# Mainland Haole The White Experience In Hawaii

**Diane Smith, James R. Smith**

## **Mainland Haole The White Experience In Hawaii:**

**The Mainland Haole** Elvi W. Whittaker, 1986      **Haoles in Hawaii** Judy Rohrer, 2010-07-22 Haoles in Hawaii i strives to make sense of haole white person whiteness in Hawaii i and the politics of haole in current debates about race in Hawaii i Recognizing it as a form of American whiteness specific to Hawaii i the author argues that haole was forged and reforged over two centuries of colonization and needs to be understood in that context Haole reminds us that race is about more than skin color as it identifies a certain amalgamation of attitude and behavior that is at odds with Hawaiian and local values and social norms By situating haole historically and politically the author asks readers to think about ongoing processes of colonization and possibilities for reformulating the meaning of haole For more information on Haoles in Hawaii visit <http://haolesinhawaii.blogspot.com>

**The Peopling of Hawaii** Eleanor C. Nordyke, 1989-05-01 Hawaii s growth and its outlook for the future are viewed in light of recent demographic data and current events and trends in the completely revised and updated edition of *The Peopling of Hawaii* With simplicity and candor author Eleanor Nordyke describes how Hawaii was settled first by Polynesians and later by successive waves of new arrivals from nations in the Americas Europe Asia and the Pacific Nordyke presents a concise analysis of current demographic data accompanied by discussions of each major ethnic group Well illustrated with photos and graphics along with a complete appendix of statistical tables the second edition of *The Peopling of Hawaii* presents the fascinating history of an island state s population and underlines Hawaii s greatest challenge how to share the finite resources of a fragile island environment Foreword by Robert C Schmitt

**American Studies** Jack Salzman, 1990-05-25 This volume supplements the acclaimed three volume set published in 1986 and consists of an annotated listing of American Studies monographs published between 1984 and 1988 There are more than 6 000 descriptive entries in a wide range of categories anthropology and folklore art and architecture history literature music political science popular culture psychology religion science and technology and sociology

*Hawai'i Politics and Government* Richard C. Pratt, Zachary Alden Smith, 2000-01-01 Hawaii i is in many ways the most unique of the American states Distinguished by its unusual beauty ethnic diversity and lingering image as a paradise Hawaii i is special for other important but less apparent reasons It is the only American state to have evolved from a kingdom the only state with no jurisdictions below the level of county the only state in which Caucasians have never been in the majority and the only state whose historic identity and contemporary relationships are as much with Asia and the Pacific as with the rest of the United States The nature and trajectory of Hawaiian politics spring from the interaction of these unique elements with more traditional American cultural practices institutions and political processes Also shaping past and present politics are multiple collisions among Native Hawaiians western missionaries and businessmen and Asian immigrants Hawaii i Politics and Government brings together information on historical development ethnic relations public institutions political culture and current issues to discover both the similarities and the differences between Hawaii i and the rest of the country

Postcolonial America C. Richard

King, 2000 Scholars from a wide array of disciplines describe and debate postcolonialism as it applies to America in this authoritative and timely collection Investigating topics such as law and public policy immigration and tourism narratives and discourses race relations and virtual communities Postcolonial America clarifies and challenges prevailing conceptualizations of postcolonialism and accepted understandings of American culture Advancing multiple even conflicted visions of postcolonial America this important volume interrogates postcolonial theory and traces the emergence and significance of postcolonial practices and precepts in the United States Contributors discuss how the unique status of the United States as the colony that became a superpower has shaped its sense of itself They assess the global networks of inequality that have displaced neocolonial systems of conquest exploitation and occupation They also examine how individuals and groups use music the Internet and other media to reconfigure reinvent and resist postcoloniality in American culture Candidly facing the inherent contradictions of the American experience this collection demonstrates the patterns connections and histories characteristic of postcoloniality in America and initiates important discussions about how these conditions might be changed

Oh, Say, Can You See? Kathy E. Ferguson, Phyllis Turnbull, 1999 Everywhere you look in Hawai i you might see the military And yet in daily life few residents see the military at all it is hidden in plain sight This paradox of invisibility and visibility is the subject of Oh Say Can You See which maps the power relations involving gender race and class that define Hawai i in relation to the national security state Authors Kathy E Ferguson and Phyllis Turnbull locate and excavate cemeteries memorials monuments and museums to show how the military constructs its gendered narrative upon prior colonial discourses Among the sites considered are Fort DeRussy Pearl Harbor and Punchbowl Cemetery This semiotic investigation of ways the military marks Hawai i necessarily explores the intersection of immigration colonialism military expansion and tourism on the islands Attending to the ways in which the military represents itself and others represent the military the authors locate the particular representational elements that both conceal and reveal the military s presence and power

**Struggles over Difference** Yoshiko Nozaki, Roger Openshaw, Allan Luke, 2012-02-01 Winner of the 2006 AERA Division B Outstanding Book Award Struggles over Difference addresses education schools textbooks and pedagogies in various countries of the Asia Pacific offering critical curriculum studies and policy analyses of national and regional educational systems These systems face challenges linked to new economic formations cultural globalization and emergent regional and international geopolitical instabilities and conflicts Contributors offer insights on how official knowledge text discourse and discipline should be shaped who should shape it through which institutional agencies it should be administered and social and cultural practices through which this should occur The book disrupts popular myths about education in this part of the world including base suppositions about the other that Asian pedagogy is exclusively rote learning that educational systems and governments here are faced with classical developing country issues and that institutional and state formation in the region can be assessed on a North West or left right continuum The essays not only map and reframe issues

of difference for those who work in education in the Asia Pacific but also illuminate critical issues of curriculum and policy for teachers students teacher educators and researchers worldwide      **Australian Beach Cultures** Douglas Booth,2012-12-06 Australians are surrounded by beaches But this enclosure is more than a geographical fact for the inhabitants of an island continent the beach is an integral part of the cultural envelope This work analyzes the history of the beach as an integral aspect of Australian culture      **The Ambiguous Legacy** Michael J. Hogan,1999-11-13 This collection of essays assesses the record of American foreign policy over the course of the twentieth century The essays comprise the work of political scientists as well as historians conservatives as well as liberals foreign scholars as well as Americans Taking off from Henry Luce s vision of an American century the authors discuss such important topics as the American conception of the national interest the tension between democracy and capitalism the US role in both the developed and underdeveloped worlds party politics and foreign policy the significance of race in American foreign relations and the cultural impact of American diplomacy on the world at large The result is a lively collection of essays by authors who often disagree but who nonetheless provide the reader with keen insights about the past and provocative views of the future      *Cultureshock! Hawai'i* Brent Massey,2008-06-27      **The Columbia Guide to Asian American History** Gary Y. Okihiro,2005-03-30 Offering a rich and insightful road map of Asian American history as it has evolved over more than 200 years this book marks the first systematic attempt to take stock of this field of study It examines comments and questions the changing assumptions and contexts underlying the experiences and contributions of an incredibly diverse population of Americans Arriving and settling in this nation as early as the 1790s with American born generations stretching back more than a century Asian Americans have become an integral part of the American experience this cleverly organized book marks the trajectory of that journey offering researchers invaluable information and interpretation Part 1 offers a synoptic narrative history a chronology and a set of periodizations that reflect different ways of constructing the Asian American past Part 2 presents lucid discussions of historical debates such as interpreting the anti Chinese movement of the late 1800s and the underlying causes of Japanese American internment during World War II and such emerging themes as transnationalism and women and gender issues Part 3 contains a historiographical essay and a wide ranging compilation of book film and electronic resources for further study of core themes and groups including Chinese Japanese Filipino Hmong Indian Korean Vietnamese and others      Historical Dictionary of Polynesia Robert D. Craig,2002 Alphabetically arranged entries ranging in length from a paragraph to several pages describe the important people food native animals politics history and culture of Polynesia which is made up of more than a dozen countries including American Samoa French Polynesia Hawaii New Zealand and Tonga The book includes a four page list of acronyms an extensive chronology and appendices with the names of Polynesian islands and lists of political rulers of the various states through history Author Craig emeritus history Alaska Pacific U has created several other dictionaries on Oceania Polynesian mythology and Hawaii Annotation copyrighted by Book News Inc Portland OR      **Local**

**Story** John P. Rosa, 2014-08-31 The Massie Kahahawai case of 1931-1932 shook the Territory of Hawai'i to its very core. Thalia Massie, a young Navy wife, alleged that she had been kidnapped and raped by some Hawaiian boys in Waikiki. A few days later, five young men stood accused of her rape. Mishandling of evidence and contradictory testimony led to a mistrial, but before a second trial could be convened, one of the accused, Horace Ida, was kidnapped and beaten by a group of Navy men, and a second Joseph Kahahawai lay dead from a gunshot wound. Thalia's husband, Thomas Massie, her mother, Grace Fortescue, and two Navy men were convicted of the lesser charge of manslaughter despite witnesses who saw them kidnap Kahahawai and the later discovery of his body in Massie's car. Under pressure from Congress and the Navy territorial governor, Lawrence McCully Judd, commuted their sentences. After spending only an hour in the governor's office at Iolani Palace, the four were set free. Local Story is a close examination of how Native Hawaiians, Asian immigrants, and others responded to challenges posed by the military and federal government during the case's investigation and aftermath. In addition to providing a concise account of events as they unfolded, the book shows how this historical narrative has been told and retold in later decades to affirm a local identity among descendants of working-class Native Hawaiians, Asians, and others. In fact, this understanding of the term 'local' in the islands dates from the Massie Kahahawai case. It looks at the racial and sexual tensions in pre-World War II Hawai'i that kept local men and white women apart and at the uneasy relationship between federal and military officials and territorial administrators. Lastly, it examines the revival of interest in the case in the last few decades, true crime accounts, a fictionalized TV mini-series, and most recently, a play and a documentary, all spurring the formation of new collective memories about the Massie Kahahawai case.

**Living and Retiring in Hawaii** Diane Smith, James R. Smith, 2004-01-04 It's perfect for Mainland seniors who have always seen Hawaii as the Paradise to which they might retire. I congratulate you for writing a book that will be of so much help to future Hawaii retirees. Wm Carse, Professor Emeritus, University of Hawaii at Hilo. Excellent source of information, very honest advice. Bill Taylor, Hawaii Island Journal. All you need to know about retiring in the isles is in this book. Hawaii Tribune Herald. The average person can retire to Hawaii. How? The answers are found within the pages of *Living and Retiring in Hawaii*. James R. Smith, Ph.D., and spouse Diane Smith, B.S., detail the options available to migrants, including whether to rent, buy, or build, and what to look for in a new home. Retirement communities, catered living, and assisted living. Choosing an island: Oahu, Hawaii, Maui, Kauai, Molokai, or Lanai. Recreation and leisure pursuits. *Living and Retiring in Hawaii* focuses on the health considerations and lifestyle adjustments that predominantly concern retirees. The Smiths demonstrate how to secure a dream retirement in Hawaii by successfully forecasting cost of living expenses and planning for maximum enjoyment.

**Pacific Studies**, 1998 [Historical Dictionary of Polynesia](#) Robert D. Craig, 2010-12-18 The term Polynesia refers to a cultural and geographical area in the Pacific Ocean, bound by what is commonly referred to as the Polynesian Triangle, which consists of Hawai'i in the north, New Zealand in the southwest, and Easter Island in the southeast. Thousands of islands are scattered throughout this area, most of which are

currently included in one of the modern island states of American Samoa Cook Islands French Polynesia Hawai i New Zealand Samoa Tonga Tokelau Tuvalu and Wallis and Futuna The third edition of the Historical Dictionary of Polynesia greatly expands on the previous editions through a chronology an introductory essay an expansive bibliography and over 400 cross referenced dictionary entries on significant persons events places organizations and other aspects of Polynesian history from the earliest times to the present Appendixes of the major islands and atolls within Polynesia the rulers and administrators of the 13 major island states and basic demographic information of those states are also included

**Forgotten Doors** M. Mark Stolarik,1988 This collection concentrates on the story of immigration through ports of entry to the United States other than Ellis Island including Boston Philadelphia Baltimore Miami New Orleans San Francisco and Los Angeles The ethnic development of these cities is described *A Newcomer's Guide to Hawaii* David Paxman,1993

*Whaling Will Never Do For Me* Briton Cooper Busch,2021-10-21 I just begin to find out that whaling will never do for me and have determined to leave the ship here if possible That sentiment expressed by a foremast hand aboard the ship Caroline in 1843 is one shared by many of the whalemens in this fascinating book Interest in Herman Melville s Moby Dick has contributed to a substantial literature on the history and lore of the industry But not until now has the vast body of surviving whaleship logs and journals been used to paint an encompassing picture of the difficult but colorful life aboard nineteenth century American whaling vessels Briton Cooper Busch author of a definitive history of the American sealing industry in this book only incidentally discusses the actual chase for whales His focus instead is the life of whalemens at sea and particularly the harsh discipline that kept men aboard through long and often dispiriting years Busch depicts the complex social world aboard ship defining and detailing such issues as crime and punishment competing racial elements the social distance between officers and men sexual behavior and the role of women aboard ships For oppressed discouraged or simply bored whalemens several escapes existed from the rarest of all mutiny through labor protests of various types to individual desertion or appeal to an American consul abroad To each of these topics Busch devotes a chapter He also provides glimpses of those occasional moments of relief such as a Fourth of July celebration and such somber moments as a death at sea Fascinating details and original quotations from individual whalemens make this book more than a study of general trends For anyone with even a casual interest in whaling it is indispensable

## Whispering the Techniques of Language: An Psychological Quest through **Mainland Haole The White Experience In Hawaii**

In a digitally-driven world wherever monitors reign great and instant transmission drowns out the subtleties of language, the profound techniques and emotional nuances concealed within phrases often move unheard. However, set within the pages of **Mainland Haole The White Experience In Hawaii** a fascinating literary treasure blinking with organic thoughts, lies an exceptional journey waiting to be undertaken.
