## **Natures Garden:**

**Notes from Nature's Garden** Frances Anne Bardswell, 1906      **Garden Plots** Shelley Boyd, 2013-05-01 Canadian literature has long been preoccupied with the wilderness and the landscape but the garden has remained neglected terrain In *Garden Plots* Shelley Boyd focuses on private domestic gardens tended by individual gardeners to show how modest everyday spaces provide fertile grounds for the imagination Combining the history of gardening with literary analysis *Garden Plots* explores the use of the garden motif in the works of five authors Susanna Moodie Catharine Parr Traill Gabrielle Roy Carol Shields and Lorna Crozier With works spanning the nineteenth to twenty first centuries these writers reveal the associations between the arts of writing and gardening the evolving role of the female gardener and the changes that take place in Canada's literary gardens over time With the task of understanding our connection to the physical environment becoming increasingly important *Garden Plots* explores the subtle relations between place and narrative This fresh literary approach to Canada's gardening culture reveals that gardens grow and change not simply in the earth but also in the pages of our texts

**Natures Garden** C R Gibson Company, 1996-02-01      **Unearthed** Karen M'Closkey, 2013-06-14 The work of landscape architecture firm Hargreaves Associates is globally renowned from the 21st Century Waterfront in Chattanooga Tennessee to London's 2012 Olympic Park Founded by George Hargreaves in 1983 this team of designers has transformed numerous abandoned sites into topographically and functionally diverse landscapes Hargreaves Associates body of work reflects the socioeconomic and legislative changes that have impacted landscape architecture over the past three decades particularly the availability of former industrial sites and their subsequent redevelopment into parks The firm's longstanding interest in such projects brings it into frequent contact with the communities and local authorities who use and live in these built environments which tend to be contested grounds owing to the conflicting claims of the populations and municipalities that use and manage them As microcosms of contemporary political social and economic terrains these designed spaces signify larger issues in urban redevelopment and landscape design The first scholarly examination of the firm's philosophy and body of work *Unearthed* uses Hargreaves Associates portfolio to illustrate the key challenges and opportunities of designing today's public spaces Illustrated with more than one hundred and fifty color and black and white images this study explores the methods behind canonical Hargreaves Associates sites such as San Francisco's Crissy Field Sydney Olympic Park and the Louisville Waterfront Park M'Closkey outlines how Hargreaves and his longtime associate Mary Margaret Jones approach the design of public places conceptually materially and formally on sites that require significant remaking in order to support a greater range of ecological and social needs
