**Margaret Robinson**

## **Maintenance After Divorce Oxford Socio Legal Studies:**

Family Transformation Through Divorce and Remarriage Margaret Robinson,2003-09-02 Family Transformation Through Divorce and Remarriage is the first book to look thoroughly at the complete divorce remarriage stepfamily cycle in the context of demographic data the legal process and the theoretical framework For each phase of the cycle the author describes the stages of development summarises the relevant research and illustrates the effects on family members with case examples

*Maintenance After Divorce* John Eekelaar,Mavis Maclean,1986 Very Good No Highlights or Markup all pages are intact

Dissolving Wedlock Dr Colin Gibson,Colin Gibson,2002-09-11 The divorce rate has been rising significantly throughout the twentieth century By interweaving the historical demographic sociological legal political and policy aspects of this increase Colin Gibson explores the effects it has had on family patterns and habits Dissolving Wedlock presents a multi disciplinary examination of all the socio legal consequences of family breakdown Dissolving Wedlock will be invaluable reading to all lecturers and students of social policy sociology and social work as well as to professionals and lawyers working in the field of divorce

*Mediation in Family Disputes* Marian Roberts,2017-11-28 This is the authoritative textbook on family mediation As well as mediators this work will be indispensable for practitioners and scholars across a wide range of fields including social work and law It draws on a wide cross disciplinary theoretical literature and on the author's extensive and continuing practice experience It encompasses developments in policy research and practice in the UK and beyond Roberts presents mediation as an aid to joint decision making in the context of a range of family disputes notably those involving children Mediation is seen as a process of intervention distinct from legal social work and therapeutic practice drawing on a distinctive body of knowledge across disciplinary fields including anthropology psychology and negotiation theory Incorporating empirical evidence the book emphasizes the value of mediation in mitigating the harmful effects of family breakdown and conflict First published in 1988 as a pioneering work this third edition has been fully updated to incorporate legal and policy developments in the UK and in Europe new sociological and philosophical perspectives on respect justice and conflict and international research and practice innovations

**British Conservatism and the Legal Regulation of Intimate Relationships** Andrew Gilbert,2018-08-23 What does conservatism as a body of political thought say about the legal regulation of intimate relationships and to what extent has this thought influenced the Conservative Party's approach to family law With this question as its focus this book explores the relationship between family law conservatism and the Conservative Party since the 1980s Taking a politico and socio legal perspective the discussion draws on an expansive reading of Hansard as well as recently released archival material The study first sets out the political tradition of conservatism relying largely on the work of Edmund Burke before going on to analyse the discourse around the development of four crucial statutes in the field namely the Matrimonial and Family Proceedings Act 1984 the Family Law Act 1996 the Civil Partnership Act 2004 and the Marriage Same Sex Couples Act 2013 This work offers the first extended

synthesis of family law conservative political thought and Conservative Party politics and as such provides significant new insight into how family law is made Runner up of the 2020 PSA Conservatism Studies Book Prize

**Masculinity, Law and Family** Richard Collier, 2002-11 An incisive exploration of representations in law of male sexuality authority paternity and men's violence in the family This book is of central importance to our understanding of the social and political dimension of masculinity

**Making Law for Families** Mavis Maclean, 2000-12-19 Making Law for Families is the result of a workshop organized by Mavis Maclean and held between May 26 and June 2 1999 at the international Institute for the Sociology of Law IISL in Onati Spain This book analyzes the concept of the family in the context of increasing challenges and questions created by multicultural societies in ever more complicated international and transnational legal contexts How is the family defined across cultural and national divides To what extent and under what conditions should any particular state intervene The collected essays in this volume seek to answer these and other difficult questions through grounded empirical research and insightful appreciation of how political systems function in various countries An underlying concern is to explore to what extent and under what terms will the family endure in the future as a basic unit of social management and control This book is part of the Oati International Series in Law and Society

[The Oxford Handbook of Empirical Legal Research](#) Peter Cane, Herbert Kritzer, 2012-05-17 The empirical study of law legal systems and legal institutions is widely viewed as one of the most exciting and important intellectual developments in the modern history of legal research Motivated by a conviction that legal phenomena can and should be understood not only in normative terms but also as social practices of political economic and ethical significance empirical legal researchers have used quantitative and qualitative methods to illuminate many aspects of law's meaning operation and impact In the 43 chapters of The Oxford Handbook of Empirical Legal Research leading scholars provide accessible and original discussions of the history aims and methods of empirical research about law as well as its achievements and potential The Handbook has three parts The first deals with the development and institutional context of empirical legal research The second and largest part consists of critical accounts of empirical research on many aspects of the legal world on criminal law civil law public law regulatory law and international law on lawyers judicial institutions legal procedures and evidence and on legal pluralism and the public understanding of law The third part introduces readers to the methods of empirical research and its place in the law school curriculum

**Family Justice** John Eekelaar, Mavis Maclean, 2013-06-03 This book is about the delivery of family justice in England and Wales focusing on the work of the family judiciary in the lower courts The policy context is moving so rapidly that the authors have gone beyond presenting their empirical findings to offer a broader consideration of the nature and role of the family justice system as these are in danger of being lost amid present reform proposals The first four chapters are historical and comparative examining assumptions about family justice and offering a defence of the role of legal rights in family life and the importance of good policy making balancing outcome and behaviour focused approaches to family justice Comparative

examples from the US and Australia show how new approaches to family justice can be successfully deployed The next three chapters are empirical including a typology of the roles played and tasks addressed by the judges overturning the commonly held assumption that the central judicial role is adjudication emphasising the extent to which judges integrate outcome and behaviour focused approaches to family justice and giving a detailed account of the daily work of circuit and district judges and legal advisers The conclusion is that there is a trend across jurisdictions driven by technological innovation and by economic constraints to reduce the role of courts and lawyers in favour of individual choices based on private or government funded information sources While these developments can be beneficial they also have dangers and limitations The final chapter argues that despite the move to privatised forms of dispute resolution family justice still demands a sound judicial structure

**Mediation in Family Disputes** Ms Marian Roberts, 2014-12-28 This is the authoritative textbook on family mediation It draws on a wide cross disciplinary theoretical literature and on the author's extensive and continuing practice experience It encompasses developments in policy research and practice in the UK and beyond First published in 1988 as a pioneering work this fourth edition has been fully updated to incorporate legal and policy developments in the UK and in Europe new sociological and philosophical perspectives on respect justice and conflict and international research and practice innovations

**Absent Fathers?** Jonathan Bradshaw, Christine Skinner, Carol Stimson, Julie Williams, 2002-03-11 Much has been written and debated on lone mothers However little has been discussed about non resident fathers Absent Fathers is part of a growing literature on men and masculinities and takes this debate further Drawn from one of the best social policy units in the UK and results from the current ESRC Programme on Population and Household Change it will provide a text for undergraduates in social policy and should also be important for professionals concerned with family breakdown and child support

**Maintenance After Divorce** John Eekelaar, Mavis Maclean, 1986 The most heavily litigated and recently the most hotly debated area of family law is that dealing with alimony This book first places the debate in the context of the economic consequences of divorce and then proceeds with a thorough critical analysis of the policy of the law of post divorce support

**Autonomy, Care and Family Law** Anna Heenan, 2024-01-11 There is a tension at the heart of family law and policy between the increasing influence of individual autonomy and the demands of caring for children Individual autonomy envisages decisions made in one's own best interests whereas decisions around care are often made for the good of the family and may conflict with the caregiver's individual interests Whereas individual autonomy valorises economic self sufficiency caregiving responsibilities constrain choice and conflict with paid work This book explores this tension to consider how given changing social trends family law and policy should take account of caregiving responsibilities on parental separation Crucially it suggests that we need to rethink family law by placing care at its centre This book draws on original empirical data to explore the experiences of parents in England and Wales where the division of paid work and care is considered a choice and Sweden where parents are encouraged to work full time supported by wellfunded state

childcare This comparative perspective sheds light on whether the clash between the ideas of autonomy and care could be reconciled in a more gender equal society The book argues that caregiving is hidden from and undervalued by law and policy in both jurisdictions underscoring the need for the proposed new approach The law needs to think more deeply about what it means to care and how the care provided by parents differs Anna Heenan outlines how family law might look different if the proposed framework based on placing care at the heart of family law is adopted **The Reform of Child Care Law** John

Eekelaar, Robert Dingwall, 2013-07-23 Children Act 1989 introduced the most radical changes to child care law for a generation Eekelaar and Dingwall provide a concise practical guide to the legislation for all professionals practising in this area **Fit Work for Women** Sandra Burman, 2013 This collection presents papers which discuss the origins of the

domestic ideal and its effects on activities usually undertaken by women Aiding understanding of the manifestations of women's roles today the author here examines their origins and early development **Family Law** Jonathan

Herring, 2012-12-06 This book provides a stimulating carefully planned introduction to the key issues and debates within family law from some of the leading authorities within their field It is designed both as a self standing book focusing on the key issues in the subject and as a supplement to more detailed textbooks on the subject It is essential reading for anybody studying or practising in the field of family law Each chapter is concerned with one of the main areas of family law such as adoption domestic violence marriage and divorce and covers a range of themes including the public private divide balancing the interests of family members moral values and family law cost and the legal system and the enforcement of family law The book reflects the interdisciplinary nature of the debates on family law and the difficult social and political issues which these have raised **Obligation and Commitment in Family Law** Gillian Douglas, 2018-04-19 A tension lies at the heart of

family law Expressed in the language of rights and duties it seeks to impose enforceable obligations on individuals linked to each other by ties that are usually regarded as based on love or blood Taking a contextual approach that draws on history sociology and social policy as well as law and legal theory this book examines the concept of obligation as it has been developed in family law and the difficulties the law has had in translating it from a theoretical and ideological concept into the basis of enforceable actions and duties Increasingly the idea of commitment has been offered as the key organising principle for the recognition of family relationships often as a means of rebutting claims that family ties are becoming attenuated but the meaning and scope of this concept have not been explored The book traces how the notion of commitment is understood and how far it has come to be used as a rationale for imposing the core legal obligations which underpin care and caring within families Children's needs - parenting capacity Hedy Cleaver, Ira Unell, Jane Aldgate, Great

Britain Department for Education, 2011-10-12 This second edition of Children's needs parenting capacity updates the original exploration of the research literature in the light of legal and policy changes in England and findings from more recent national and international research The edition has also been expanded to cover parental learning disabilities and how it may

impact on parenting and children's health and development The findings show that these parenting issues affect children differently depending on their age and individual circumstances While some children grow up apparently unscathed others exhibit emotional and behavioural disorders This knowledge can inform practitioners undertaking assessments of the needs of children and their families and effective service responses This publication is essential reading for practitioners managers and policy makers concerned with improving the outcomes for children and families who are experiencing such problems

Give and Take in Families Julia Brannen, Gail Wilson, 2023-08-09 Originally published in 1987 now with a new preface the focus of this book is the distribution of material resources notably money work care and food within and between households Hitherto social policy research had tended to roll households and families into one and consider them as private spheres which only connected with society via the male head of household the breadwinner Examination of resource distribution had stopped short at the door of the household The contributors to Give and Take in Families open up the Black Box of the family and explore the assumption that resources are equitably distributed between household members A dominant concern is with gender relations Each study attempts to make women as resources in caring for other people as providers of income as transformers of income into goods and services visible in the household unit Findings from nine empirical studies are presented examining resource distribution in relation to the composition of households and the life cycles and life experiences of household members A wide variety of household types is considered and attention is given to households undergoing changes such as divorce and unemployment that are likely to have major implications for household structure and resources The implications of these innovative and thought provoking studies for social policy are considerable with relevance to the fields of inequality and income support the provision of care for children and the elderly the labour market and divorce law This book will still appeal to practising researchers and students in the social sciences particularly women's studies

The Protection of Children (Second Edition) Robert Dingwall, John Eekelaar, Topsy Murray, 2014-04-05 This classic study of law and social work in action is based on the most extensive investigation of child abuse and neglect ever carried out in Great Britain The authors followed the course of numerous cases from the first detection of ill treatment to the resolution or otherwise of the problem Famous for coining the much used and often misunderstood or misused phrase the rule of optimism this book is updated with an extensive Postscript from 1995 and a new 2014 Preface that explains the uneven history of the optimism principle in both the UK and US and in both social work practice and sociological scholarship

Right here, we have countless book **Maintenance After Divorce Oxford Socio Legal Studies** and collections to check out. ### **Maintenance After Divorce Oxford Socio Legal Studies Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Maintenance After Divorce Oxford Socio Legal Studies PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge

promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Maintenance After Divorce Oxford Socio Legal Studies PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Maintenance After Divorce Oxford Socio Legal Studies free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

## **FAQs About Maintenance After Divorce Oxford Socio Legal Studies Books**

**What is a Maintenance After Divorce Oxford Socio Legal Studies PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Maintenance After Divorce Oxford Socio Legal Studies PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Maintenance After Divorce Oxford Socio Legal Studies PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Maintenance After Divorce Oxford Socio Legal Studies PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Maintenance After Divorce Oxford Socio Legal Studies PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are

there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
