Caroline Kennedy occupied a central position in what is generally regarded as the most famous family in the United States if not the world Even as young children growing up in the White House their most subtle gestures and actions made headlines

Yet until now they have not been the subject of a dual biography In that sense this volume represents a first In *American Legacy* 1 New York Times bestselling author C David Heymann draws upon a voluminous archive of personal interviews to

present a telling portrait of John and Caroline Kennedy A longtime biographer of various members of the Kennedy clan including Jackie and Robert Kennedy Heymann covers John s and Caroline s childhood in the White House the dark aftermath of their father s assassination their uneasy adolescence and the many challenges they faced as adults all under the glaring

eye of the media He reveals John s and Caroline s loving but at times trying relationship with their larger than life mother as well as Jackie s own emotional struggles romantic relationships and financial concerns following JFK s death Other

revelations brought to light for the first time in *American Legacy* include the assassination attempt made on Jackie just before she gave birth to John JFK Jr s romantic escapades prior to marrying Carolyn Bessette and accounts of the

predominantly happy marriage they shared despite criticisms from questionable sources the shocking report of the autopsy performed on John following the tragic plane crash that killed him Carolyn and her sister Lauren Caroline s rise to become

Housekeeping by Design

David Brody,2016-10-17 One of the great pleasures of staying in a hotel is spending time in a spotless neat and organized space that you don t have to clean That doesn t however mean the work disappears when we re not looking someone else is doing it With *Housekeeping by Design* David Brody introduces us to those people the housekeepers whose labor keeps the rooms clean and the guests happy Through unprecedented access to staff at several hotels Brody shows us just how much work goes on behind the scenes and how much management goes out of its way to make sure that labor stays hidden We see the incredible amount of hard physical work that is involved in cleaning and preparing a room how spaces furniture and other objects are designed to facilitate a smooth flow of hidden labor and crucially how that design could be improved for workers and management alike if front line staff were involved in the design process After reading this fascinating expos of the ways hotels work or don t for housekeepers one thing is certain checking in will never be the same again
