Christian Theology Charles E. Raven, **Natural Religion and Christian Theology** Charles E. Raven, 2012-03-29 This
second volume of the 1951 2 Gifford Lectures on Natural Religion and Christian Theology completes Canon Raven s version
of a modern Religio Medici If the Cartesian dualism of body and mind is challenged successfully by an integrative or holistic
philosophy the theological statements are also required to express the Christian s interpretation of his experience In this
second set of lectures Canon Raven examines critically and constructively the scope and character of this restatement and
interpretation He claims that any adequate interpretation must be stated in fully personal categories that the confession of
Jesus as the image of the invisible can still be accepted provided it be recognised that this involves a more radical
restatement of the nature of God and of the quality of human solidarity than has been accepted by tradition and that on these
conditions it is still possible for man to live eternally **Experience and Interpretation** Charles Earle Raven, University of

Natural Religion and Christianity Rev. Thomas Watson, 1805 **Natural Religion** Joseph Shaw Bolton, 2013-07-18
Driven by the dissatisfaction and turmoil in religion at the time this book was originally published in 1923 the author sets out
a belief that all people have an inborn religion and investigates what the future of this religion might be as it changes from
age to age In the short chapters here the author reflects on the current trends in theology at the time and the history of

Christianity This is an early critique of formalised religion and a simple advocacy of natural religion which is a glimpse into the basic philosophy of the early twentieth century Natural Religion and Christian Theology... 2nd Series. Natural Theology David Haines,2021-12-02 Christians affirm that Scripture alone reveals truths about God which cannot be known by mere reason such as the Trinity or the Gospel itself But how do we account for Scripture s apparent talk of a knowledge of God possible solely from creation Or for our own sense of the divine in nature Or for the startling insights of ancient philosophers about the nature of God The answer natural theology Often misrepresented as a fruitless human attempt to comprehend God natural theology has in fact been a significant part of Christian theology throughout history It has shaped the Christian doctrine of God and provided a starting point for evangelizing non Christians In an age when theologians and missionaries alike are in need of stronger doctrinal foundations it is a doctrine as vital as ever In this brief guide David Haines first outlines the biblical basis for natural theology suggesting that if Scripture is correct certain truths about God should be well attested by non Christians A thorough historical survey demonstrates that this is indeed the case and that the Church has long made use of that which is revealed to reason in order to serve Christ who is revealed to faith
