeper and taking a firm hold in the modern Christian Church in America and across the world The lethality of this rooting is that Religious Humanism is filled with false teachings which are historically known as heresies **The God's Carnival** Norma Lorimer,1916 *God's Code* Aldivan Torres,Vidente,2024-08-22 God s code tells an adventure of friends in the wilderness and its objective is to lead the reader to a reflection on how to conduct their relationship with God and whether both parties are satisfied The central point The story of Philip places us in front of important questions of our faith such as believing in God even in the crises pains and tragedies of life The unfolding of history the lived experiences the actions of Yahweh form an interesting set of elements that aim to give a lesson to all those who like Philip lost the way of life leading them to a new stage capable of giving them the necessary strength to continue living and taking advantage of existence in the best viable way **The Forest Gods' Reign** Alexandria Hook,2015-05-15 An epic adventure fantasy in which a group of teenage friends discover they are actually Greek gods training for a future war He stays Those two simple words would seal the fates of more than a dozen teenagers Six years earlier Ashley and her friends discovered they were reincarnations of the Greek gods when they survived a trip into the deadly forest and received a prophecy foretelling a war in their future They had six years to prepare to make sense of the prophecy Ashley thought six years would be enough But it wasn t even close Nothing in the gods tiny town or their beloved forest could have prepared them for the sudden problems that arise after the arrival of a mysterious teenage boy a human The gods all know he s dangerous but only Ashley aka Athena the goddess of wisdom and war knows there is more to this boy s destiny And she has sworn to keep it a secret Unfortunately Lord Hades the ruler of the Underworld and his monster assassins don t give the other gods much time to get to the truth Now the gods and the hero in training have no choice but to work together with a corrupt society to defend to the death their once carefree reign Who Made God? abuse especially in the form of child pornography prostitution and being used for snuff films These abuse victims are often so brainwashed that they dont dare speak out And while there are those who would like to ignore the connections between abuse and satanic forces the fact remains that abuse is not something promoted in scripture The believer is told to care for the helpless and to lift up the fallen not knock them down and beat them up In homes where children are abused they often grow up to become adults who struggle with relationships authority figures and problem solving Worse abused children often become adult abusers thus perpetuating the problem Studies have also found that children who see their mother abused are more likely to develop PTSD post traumatic stress disorder Also interesting is that there is now a correlation between childhood domestic violence and adult health conditions like arthritis ischemic heart disease IHD chronic obstructive pulmonary disease COPD liver disease irritable bowel syndrome chronic pain pelvic pain ulcers and migraines Psychological challenges include depression severe anxiety panic attacks and a feeling of worthlessness As you read Ivys story you will discover that she could easily be the poster child for domestic violence She spent fifteen years living in a situation where mental physical emotional and sexual abuse was part of her daily life She then entered a marriage that ultimately albeit differently was more of the same But Ivys story does not end as it began She heard about a Savior who loved her unconditionally And while initially Ivy did not understand her Saviors love in time she learned the meaning of real love and acceptance As you read her story you will see how she looked and worked to eventually overcome the challenges brought on by domestic abuse If you have been abused or know someone who is or has been in an abusive situation then Ivys story can help It will provide hope and help as you see that while domestic abuse is horrific there is One who can overcome the hold abuse has on a persons life Dont let abuse keep you or a loved one from enjoying life Take the step now to begin the first day of the rest of your life Metadata Surviving domestic violence does not come easy Shielded by Gods Power reminds us that domestic violence can be overcome by real love Robert Southey, The Life of Wesley; and the Rise and Progress of Methodism Tim Fulford, 2022-05-30 The Life of Wesley was one of Southey s most influential and bestselling works It was the first biography of John Wesley the major figure in the largest religious movement of the eighteenth century to be published by anyone beyond the Methodist community In addition it was a major history of the rise of a phenomenon that Southey and many others saw as a defining sign of contemporary history the rise of sectarianism and of religious cults This two volume edition will represent the full text of the 1820 edition It will include a comprehensive critical apparatus that will make sense of the major issues posed by the text and how it contributes to studies of both Southey and Romanticism The edition will feature a critical and contextual introduction which will set out the origins and composition of the text together with its publication history as well as offer a carefully considered view of the interplay between the Life and other biographies of Wesley and accounts of Methodism bringing into view the wide array of sources and influences Southey drew from It will also examine the book s reception history incorporating material from reviews of the period and detailing the controversy it

caused in the Methodist community **Disappointment with God** Philip Yancey, 2009-05-18 Is God Unfair Is God Silent Is God Hidden These questions are asked with piercing honesty and biblical certainty Step by step Philip Yancey retraces the long journey toward understanding the answers to these and other questions If God desires our love why does he sometimes put obstacles in the way Why does he seem so distant What can we expect from him after all No part of the Bible goes unstudied in the author's search for God's hidden nature in this compelling and profound book A Gold Medallion Award winner Disappointment with God has had an overwhelming impact on many lives it can change yours *The Mind's Eye* Alan Krohn, 2025-09-01 Set during the short dark days of a Michigan winter in the mid 90 s the story takes us into the mind of Dr Ivan Weiss a gifted but troubled psychoanalyst Weiss life is disintegrating His daughter was recently raped worries about his wife's fidelity which had plagued him in the past are resurfacing and the clinic he directs is facing a sexual harassment charge When his wife disappears leaving an enigmatic note and his daughter goes missing his world totally flies apart The story ranges from the quiet of a psychoanalytic consulting room in Ann Arbor to the south of France to a police chase in the devastated areas of downtown Detroit many years before its recent rebirth It is about the present and the secrets from the past The Mind's Eye allows the reader even if unfamiliar with psychoanalysis to see how an analyst works and thinks in the challenging humanistic effort to relieve psychic torment through understanding It is a powerful experience you will not soon forget I strongly recommend it to all students of the human condition It has the initial appearance of a compelling mystery story but as the story develops the reader discovers that it is really about deep universal human issues which are at the heart of all enduring literature It is about the lives and passions of several psychoanalysts their families and their patients in a Midwest college town I eagerly await his next novel Marvin Margolis M D Ph D Past President of the American Psychoanalytic Association Remarks on "God's Principle of Unity, in reply to the Rev.
