Bowker's Complete Video Directory ,2000 *Film & Video Finder* ,1989 *A Patriot's History of the United States*
Larry Schweikart,Michael Allen,2014-11-25 For the past three decades many history professors have allowed their biases to distort the way America s past is taught These intellectuals have searched for instances of racism sexism and bigotry in our history while downplaying the greatness of America s patriots and the achievements of dead white men As a result more emphasis is placed on Harriet Tubman than on George Washington more about the internment of Japanese Americans during World War II than about D Day or Iwo Jima more on the dangers we faced from Joseph McCarthy than those we faced from Josef Stalin A Patriot s History of the United States corrects those doctrinaire biases In this groundbreaking book America s discovery founding and development are reexamined with an appreciation for the elements of public virtue personal liberty and private property that make this nation uniquely successful This book offers a long overdue acknowledgment of America s true and proud history *The Bicentennial of the United States of America* American Revolution Bicentennial Administration,1977 **Merchant Vessels of the United States** ,1989 *Guide to America; a Treasury of Information about Its States, Cities, Parks, and Historical Points of Interest* ,1947 *American State Papers* United States.
