Mamas Girl:

Mama's Girl Daybreak Jones, 2017-10-31 May Jameson has never fully approved of the questionable things her mother does to subsidize her income. That's why when her mother encourages her to date a much older man from a family of means, May is torn. Her desire to lead a positive life is at odds with her mother's advice but also with the physical desire she feels for this older man. Her best friend's warning against an affair has the opposite reaction and May begins a relationship even though she knows she doesn't really love him. May must make some tough decisions because although she wants to do right, she is feeling the need to do wrong. Her role models add to her confusion with some offering real opportunities for jobs and education while others are caught up in drugs, gambling, and the illegal sale of alcohol. Will she fall into the same trap that holds her mother back from living her best life or will she ignore that advice and follow her own path to success? May thinks beyond the life she's been born into but can she achieve what she sees in her mind. **Mama's Girls** Garrett

Davis, 2016-02-29 *Mamas Girls* tells the story of a married woman turned single mother of five. All five of her daughters have very different personalities even in their youth. Mama has to find ways to balance meeting the needs of all five of her children, especially her youngest Sonya, who is a part of a secret that she has no idea about. As the girls grow up, they begin to focus on their own needs and eventually delve deeper into their own lives. Sonya remains close to Mama, however, she denies herself a personal life to make sure that Mama is okay. She's beginning to feel overwhelmed and then one day Mama has an accident. Sonya calls her sisters and asks them to come see Mama and help her get through this tough time. Will all of Mama's girls show up? **Mama's Girl** Veronica Chambers, 1997-05-01

On the streets of Brooklyn in the 1970s, Veronica Chambers mastered the whirling helixes of a double dutch jump rope with the same finesse she brought to her schoolwork, her often troubled family life, and the demands of being overachieving and underprivileged. Her mother, a Panamanian immigrant, was too often overwhelmed by the task of raising Veronica and her difficult younger brother on her meager secretary's salary to applaud her daughter's achievements. From an early age, Veronica understood that the best she could do for her mother was to be a perfect child, to rewrite her Christmas wish lists to her mother's budget, to look after her brother to get by on her own. Though her mother seemed to bear out the adage that black women raise their daughters and mother their sons, Veronica never stopped trying to do more, do better, do it all. And now, as a successful young woman who's achieved more than her mother dared hope for, she looks back on their mother-daughter bond. The critically acclaimed *Mama's Girl* is a moving, startlingly honest memoir in which Chambers shares some important truths about what we all really want from our mothers and what we can give in return.
